MAJOR GENERAL BIRNEY.

Uses Paine's Celery Compound in His Family, and Strongly Recommends It.

Maj. Gen. Birney, who is now, at the age of 75, practicing law and doing departmental work in Washington, in a letter to Wells & Richardson Company, says:

"My wife has been taking the Paine's celery compound for some time past, and is so much pleased with it that she wishes me to express to you her high opinion of its merits. She thinks it is the best remedy she has ever tried."

Gen. Birney's hearty acknowledgment of the great and lasting good that his family has received from Paine's celery compound is repeated, in substance, in countless testimonials, written in the same grateful spirit and sent from every part of the country.

Don't sit with folded arms and do nothing toward getting rid of poor health. Drive out all impurities of your blood; build up the vigor of the body with Paine's celery compound—the one remedy that has kept all its promises in the past.

The tired nerves and brain need just the sort of nourishment that this great invigorator is able to supply.

Now is the time when Paine's celery compound, aided by the favorable influences of the season, fairly outdoes itself. It searches out the hidden causes of debility, neuralgia, rheumatism and those constantly recurring headaches. The worn-out nervous tissues are invigorated. Paine's celery compound is the one successful nerve regulator that cures diseases without any possibility of a return of the trouble.

Take Paine's celery compound this very day.

It won't do to postpone getting strong and well until you have a vacation.

Do as thousands of others have done to their great joy, take Paine's celery compound! It will invigorate at once your impoverished nervous system.

If you really want to get well, read the letters recently published from such men as Justice Powers, Congressman Grout, Congressman Meredith of Virginia, Assistant United States Attorney John C. Capers, Congressman Wilbur of New York, Congressman Bell, Lieut. McAllister, Congressman Neil and many others who are fully as careful of what they recommend. The perusal of a few of these personally signed, hearty testimonials of Paine's celery compound will give you a clear idea of what this wonderful remedy is doing in every state in the Union, and in every city and village.

It is making people well.

THE ORATORIO.—Everyone who goes to hear the Oratorio of the "Creation" next Monday evening, should read the first chapter of Genesis before coming, as the words of this Oratorio are taken from this chapter.

The people of Salem will be disappointed to learn that Mr. Wessinger, of Portland, can not come and sing the bass roll in the "Creation" but the part will be ably supplied, even on this short notice, by our versatile, Prof. R. A. Heritage of the university.

ALL CREATION.—The great Oratorio of the "Creation," by Haydn at the First M. E. church next Monday evening, will be the musical event of this year for Salem.

Not one part but every part of HIRE'S Rootbeer tends toward making it the perfect temperance and health giving drink.
