WHY IT CIRCULATES

Phenomenal Demand for a Weekly Newspaper.

IT ADVOCATES POPULAR MEASURES

Characteristic Letters From All Kinds of People.

The phenomenal circulation of the WEEKLY CAPITAL JOURNAL in all the postoffices of Western Oregon causes a great deal of comment, and needs some explanation. Orders keep pouring in by every mail, and while names are struck off the list as soon as a subscription expires the additions surpass the expiration.

IT IS THE CHEAPEST Weekly in the state. One year \$1.00, six months 50 cents, three months 25 cents. At this low price all can afford to take an Oregon Weekly, and these hard times they naturally take the cheapest. It is too cheap to do without it, and conducted on the cash in advance basis, they know they will not have a bill run on them.

THE PEOPLE WANT IT. The people will not pay cash in advance for a paper unless they want it and appreciate it. THE WEEKLY is as popular as THE ONE CENT DAILY which is conceded to be the most popular daily in Western Oregon. A man brought in a silver half dollar the other day and ordered it for two months. He said: "I can't get work this winter. I can get along without one meal a day. But I can't get along without THE ONE CENT DAILY. These long, cloudy, rainy, winter days it comes a welcome messenger to cheer the whole family." The people feel the same way about THE WEEKLY.

FROM NETARTS, OREGON, comes a cheering letter from a subscriber at Netarts, Oregon, who encloses a dollar and writes: "DEAR EDITORS: THE JOURNAL has the true Republican ring about it. I wish that every paper in the country would advocate the peoples cause as THE JOURNAL does. I will do all I can for THE JOURNAL."

W. C. O'HARA, A Republican of the school of Abraham Lincoln.

Mr. O'Hara is not afraid to sign himself an Abraham Lincoln Republican and THE JOURNAL feels proud to be considered a champion of Abraham Lincoln Republicanism.

FROM MAINE, TO TEXAS. Come orders for THE \$1 WEEKLY JOURNAL. Silver dollars are sent, John Holm, Luling, Texas, sends us a big dollar of the daddy in a common envelope. It is one of those "In God We Trust," dollars, coined in 1893, good enough for any American, and good enough for any newspaper. THE JOURNAL is the only Daily and Weekly in Oregon. THE JOURNAL is the only Daily and Weekly in Oregon that fights the whole gold bond, humbug and stands for the right of the American people to buy their bonds. It demands Republican legislation for the American people instead of for the corporation, the trusts, the bondholders and syndicates.

ORDER THE JOURNAL. Circulate the DAILY and WEEKLY. Stand by the cause of good government for the masses and sound American principles. We will pay extra postage on silver. Don't send stamps.

THE REVOLT AGAINST PLATT.

Every American who loves his country more than his party, and who understands and appreciates the strong lodgement which has been made in this country by machine politics and politicians, to the detriment of our institutions, will say "God-speed" to Mr. Edward Mitchell, Mr. Cornelius N. Bliss, and their Republican associates, in their efforts to destroy the power of Platt.

The best men among the Republicans have been a long time in coming to a sense of their duty as to Platt. He has been as deep a disgrace to their party as Croker or Hill or Murphy or Sheehan has been to the Democratic party. Indeed, it may be truly said that he has been the Republican equivalent of all the Democratic bosses, for he has stood alone in his party, the acknowledged leader in bad politics, easily chief of the Republican allies of Tammany Hall. He shares with Croker the evil fame for misgovernment in New York city, and with Hill, Murphy, and Sheehan the responsibility for vicious administration and legislation at Albany.

The submission of Republicans like the men who are heading the new revolt to the odious rule of Platt has long been a cause of wonder and concern. It is evident that so long as they do permit Platt to represent them, to trade with Tammany Hall on their names and reputations, and with their political principles, nothing good is to be expected of the Republican party in this state or city.

If a Republican Governor is elected, Platt compels him to use the office for the profit of the Platt "boys." If a Republican Legislature is chosen Platt secures the enactment of such legislation as will advance the interests of the spoilsmen. If a Republican Mayor of New York of the "straight-ticket" kind should be elected, the city might better be frankly and undisguisedly under the immediate control of Richard Croker or John C. Sheehan.

While the Republican leaders who do not approve of Platt were not only hesitating, but submitting to him, a number of Democrats under the leadership of Mr. Charles S. Firchild, were showing them the path in which they ought to have been walking.

These Democrats revolted against the corrupt machine that controlled their party. They had little, if any, more cause to oppose Hill than decent Republicans have to revolt against Platt. But they preferred their country and its best interest to party regularity and to their own political advancement. They organized the state Democracy and defeated Hill's candidate for a judgeship of the court of appeals, and Hill himself when he was a candidate for Governor. They have apparently made it impossible for the corrupt Democratic machine to carry the state.

The Republican party under bad leadership is no more entitled to the loyal support of good men than is the Democratic party. If Mr. Fairchild and his associates only did their duty when they revolted against Hill and his associates, then it is the duty of Mr. Mitchell, Mr. Bliss, and all other decent Republicans to revolt against Platt. If they do revolt, there will be some hope for the "boss" ridden Empire state.—Harper's Weekly.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrup, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless your physician knows of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel P. Fitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Fitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Chas. H. Fletcher* is on every wrapper.
