

SEC'Y CHICAGO EXCHANGE.

Col. R. M. Littler Recommends That Best of Remedies,
Paine's Celery Compound.

For 10 years secretary of the National butter and egg association, and since 1882 secretary of the Chicago produce exchange, Col. Robert M. Littler has been in constant demand as a bureau of information by correspondent who recognize Chicago as the commercial center of the country.

When such people as Col. Littler, State Treas. Colvin of New York, Modjeska, the actress, ex-Minister to Austria John M. Francis, and hosts of other equally responsible persons volunteer testimonials as to the wonderful virtue of Paine's celery compound, no sick or suffering person can with any show of reason hesitate to make use of the great remedy that has made so many people well. Col. Littler says:

"I have used with great benefit several bottles of Paine's celery compound and I have recommended it to my friends. It is a wonderful spring remedy." Go to the bulsest lawyer, editor or

business man of your acquaintance who has taken Paine's celery compound. There are hosts of such professional men in every city who would hardly spare you a moment's time for strictly business matters. Ask one of them in his busiest hour whether he can recommend Paine's celery compound, and ten chances to one he'll say: "Sit down. No matter about my being busy; always glad to praise Paine's celery compound."

That is the feeling among people who have been made strong and well by Paine's celery compound. They never feel happier than when they can persuade some man or woman who is out of health to try Paine's celery compound. Next to doing good to one's self there is a delight in doing good to others. There is no more enthusiastic body of intelligent men and women throughout the country than the great army of those who have recovered health by the use of Paine's celery compound.

The vast majority of diseases that end disastrously might be quickly and permanently cured if sick persons could only be induced to take Paine's celery compound, when they feel that dispirited, enervated condition coming on, they would escape the martyrdom of backache, headache, disordered liver and heart trouble.

Instead of being thin, nervous and unhappy they would experience the joy of perfect health, sound digestion and quiet nerves.

Paine's celery compound is just the remedy needed by women who are in illhealth and spirits, seemingly well one day and almost sick abed the next. Their trouble lies plainly in the want of good rich blood, and plenty of it, and in the consequent famished state of their nerves. Paine's celery compound should be taken without delay. It will restore the health and stop every tendency toward a debilitated condition.

TONGUE ON GENIUS.—Hon. Thos. H. Tongue's address before the state normal school at Monmouth last Friday evening is highly spoken of by those who heard it. His subject was "Genius and Plodding." The speaker claimed that a normal brain and a good physical constitution constitutes all the essential elements of genius. Mr. Tongue is a polished orator and his address is pronounced one of the finest orations ever delivered before the state normal.—Independence Enterprise.

THE PRIMARY.—Points in getting a meal are to have it good, plenty of it, and at a reasonable cost. This is the combination offered by Kenworthy & Barnett, at their popular restaurant.

Cheap Rates to Frisco.
The cheap rates of five dollars cabin and two-fifty steerage including meals and berth are still in effect on the O.R. & N. Co.'s steamers from Portland to San Francisco.
Steamers leave Portland every five days. □ 34-1 in

Blind School.
The Miltonian society has elected a new set of officers. There was much excitement at the school for the blind last evening over the election of officers. The election resulted as follows: Miss Mary Roberts, president; Miss Maud Potter, vice-president, and Miss Nancy Atkinson, secretary. President Robert's cabinet will consist of the following persons: Miss Kate Cameron, L. L. Perin and J. H. Redwine.

Electric Bitters.
Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, Constipation, Dizziness yield to Electric Bitters. 50 cents and \$1.00 per bottle at Fred A. Legg's Drug store.

A SUNDAY WEDDING.—On Sunday afternoon, March 22, at 1:30 o'clock, Mr. J. J. Reed and Miss Jessie M. Beardsley will be married at the residence of Mrs. J. S. Woodruff, on Liberty street. Only the relatives and nearest friends of the contracting parties will be present. After the ceremony the newly-married couple will take the afternoon train for a short trip north.

CONVICTS AT WORK.—A force of about a dozen convicts is at work removing the rubbish from, and deepening the drainage ditch running in a northwesterly direction from the penitentiary, finally entering North Mill Creek. All rubbish is removed from this ditch every spring, so as to permit unimpeded drainage during the summer months.

DIVISION ASKED.—A petition is up from school district No. 88, the Kaiser school, for a division of the district. If the prayer is granted a new district will be organized, which it is said will better accommodate the pupils near Chemawa.

Marvelous Results.
From a letter written by Rev. J. Gunderman, of Dimondale, Mich., is permitted to make this extract: "I have no hesitation in recommending Dr. King's new discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at River Junction she was brought down with Pneumonia succeeding La Grippe. Terrible paroxysms of coughing would last hours with little intermission and it seemed as if she could not survive them. A friend recommended Dr. King's New discovery; it was quick in its work and highly satisfactory in result." Trial bottles free at Fred A. Legg's Drug Store. Regular size 50 cents, and \$1.00.

OLD FOLKS WHIST.
Mayor and Mrs. Claud Gatch, last Monday evening, entertained the Old Folks' Whist Club at their home in university addition. The evening was happily spent as usual by this club and the prize winners were as follows: First prizes, Hon. Phil. Metschan and Mrs. Adams; booby, Dr. Smith and Mrs. Sanford. The next meeting of this club, and probably the last for the season, will be held at Mr. and Mrs. Eugene Breyman's next Monday evening.

BOB BURDETTE.
The world-renowned humorist, made his debut in the rostrum at Keokuk, Iowa in 1876. At the end of last season he had appeared in 1018 cities and towns his route book showed a record of 2112 engagements. Mr. Burdette has been growing in popularity ever since his first appearance and today is recognized everywhere as the best humorist in America. The people of Salem have offered to them the rare privilege of hearing this famous man at the opera house, Saturday, March 28. The subject of Mr. Burdette's lecture or rather talk, will be "The Rise and Fall of the Moustache." This talk is brim full of humor and quaint philosophy taken from the experience of every day life. The price of admission to the general public will be 75 cents; members of the Y. M. C. A. 50 cents. No extra charge for reserved seats. Seats now on sale at F. S. Dearborn's.

SURPRISE PARTY.
Mr. John W. and Miss Lucia Cochran were given a genuine surprise party at their home last evening at the corner of Center and Twelfth streets, by about 30 of their young friends. To say the surprise was complete would be a mild way of expressing it; but the surprised parties soon recovered, and arranged for the entertainment of their unexpected callers. Games, music and other amusements caused the evening to pass away very rapidly. For a short time the gathering was converted into a "conversation party." Each young lady was given a card containing six subjects, viz: The New Woman, The Comet, Is Marriage a Failure? Woman's Rights, Advantages of Leap Year, and The Young Man of the Present Century. Each lady conversed for two minutes on each of the subjects, selecting a different young gentleman for the discussion of each subject. This afforded considerable amusement and brought out quite forcibly the views of the young ladies. At a seasonable hour light refreshments were served, and at an "early" hour the party broke up.

Those present were: Misses Linnie, Ida, Mamie and Hattie Rundlett, Mattie, Maude and Zula Hunt, Allie Crossan, Bertha Kay, Grace Long, Bertha Jones, Stella Churchill, Carrie Campbell and Lucia Cochran; Messrs. C. J. Atwood, I. P. Callison, R. L. Matthews, J. G. Callison, Ed. Carter, Ralph Watson, R. W. Williams, Sam Rundlett, Ralph King, Art Shulse, Rex Davis, John King, Roy Damon, Max Miller, Andrew Campbell, John and Gates Cochran.

CROSS COUNTRY RUN.—Several young gentlemen students of Willamette university enjoyed another "cross country run" this afternoon.

A tired stomach is very much like a sprained ankle. If you suffer from any of the symptoms of dyspepsia, your stomach is tired. It needs a crutch. We must relieve it of all work for a time, or until it is restored to its natural strength. To do this successfully, we must use a food which is already digested outside of the body, and which will aid the digestion of other foods that may be taken with it. Such a product is the Shaker Digestive Cordial.

The Shakers have utilized the digestive principles present in plants of the manufacture of this article, and its success has been truly phenomenal. You can try it for the nominal sum of 10 cents, as sample bottles are sold by all druggists at this price.

Deafness Cannot be Cured.
by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

The Williams Bank Suit.
The petition of R. Williams for possession of a certificate of deposit of \$25,000 against the Williams & England Banking Co. was refused in a decree by Judge Hewitt today. He holds in a long finding of fact that the bank management was rotten and that Dick Williams was not entitled to possession of the \$25,000 certificate issued to him by his brother, Geo. Williams, and that the receiver is allowed to put in that amount as offset to the liabilities.

The decree also holds that the issue of the certificate was unauthorized and fraudulent, but neither receiver recovers costs.

A Veteran's Sad Death.
CORVALLIS, Ore., March 21.—M. J. Lindsay suicided at 1 o'clock this afternoon in the basement of the opera house. He shot himself through the head. Despondency over financial straits is the supposed cause. He was an old soldier, and a member of the A. O. U. W.
