A QUAKER SPEAKS.

Why He Will Support Some of the Republican Candidates.

Mr. J. Jay Cook, of Marlon, a member of the Friend's church and long-time reader of THE JOURNAL, has been in the city a few days, and upon leaving today talked a little politics, something a quaker seldom does.

"I am not a strong party man but I intend to support Mr. Barkley and Mr. Craik. I have never seen either of them but I judge they are clean moral men. I do not agree with their views on all things but I believe they are honest and conscientious in all their actions and so far as I know all our people will support them."

Mr. Cook is assured by THE JOURNAL that while they have not been tried, we firmly believe that Messrs. Smith, Chapman and Mitchell will stand firmly with Barkley and Craik on the Republican ticket if elected on all matters of economy, moral reforms and legislation for the welfare and development of Oregon.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment.

Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work.

The proprietors have so much faith in its curative powers that they offer One Hundred dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O.

SOCIAL REVELATIONS.

Some Personals and News of the Doing of Oregon People.

A GRAND SUCCESS.

The musical service at the First M. E. church last evening, given by Prof. Heritage and assistants, proved a magnificent success, carrying with it the enthusiasm and thorough enjoyment, which that able gentleman's work always makes manifest.

A vast audience packed the large auditorium, the halls and stairways being also crowded throughout the service. Standing room was all taken, and those at the outer doors say that hundreds of people were turned away who could not gain even standing room.

The program was a popular one, in so far as sacred and classical music could be, and the great audience was more than pleased with every number. In truth, it was an ovation for musical culture and Christian work, such as has not been known in Salem for some time.

Prof. Heritage is entitled to the thanks of this community for his efforts to elevate the public tastes for culture and religion. That gentleman made a short address on church government, especially the financial aspects of it, which was worthy the closest consideration.

Among other things, he urged the importance of churches being solvent, as it were, and keeping their matters upon the best financial basis. He took occasion to say that few business men but would fail, if they used the system employed by many churches in the management of their affairs.

He also laid great stress upon the importance of good music in the church, as well as for the masses. He favors a big choir, but wants all the congregation to join in the music as well.

He has instrumental music in his choir, and says he proposed, if possible, to have a full band, including drums. It is to be hoped that Salem will be able to retain the valuable public services of Prof. Heritage and his helpers, for the great good they are doing in making musical culture an important factor in our social, civic, religious and public life.

HERRMANN THE HEALER

Will be at Reed's opera house tonight and the public of Salem are invited to attend a demonstration which promises to be of unusual importance.

Herrmann the Healer who has caused such excitement in Portland and San Francisco the past month opens his engagement tonight when he will demonstrate his ability to perform strange and wonderful cures of all ailments hitherto pronounced by the best physicians incurable.

It has been left for Herrmann the Healer, who knows nothing of science to dazzle, amaze and stagger the whole scientific world by his potency to heal by simply the "laying on of hands." Go to Reed's opera house tonight and see the simple methods employed and be convinced that science knows little of magnetic phenomena as yet.

Reserved seats on sale at Patton Bros. A RARE TREAT. The Misses Rebecca McKinley, Bertha O'Reilly and Elsie Tellows, who are to appear at the Presbyterian church this evening in a musical entertainment, spent Sunday in the city.

Saturday evening at the Hotel Willamette they in an unexpected and impromptu way entertained Landlord Wagner's family and guests, including Governor Lord, Attorney General Idelman and others, in a most delightful manner.

They are truly worth hearing. SAVE THE DATE. The great and only "Schubert Male Quartet," of Chicago, accompanied by a celebrated harpist, are making their first trip to the Pacific coast and will be at the Baptist church next Monday night.

This is no ordinary company, its equal has never before visited Salem. An evening of rare pleasure will be provided. Secure your reserves early, the church will not doubt be crowded.
