

Boils

It is often difficult to convince people their blood is impure, until dreadful carbuncles, abscesses, boils, scrofula or salt rheum, are painful proof of the fact. It is wisdom now, or whenever there is any indication of

Impure

blood, to take Hood's Sarsaparilla, and prevent such eruptions and suffering. "I had a dreadful carbuncle abscess, red, fiery, fierce and sore. The doctor attended me over seven weeks. When the abscess broke, the pain was terrible, and I thought I should not live through it. I heard and read so much about Hood's Sarsaparilla, that I decided to take it, and my husband, who was suffering with boils, took it also. It soon purified our

built me up and restored my health so that, although the doctor said I would not be able to work hard, I have since done the work for 20 people. Hood's Sarsaparilla cured my husband of the boils, and we regard it a wonderful medicine." Mrs. ANNA PETERSON, Latimer, Kansas.

VALLEY LOCAL NEWS.

MINTO.

The mountains are again covered with snow.

Mrs. J. Foley is quite well again.

Mrs. Mary Leedy is quite ill with rheumatic troubles.

Mr. Davis and family of four are down with la grippe.

J. W. Lehman, Leedy's assistant manager, has been down to Salem and other points on lumber business.

Geo. A. Lehman met with a bad accident while working on the new platform, by falling and striking his left side on the edge of a board. No bones were broken but he is somewhat sore as a result.

THE JOURNAL is an ever-welcome visitor to the people of Minto and Leedy's mill. Every copy is read by as many as twenty to thirty persons, but if times were not so hard everyone would take it.

Woodburn's Stonewall Brigade.

BY A LOCAL POET.

The sunny south had a hero of wonderful fame, "Stonewall" was his sobriquet, and Jackson was his name; In the heat of the battle and thick of the fight, Like an immovable statue, he stood firm in his might.

Like an adamant wall, which no fury could move, The wiles of the schemer all bootless did prove; Of our Woodburn boys true, not one could they raid,

The Lincoln club delegates, our Stonewall brigade.

The Marion convention—at Salem has gone, It will be judged by its work for what it has done;

But of one thing we're certain, whatever is said, There will be nothing but honors for our Stonewall brigade.

They stood firm as a rock for the hero they loved, By smiles, scowls and promises were they equally unmoved,

No compromise offered, no price were they paid, Our Lincoln club delegates, our Stonewall brigade.

To Vote the Prisoners.

PORTLAND, March 30.—There are in the county jail at the present time about 100 prisoners awaiting trial for various offences, and it is proposed by Mr. Simon, with the assistance of Sheriff Sears, who, by the way, is slated for sheriff on the ring ticket, to poll the votes of these prisoners at the primaries next Thursday.

These men as yet not being convicted of a crime, there seems no way to prevent them voting, but it simply serves as an instance to illustrate the methods that Simon is employing to accomplish this end.

A Bad Fire.

ST. PAUL, March 28.—Yerkes mammoth grocery burned this morning. Loss \$70,000. About a dozen people had rooms on the upper floors. Quick work of the fire department saved all the occupants of the upper stories. A number of people were taken out on ladders. F. E. Rider was severely injured.

Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

A Railroad Official's Experience.

M. B. EDWARDS, EDMONDS, long connected with railroad construction in Nebraska, writes: "My heart troubled and pained me for 19 years. Shortness of breath was the constant and most common symptom. Intense, excruciating pain, generally followed any severe exertion. Faintness, hunger without any appetite; fluttering that made me clutch my breast, and palpitation that often staggered me as if I would fall, were frequent attacks. Again, everything would turn black if I arose from a stooping posture quickly. Sleepless nights with their prostrating unrest were numerous and I could get no rest day or night. I consulted leading physicians and tried advertised remedies. They gave me no relief. One of Dr. Miles' circulars described my case so exactly that I took Dr. Miles' New Heart Cure and I am now a well man. I hope every one troubled with heart disease will try Dr. Miles' remedies. If they will write me personally, I will gladly give them full details of my experience." EDW. EDMONDS.
