The dealer who says, "I have no Hoe Cake soap," practically admits that he does not sell first quality goods. If he says he has something "just as good" you will know at once that he is trying to sell you an inferior article. There is more clothing destroyed by poor soap than by actual wear. Hoe Cake contains neither free alkali nor worthless filling.

All eyes are turned now on little Curry county, where an election contest over the office of county judge bids fair to have far-reaching results, as it may make a change in the legislature and defeat Tongue for congress. Numerous evidences of fraud in counting the votes of that county have been found and there is no doubt but what a re-count will develop some astonishing results.—Times.

Washington County Speed and Driving association announce that a fair will be held at the Hillsboro fair grounds, commencing on or about September 20. About that time appropriate premiums will be offered for the best exhibit of farm stock, field, garden and orchard products, manufactures, preserved fruits, household industries, etc. A few liberal premiums will be offered for speed contests. Their meeting occurs just before the state fair.

A happy man is a healthy man, and a healthy man is generally happy. You never saw a happy man in your life who had indigestion. If a man gets up in the morning with a foul taste and foul breath; if he feels listless and sluggish; if he is dizzy and blind the minute he steps out of bed; if his breakfast doesn't taste good; if he feels utterly incapable of work, it is a pretty sure sign that his digestion is out of order—that his principal trouble is constipation. If he lets this condition run on, there is no telling where it will stop. Nine-tenths of all human sickness comes from constipation. The first thing that every doctor asks when he is called to see a patient is whether the bowels are in good order. It is nonsense to call a doctor for such a simple thing. It is nonsense to let such a simple thing grow into such a serious thing, as it always does if neglected. Dr. Pierce's Pleasant Pellets cure constipation. They not only afford immediate and pleasant relief from all the distressing symptoms, but they cure permanently and positively. There are 10,000 medicines that can be taken, to give temporary relief. The "Pleasant Pellets" are the only things that really cure.

There are plenty of druggists who will try to sell you something else. You know just as well as we do that an honest druggist wouldn't do such a thing—that an honest druggist would give you what you ask for. You know that when a druggist insists on giving you something else, there must be a reason for it. We know what that reason is—he makes a bigger profit on the other thing. Any druggist in America will supply the "Pellets" if you insist on it.
