## SPANIARDS RAMPANT

### Riots Against the Americans on All Hands.

### IS IT WAR WITH SPAIN?

#### Reported Losses by the Insurgents in Cuba.

BILBOA, Spain, March 9.—There was another American riot here today. About 12,000 people took part. The authorities did everything possible to maintain order. The crowds armed themselves with sticks and cudgels, the police were swept aside and an immense crowd marched towards the residence of the United States consul shouting "Long live Spain, down with the Yankees." When the mob neared the United States consulate it was confronted by the police with drawn swords. The mob halted and then began pelting the police vigorously with stones and bricks. A squad of gendarmes charged the rioters and the latter fired pistols at the policemen, two of whom were injured. This caused the police to charge in a body, using swords with good effect. The rioters were dispersed, yelling and hooting at the authorities, and shouting "Down with the Yankees" and "Long live Spain."

During the whole afternoon there was more or less disturbance. The United States consulate is now guarded by a strong detachment of gendarmes armed with carbines, revolvers and swords, and instructed to protect the consulate at any cost.

**A REPORTED DEFEAT.**  
MADRID, March 9.—A dispatch from Havana says Colonel Vicuna has defeated Maceo with a loss of seventy-two killed and a great number of wounded. The Spanish troops captured two hundred and ten horses, and a large quantity of arms. The Spaniards, who lost only twenty-two wounded, are still pursuing the enemy.

**WAR TALK.**  
MADRID, March 9.—Several military officers, including some Englishmen, have offered their services to the Spanish minister of war, Senor Marcello de Azorraga, in the event of war between Spain and the United States. The official belief, however, is expressed that no conflict will occur. Patriotic demonstrations have occurred throughout the country since the action of the United States congress on the Cuban question, and wealthy Spaniards are offering money to the government. Several towns have sent messages offering money and the lives of their citizens in defense of the country. Shipowners of Seville have offered to place 50 steamers at the disposal of the government. In the Basque province, a subscription has been opened to present a warship to the government.

**A SUNDAY MOB.**  
VALENCIA, March 9.—This city was again in a turbulent state yesterday over the conditions of the relations between Spain and the United States. A mob gathered and was proceeding toward the American consulate with the intention of causing a disturbance but a force of police and gendarmes opposed its passage through the streets. A desperate struggle ensued and several persons were injured, including a gendarme. The mob succeeded in returning to the Plaza del Torres, by destroying the gates leading to the building. They held a meeting in the arena. A state of siege has been proclaimed.

LONDON, March 9.—A Madrid dispatch says ten persons engaged in a demonstration at Valencia, led by a well-known Republican. They made a noisy display before the French consulate before going to the American consulate, where the civil guards op-

posed them. Shots were heard, and the guards responded with their carbines, and charged repeatedly, before they dispersed the mob. Those arrested were found to be chiefly Republicans. The affair caused great alarm. The police also dispersed a gathering at Saragossa.

**European Politics.**  
BERLIN, March 9.—The long visits of Emperor William to Chancellor von Hohenlohe, Baron von Bieberstein, the minister for foreign affairs and the Austrian ambassador, Saturday, have given an impulse to speculation in the press, and in political circles on the subject of the visit this week to Berlin of Count Goluchowski, the Austrian minister for foreign affairs, and the future relations of Italy to the dreibund, which are undoubtedly the subject of Count Goluchowski's mission.

The papers generally counsel Italy to make the utmost sacrifice to save her honor, and they hint that Germany and Austria will support this policy. The Boersen Courier, on the contrary, contends that Italy's position would not be weakened if she withdrew from the African adventure. The Vorwaerts leads the Democratic section of the press, with a ferocious attack upon Italy, and Signor Crispi, dubbing the latter the hero of the Banco Romano scandal and the sleuth-hound of Italy, who lacks the courage to face parliament.

These papers naturally welcome the collapse of the dreibund, but in the face of Italy's difficulties at home and abroad, and the doubtful attitude of Russia toward Italy, it is not easy to predict the outcome of Goluchowski's conference here. There are even rumors that Humbert will abdicate in favor of his son. The fear of England's attitude since the Transvaal affair is also a factor.

**The Italian Ministry.**  
ROME, March 9.—There is much difficulty found in the task of forming a new ministry. Signor Saracco has declined the responsibility, while the attempt to form a Saracco and Rudini combination has also failed. It is announced tonight, however, that Marquis di Rudini has succeeded in forming a cabinet, with himself as premier and minister of the interior; General Ricotti, minister of war; Signor Brin, minister of foreign affairs; Senor Perazzi, minister of the treasury, and Admiral Raccchia, minister of marine.

It developed later that the formation of the cabinet has been undertaken by General Ricotti. King Humbert conferred with General Ricotti at 7 o'clock yesterday evening and charged him with the formation of a cabinet. The result was a cabinet made up as already sent, Ricotti yielding to the Marquis di Rudini the premiership, and himself assuming the portfolio of war, as indicated above. Further members of the cabinet are: Signor Guicciardini, minister of finance, and Senor Granturio, minister of justice.

**An Offensive Campaign.**  
LONDON, March 9.—The Daily News correspondent at Rome wires as follows: "The choice of General Ricotti as minister of war shows that the king's ideas have prevailed in favor of reopening an offensive campaign at the end of the rainy season."

**A Severe Fire.**  
PITTSBURG, March 9.—A fire this morning destroyed a block of 10 houses on Aurella street, rendering ten families homeless, and causing a loss of \$50,000. Capt. Fred Brecker, of Engine Co. 16, was seriously injured by a fall.

**Seating Dupont.**  
WASHINGTON, March 9.—At 3:10 p. m. Mitchell pressed his resolution seating Dupont as senator from Delaware, and it was held to be a question of higher privilege than the conference report on the Cuban resolutions, so the latter went over.

**Chief Justice Dead.**  
DOVER, N. H., March 9.—Chief Justice Charles Doe was fatally stricken with paralysis today.

## KENTUCKY SENATORS.

### Effort to Stampede Republicans to Carlisle.

### SATURDAY'S STRUGGLE.

#### Situation of the Great Battle on Monday.

**SATURDAY'S BATTLE.**  
FRANKFORT, Ky., March 9.—The Republican leaders in the house became confused early in the morning, when they permitted the postponement of the Dunlap-Kauffman contest till Monday, instead of carrying out the decree of last night's caucus to oust Kauffman the first thing and get Dunlap in before the senate could retalliate, previous to the joint ballot.

The key to the contest was the pair between Weissinger, a hard-money Democrat, and Chambers, Republican. When it became evident that unless this pair was broken Blackburn would be elected, Weissinger, from his sick-bed in the hotel, released Chambers, if the latter would vote for Carlisle. This defeated Blackburn, as the stampede had reached its climax. The "sound-money" Democrats had gone to Blackburn, while the Republicans were rushing to Carlisle. The vote of Chambers for Carlisle did more than all gavel, presiding officers and sergeants-at-arms for order.

Both sides are holding conferences for the contest today, and the feeling again the so-called bolters is intense on both sides. Without Weissinger unconditionally paired Blackburn cannot be elected. The Republicans will pair with Weissinger only on condition that the member pairing with him will be allowed to vote for Carlisle. Violett and Carroll may come to Blackburn. Speight voted for Blackburn today, but declares he will never do so again. The Republicans insist that they will seat Dunlap in Kauffman's place today before there is another joint ballot.

After the roll-call was completed Populist Poor said he believed the time had arrived to elect Blackburn. He cast his vote for Blackburn (cheers.)

Then one by one, amid cheers from the friends of Blackburn, the following Democrats changed to Blackburn from Carlisle: Ellison, Smitt, Witt, Stephenson, Dougherty, Noe, Saller, Baird, Holloway, Rice, Norman.

Baird said he was opposed to the Democratic nominee's views on the currency question, but would cast his vote for Blackburn. Holloway and Saller also said that they thought it their duty to vote for the nominee whenever there was a chance to elect him.

Representative Chambers, who was paired with Senator Weissinger, said he wished to vote. Senator Bronstone protested, but Mr. Chambers cast his vote for John G. Carlisle.

At this Representative Lyons caused wild excitement by saying that if any attempt was made to elect John G. Carlisle he would vote for Blackburn. The statement was wildly cheered by the friends of Blackburn.

Speaker Blanford said that when it became certain that a sound-money Republican could not be elected, he would follow his people's wishes and vote for a sound-money Democrat. He changed his vote to Carlisle amid the wildest excitement. A dozen members clamored for recognition and the chair rapped for order for five minutes in vain.

Senator Bronstone finally got the floor. He said Chambers, who voted in spite of his pair for Carlisle, was not entitled to his vote at all. The point of order was raised here, and a motion made to recall the roll.

The chair ordered the galleries cleared. This was done after some confusion. The scene on the floor baffled description. The sound-money men held a consultation and urged one another to change to Carlisle.

Howard moved to adjourn, but Bronstone objected. "I want to give an opportunity to the sound-money Democrats to elect Carlisle," said he.

The roll was ordered called on the motion to adjourn and the motion was lost.

Representative Lyons swore he would try to defeat any attempt to elect Carlisle. Saller called him to order, and Lyons said as he was called to order by the friends of Carlisle he would vote not to adjourn. He was cheered by Blackburn's friends.

Representative Chambers received a note from Weissinger, with whom he was paired, saying: "I release you from your pair, and you are at liberty to vote as you please." The announcement of the refusal of the assembly to adjourn raised interest to a fever heat again.

Speaker Blanford moved to adjourn until Monday at 12 o'clock, and the Republicans filibustered in an attempt to stave off another ballot. The chair ruled that when the assembly adjourned it would be until 11:50 Monday.

Senator Bronstone tried to persuade the chair that the ruling was incorrect, but without effect.

"I say," he cried away with these allatory motions. Let us here and now elect some one, be it Boyle, Blackburn or Carlisle."

Senator Blanford withdrew his motion to adjourn, and the roll was ordered called for another ballot. Senator Clark refused to vote.

Senator Bronstone asked that he be required to vote, but the chair ruled that no member was required to vote.

Senator Elliston voted for Carlisle. This seemed to indicate Blackburn's defeat. Senator Holloway voted for Carlisle, as did Noe, Saller and Smith. Most of the Republicans refused to vote. Representative Baird voted for Carlisle, and Representative Chambers (rep.) voted for Carlisle.

Speight protested against Chambers casting a vote until the signature of Weissinger had been proven. Chambers withdrew his vote for Carlisle (for the present only, he said). Dougherty, Furnish, Norman, Speight, Stout, Walker and Violett voted for Carlisle. Populists Poor and Edrington again voted for Blackburn.

The second ballot stood, Blackburn 49, Carlisle 15, and the speaker decided there was no quorum. An effort was then made to adjourn, but it was fruitless.

Senator Jones moved that the assembly adjourn until Monday noon. Before the vote on the motion was completed, Senator Bronstone said that he understood Senator Ogilvie was getting very sick, and he, therefore, withdrew his objection to the motion to adjourn, and it carried.

**WEISSINGER DYING.**  
FRANKFORT, Ky., March 9.—Senator Rossell Weissinger, the sound money Democrat, is this morning reported dying.

**A SENATOR DEAD.**  
Senator Weissinger died at 11:40. Weissinger constituted the back bone of the Democratic opposition to Blackburn. The battle royal is between Carlisle and Blackburn. If it comes to a choice between the two the Republicans will vote for Carlisle.

[The above is closed by the Associated Press report which is sent out by gold standard papers. Lyon, a Republican gave notice Saturday that he would vote for Blackburn, and it is not certain that other Republicans will not do the same. The indications are now favorable to Blackburn.—EDITOR JOURNAL.]

**NO BALLOT TODAY.**  
FRANKFORT, March 9.—Owing to the death of Weissinger, no attempt will be made to elect a senator today.

## MANIAC'S MURDERS.

### Eight Men Shot by a Lunatic at Brockville, Ont.

### TWO VICTIMS ARE DEAD.

#### A Fatal Stabbing Affray at Central Point, Oregon.

BROCKVILLE, Ont., March 9.—A maniac, who alighted from the 11:45 train today, shot eight men. Two, Moore and Boyd, are dead. Chief of Police Rose was fatally injured. The maniac himself was shot through the body and is in jail. His name is said to be L. A. Pointe. Policeman Tinsel is shot in the arm, Dave Rougie, an Indian; and two Stagg brothers and a man named Kilburn are the others wounded.

#### An Oregon Crime.

CENTRAL POINT, March 9.—Thos. G. Elliott was stabbed and probably fatally wounded Sunday by John A. Penninger. The affray took place at the Central Point hotel, and was without doubt premeditated. The two men had been attending a dance, which broke up at 12 o'clock, and, as Elliott stepped out of the front entrance of the hotel, Penninger put his hand on Elliott's right shoulder and stabbed him in the breast with a dirk-knife, the blade of which was three and a half inches long. The knife entered the breast at the junction of the sixth rib, and, as yet, its course is unknown.

Elliott is a well-respected young man 20 years of age. He came here from Canada, about two years ago, and worked for Penninger's father until August last, at which time young Penninger made an attempt to stab him with a pocket-knife, and cut a gash across Elliott's abdomen six inches long. Elliott has no relatives nearer than Iowa, where his parents now reside. He does not drink, and has always had the name of being a quiet young man.

The city marshal was an eye-witness of the stabbing, and, when he attempted to arrest Penninger, Barton Patrick attempted to help Penninger, hence he has been arrested as an accessory to the crime.

#### To Increase Circulation.

WASHINGTON, March 9.—The house committee on banking and currency today voted to report favorably on the house bill introduced by Johnson of Indiana, to permit national banks to issue notes to the amount of the par value of bonds deposited by them in the treasury, as security for their issue of notes.

#### Watson Nominated.

COLUMBUS, Ohio, March 9.—David K. Watson was today nominated by the Republicans for congress in the twelfth district, which is usually Democratic, Watson breaking the record by defeating Outhwaite in the political landslide two years ago.

#### Rhodes to Be Arrested.

LONDON, March 9.—It is admitted by the police authorities that a warrant has been issued for the arrest of Cecil Rhodes, charged with complicity in the importation of arms into the Transvaal territory, for use against the authorities of that republic.

A party of Dayton prospectors have gone into the coast range to develop a mine.
