A Large Convention of Delegates in Session.

GEN'L. WEAVER SPEAKS.

The Convention Diligently Works at Its Routine Grist.

Pursuant to call the convention of Marion county Populists met at the opera house this forenoon, and the meeting was called to order by Chairman K. L. Hibbard at 10:30 o'clock. The number of delegates entitled to seats in the convention, under the appointment of one at large for each precinct and one for each 100 votes cast for Nathan Pierce for governor in 1894, was 206.

After a hearty cheer on calling the meeting to order Chairman Hibbard read the call.

Mr. Swank moved that K. L. Hibbard act as temporary chairman. Unanimously carried. Judge Boise nominated T. C. Jory as temporary secretary. Unanimous. R. H. Leabo was in like manner elected temporary secretary.

Before another thing could be done L. H. McMahon moved that a committee on resolutions be appointed. Mr. Swank very properly thought credentials and order of business should come first.

On motion the chair appointed as a committee on credentials: T. C. Davidson, T. Y. McClellan, I. M. Wagner, B. T. George, Frank Simeral.

A committee on order of business was asked for when John P. Robertson moved that a committee on resolutions be appointed. Adopted unanimously. McMahon in order to save time made a speech against this motion. His motion to defer was lost.

On motion every delegation having absentees was empowered to fill its ranks by appointment.

COMMITTEES.

Order of business—L. H. McMahon, Geo. Weeks, S. R. Burford, Chas. Miller, Jas. B. Dawson.

Resolutions—John P. Robertson, J. W. Jory, D. E. Swank, J. M. Pogue, T. J. McCleary.

On the suggestion of D. E. Swank, T. J. McCleary was invited to address the convention while the committees were doing their work. The gentleman appeared and spoke in a pleasing voice. He spoke for the common people and pointed to the portrait of Abraham Lincoln, as did the Republican speakers the day before, as the immortal representative of his party's ideals. He claimed that only one man in congress today truly represents the masses, while the lawyers and bankers had the rest, and that their interests were identical and who legislated only in behalf of the money power; he condemned the Democrats and Republicans alike, and stated that the Populist party was an organized protest against the iniquitous policy of the parties. He said the bankers were the lice upon your backs, the fleas upon the dog. Annihilate the present system and the fleas will be out of a job. He ridiculed Grover Cleveland and the single gold standard as well as the free silver men. There isn't a Republican upon the face of God's green earth who knows what money is. Only Populists know this precious stuff. Gold and silver is not money. It exists only in the imagination. The law alone makes money. After closing his remarks General Weaver of Iowa, who had just arrived, was introduced. The general entered upon a felicitous and polished speech. He pleased his hearers immensely, and brought out cheer after cheer. He said history was simply repeating itself. The older men in the house had seen old party lines broken up, and that it was coming again in the very near future. After the general closed with a great cheer, Representative Jeffries, of Jackson, was introduced, and spoke in his usual bright strain. Upon motion the convention stood adjourned until 1 o'clock p. m.

WORK IN CONGRESS.

May 2d Set for Day of Adjournment—Church and State.

WASHINGTON, March 25.—Senator Platt has introduced a resolution in the senate for the adjournment of congress May 2.

FOREIGN DECORATIONS.

Sherman presented a favorable report on the resolution authorizing ex-President Benjamin Harrison to accept the decorations conferred on him by Brazil and Spain, while he was president. Sherman asked immediate action. "Let that resolution go over," interposed Allen, of Nebraska. The resolution went over.

CHURCH AND STATE.

Gallinger, of New Hampshire, proposed an amendment to the constitution, to be known as article XVI, providing that neither congress nor any state shall pass any law respecting the establishment of a religion or prohibiting the free exercise thereof, or the use of the United States or of any state of any money raised by taxation for the purpose of founding, maintaining or aiding any church, religious denomination or religious society, or any institution, society or undertaking wholly or in part under sectarian or ecclesiastical control.

CHARGE DENIED.

WASHINGTON, March 25.—There was a dash of excitement in the opening proceedings of the house today. Bartlett, Democrat, of New York, rose to a question of personal privilege to deny a statement. He furnished a campaign circular used by Sulzer, Democrat, of New York, a few days ago in an attack upon Gibson, Republican, of Tennessee. He denounced the charge as a libel and a lie.

YAMHILL APPROPRIATION.

McMINNVILLE, March 25.—News was received today from Washington that the construction of a lock and dam under the contract system has been authorized at Lafayette. The sum of \$69,000 has been appropriated.

STORIES OF CRIME.

A Brutal Husband Confesses to a Fiendish Murder.

BOSTON, March 25.—Hiram H. Morrison was arrested Monday night after his wife had been found dead at their home, with finger marks upon her throat. He has confessed he choked the woman to death, in a fit of rage, at her having a crowd in the house drinking. He was also drunk.

A STRANGE CASE.

PHILADELPHIA, March 25.—There little doubt today that Annie McGrath, who was found dead on Girard avenue Monday night, was either killed, as a result of a plan for double suicide, by Samuel Langdon, a wealthy coal operator, whose mistress she was, or she alone committed suicide. The evidence thus far adduced points almost conclusively to the theory that Langdon took her life and then attempted to commit suicide but forsook this purpose and fled.

Yamhill Mines.

McMINNVILLE, Or., March 24.—The arrival of an account of the assay, made by Mr. Fisk, of Portland, of mines discovered here, cooled the temperature of the mining fever. The owners of the lode, however, are complacent, and say they have a prospect and assays that justify their conduct up to the present, and that they will be governed in the future by further developments. A party will leave here tomorrow to locate claims on Testament creek, where a cropping of the lode has been found.

Two Deaths.

PARIS, March 25.—The Haytien bank has received news that President Hippolyte died today of apoplexy. The Haytien legation has no news on the subject.

WASHINGTON, March 25.—

Brigadier-General Thomas Lincoln Casey, retired for many years, chief of the engineers of the United States army, died suddenly at 3 o'clock this afternoon.

VINDICATION OF THE PEOPLE.

The result of the Marion county convention was a complete vindication of the rights of the people to trample upon ring rule and machine politics. The genuine reform work of the last legislature has been endorsed and the people have ordered a forward movement on the same lines.

Machine politics dictated from Portland has received another death-blow in Marion, the banner Republican county of Oregon. The Republican convention by the ticket it has nominated has declared that it stands with the people of the state at large and that the will of the people shall be respected above that of bosses.

The people have vindicated their right to revolt against machine politicians who keep no pledges or plat-forms, but only regard politics as a game of spoils. The rights of the common people to be represented in the councils of party have been asserted and another victory has been won in the name of Republicanism for a government of, for and by the people.

The people will ratify their work begun Tuesday at the polls in no half-hearted manner. It was a grand round-up of Republicans from principle and not for revenue. New blood is infused in the veins of the grand old party of protection and patriotism, and it will go forward to new victories and new achievements for the well being and prosperity of the American people.

THE COUNTY TICKET.

The Republican county ticket printed elsewhere will we believe receive the hearty support of a majority of the people of Marion county and be elected by the largest average majorities ever given any set of men nominated for office in this county.

The ticket is well distributed geographically, sections of the county receiving recognition that never had any before. Mehama, Brooks, Silverton and Scott's Mills, get places on the ticket. These sections have not had recognition in many years. The men who are renominated for county offices, stand well with the people.

The new names put on the ticket will add a great deal of strength to the ticket, which is not always the case. The legislative ticket will be found very close to the hearts of the masses. They will run "like scared wolves" and not be very scared either, and in place of three men who will defend the rights of the common people there will be five men there.

The county and legislative ticket are both strong. They will work in perfect harmony. The ticket will bear the closest scrutiny. It will not be necessary to carry on a costly campaign to elect this ticket. It is a ticket that will elect itself. It is a people's ticket, by the people and for the people, and the people will stand by the ticket they have helped the Republicans to put up.

England Joins U. S.

CHICAGO, March 25.—A special to the Tribune from Washington says: Aid for Cuba has come from an unexpected source. It is said here that England will follow the United States in recognizing the Cuban patriots. An informal intimation to this effect has been received at the state department and the status of the Cuban question has changed at once, owing to this sudden development.

LONDON, March 25.—It is officially denied that Great Britain intimated that she is in favor of the active intervention of the United States in Cuba.

THE BIG CONVENTION

Ballots on the Different Candidates.

THE TICKET IT MADE UP.

The Boys From the Country Were Strictly in It.

REPRESENTATIVES—Dr. J. N. Smith, H. L. Barkley, E. W. Chapman, McKinley Mitchell, David Craig. COUNTY JUDGE—G. P. Terrell. COMMISSIONER—J. N. Davis. CLERK—L. V. Ehlen. SHERIFF—F. T. Wrightman. RECORDER—F. W. Waters. ASSESSOR—J. W. Hobart. SURVEYOR—B. B. Herrick. TREASURER—Jasper Minto. COUNTY SHERIFF—Geo. W. Jones. COBONER—A. M. Clough. COUNTY CHAIRMAN—Geo. W. Davis. PROCEEDING OF CONVENTION.

After the first ballot Dr. J. N. Smith and Hon. H. L. Barkley were nominated and there was much cheering.

The names of D. W. Matthews and J. M. Poorman, were withdrawn and at 4:30 the convention proceeded to the SECOND BALLOT.

There were thirteen names remaining from which to choose the remaining three representatives. The result of the ballot was as follows:

Chapman 159, Belknap, 33, Craig 76, Cornelius 42, W. H. Smith 8, Wright 42, McKinney 19, Armstrong 25, Mitchell 110, Adams 29, Pearce 65, Litchfield 11, Croisan 104; 245 votes cast, necessary for a choice 123.

Mr. Chapman was the next successful nominee.

THIRD BALLOT.

The tellers began collecting the ballots at 5:35. The result of the count was, viz: Belknap 21, Cornelius 19, Wright 26, Armstrong 4, Craig 104, Smith 6, McKinney 3, Mitchell 123, Adams 8, Pearce 72, Litchfield 1, Croisan 95. Number of ballots cast 240; necessary to a choice of 121.

There were four ballots with three names on each and Chairman Waldo asked what disposition to make of them. "Throw 'em out," came from all portions of the house and the chairman acted on that suggestion.

Mr. Mitchell was declared the next nominee on the Republican representative ticket and was carried to the rostrum by his delegation and friends. There he made a brief speech extending his thanks to the delegation for the honor conferred on him.

FOURTH BALLOT.

Another ballot was required to choose the fifth and last representative. It was 6:30 o'clock when the chairman called for the delegates to prepare their ballots. The count stood as follows: Croisan 86, Belknap 6, Craig 117, Cornelius 1, Wright 2, McKinney 6, Armstrong 6, Adams 2, Pearce 35, Litchfield 6. Votes cast 246; for a choice 124.

No one having a majority no election was declared.

Mr. Croisan stepped to the rostrum and withdrew his name, saying that it was quite apparent that some other person was wanted instead of himself. He thanked his friends for standing by him.

Some one moved that Mr. Craig be declared the next nominee by acclamation, but it was not acceptable to the greater portion of the convention and another ballot was necessary.

FIFTH BALLOT.

The tellers began the count at 6:45. Mr. Craig was elected by a vote of 144, to Mr. Pierce 85, and Mr. Wright 7. The remainder was scattering.

Mr. Craig also thanked the convention for selecting him as one of their representatives. He thought it was an endorsement of his action in the last legislature. He is for economy, cutting down appropriations, etc., and for John H. Mitchell for the United States senate.
