

Sleep

Induced by the use of coca, opiate or narcotic compounds is bad, decidedly bad. They undermine health and shatter the constitution and the patient is steadily growing into a worse condition—often resulting in the terrible slavery and misery of the cocaine and opium habit. Sleep induced by the use of Hood's Sarsaparilla does not perhaps come so quickly, but it comes more surely and more permanently through nature's great restoring and rejuvenating channel—purified, vitalized and enriched blood. This feeds the nerves with life-giving energy and builds up the system and constitution from the very foundation of all health and life—the blood—pure, rich, red blood.

SUTRO IS FOR BRYAN.

The Great California Mayor Comes Out Boldly.

BANK PRESIDENT TURNS.

The Tide for Bryan in the West—Against Him East.

SUTRO FOR BRYAN.
SAN FRANCISCO, July 16.—Mayor Sutro made a political speech at the meeting of the election commissioners and came out boldly for Bryan for president. Sutro is a Populist, but he says every friend of the people will vote for Bryan.

A SILVER BANKER.
TOPEKA, Kan., July 16.—The silver leaders are elated over the arrival of John R. Foster, president of the First National bank of Garret, a Republican, at the head of the Anderson county delegation.

DOUBLE HEADQUARTERS.
CLEVELAND, July 16.—The Republican national executive committee has decided to locate national headquarters both at New York and Chicago.

ENDORSED AT HOME.
GRAND ISLAND, Neb., July 16.—A fight came about in the state Populist convention yesterday in an unexpected manner. A telegram was received from the Populist convention of South Dakota sending greetings to the Populists of Nebraska. The telegram was received with cheers and a motion was made and hurriedly carried that the secretary reply return greetings. Senator Allen moved that the reply should present the compliments of Nebraska Populists and say that they are for Bryan for the next president. There was a spirited opposition, but it was overwhelmed. The roll was called after considerable delay. The result was 469 for Allen's motion to send the telegram and thirty-four against it.

LET THEM RAGE.
OMAHA, July 15.—The World-Herald, Hon. W. J. Bryan's personal organ, of which he is editor, tonight says editorially under the heading "Let the Heathen Rage." With the exception of the New York Journal, the Mercury and New York News, the Democratic press of New York bolts the Democratic ticket. It is followed by various large and small papers in other towns of New York and New England. Possibly these eastern newspapers may imagine that their action is of large political significance and importance. They are in error. The president of the United States can be elected this year without the aid or consent of those eastern states, which have in the past dictated nominations and swayed elections. Every time a goldbug Democrat goes to McKinley in New York he paves the way for two silver Republicans to come to Bryan in the west. Every time a free-silver Democratic paper in New York repudiates the Democratic platform, it renders more certain the repudiation of the Republican gold platform among thousands of Republicans in the middle and western states. It so happens that we need votes in some western states and their loss in New York will do us no harm. Let the heathen rage.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Dr. H. H. Pitcher* is on every wrapper.

The Oregon Press Monopoly

Will not treat the restoration of silver fairly. It will not tell the people the truth. It dare not. Take a fair paper that gives the people's side as well as the Wall street side.

The people are charged with ignorance by the gold press. This is a false charge. Wherever the cause of free coinage of gold and silver 16 to 1 is more discussed and best understood it is most popular and strongest with the people.

Sixty Days for 50 Cents

If you can't talk or write for silver read and mark articles and send them to your neighbors and friends—sixty hot shots for 50c. Cheapest political ammunition in the country. Send a silver quarter or half dollar and try it. The people must be educated and it is your duty to help do this work for humanity.

WE DON'T WANT GOLD

alone, but we want both gold and silver. There is not gold enough in our country to pay one-twentieth of the debts owing in this country. If you want repudiation advocate the single gold standard. It means contraction of our currency, destruction of values, and repudiation. Investigate and you will be convinced.
