PAID TOO MUCH.—The experts at the county treasurer's books have still several days work to do before the matter up, but one item has so far come to the public through the school board. It is that the county treasurer has paid over to the clerk of school district No. 24 \$4000.00 more than is due the district. This is liable to embarrass the district as the amount has been applied on indebtedness.

FORGOT HER HAT.—There is a good joke being told on one of Salem's best looking young women who spent Sunday at Silver Creek Falls. On the way home, the young lady removed her hat, placing it in the bottom of the buggy. Home was reached in due season but the young lady was too busily engaged discussing the weather (?) with her young gentleman friend, to remember her hat and as a result she was obliged to perform the embarrassing errand of going to the livery stable this morning and secure her chapeau.

A SAD DROWNING CASE.

Two Brothers Lose Their Lives In Willamette Slough

About noon yesterday two brothers named Atkins (or Atchison) were drowned while bathing in Willamette slough three miles below Wheatland, at the Galloway farm. The news was brought to Salem by a gentleman from Lincoln, who was near there yesterday. The older brother is six feet and two inches tall, about 22 years of age, while the other is several years younger. The older could not swim, and having gone beyond his depth, called to his brother for help. The latter swam heroically to his rescue, but in his efforts to save him, was himself drawn down, and both lost their lives. Today at noon the bodies had not been recovered and it seems impossible to get further particulars as there is no telephone connection near there.

F. J. Scheeland, who has been seriously ill with malaria fever, at the residence of Jos. Albrich, on Church street, is rapidly improving and will soon be about again.

Fred Gebel and Al Davis are home from a fishing trip to Thomas creek. They report 820 trout caught, a pretty high figure to spring so early in the season, by the way.

Lee Steiner and Fred Steusloff with their families, drove up to the Golden ranch on the Santiam yesterday, returning in the cool of the evening, after an enjoyable outing.

Superintendent F. N. Derby and family, accompanied by Miss Minnie DeLong, left this morning for Newport. Mr. Derby will return in a few days but his family will remain all summer.

Mrs. H. F. Smith, of Winters, California, and Miss Mollie Hepper, of Waldo Hills, came up on the flyer Sunday morning and are the guests of Mrs. Lou Smith, at 37 Commercial street.

Mr. and Mrs. Wm. England, Mr. and Mrs. A. N. Gilbert, Mr. and Mrs. Paul H. Sroat, Miss Ethel Cusick and W. B. Morse, were among the Salemites spending Sunday at Willott Springs.

Information was received Saturday by James and Charles Simpson that their mother, who is camping with Mr. Simpson at Newport, was in very poor health and asking the boys to come over after them. They will return to Salem at once.

Mrs. John Krause and baby Rudolph went to Seal Rocks today where they will spend the summer with Mrs. O. E. Krause and family. Mr. Krause returned this afternoon having nicely settled his folks at this delightful summer resort.

Frank Albrich returned to Astoria today, and will resume work in the carpenter establishment of Henry Zapp. Frank was so unfortunate a few weeks since as to accidentally cut himself with a chisel, and took advantage of his unexpected lay-off, which the accident necessitated, by visiting his parents in this city.

Mr. and Mrs. S. C. Spencer returned to Portland this morning. Mr. Spencer delivered an address on the issues of the day at the opera house Saturday night. The gentleman speaks in the highest terms of the excellent treatment he received while in Salem, and will ever remember the royal manner in which himself and wife were entertained while in the city.

Hon. Phil. Metsehan, the state treasurer of Oregon, arrived in on the train today from Salem. Mr. Metsehan is on his way to Canyon City, his old home in Eastern Oregon, where he will remain for several days. Mr. Metsehan informs us that the hot weather has destroyed much fruit in the Willamette valley, and is now injuring what little crops were left after the destructive storms earlier in the season.—Baker City Republican.

LIVELY RUNAWAY.—Just before the arrival of the Roseburg local this morning, the meat cart of Geo. Fandrich was standing in front of the Yew Park meat market, when suddenly the horse took fright and ran quite rapidly. Reaching Oak street it started towards the depot but in crossing the street car track the cart was overturned and the horse, becoming entangled in the harness, fell to the ground. Scarcely any damage was done cart or harness but the horse was thought to be seriously injured for sometime but, with the exception of a few scratches, he is none the worse for the incident.

AT SILVER CREEK FALLS.—One of the most pleasant retreats about the Willamette valley these hot summer days, is Silver Creek Falls. A merry party of six young people left Salem early Sunday morning and spent the day at this delightful place. The party consisted of Mr. and Mrs. W. E. Calkins, Miss Editha Lewis, Miss Anna Lewis; Messrs. John Moir, Jr. and A. Klein. Mr. Calkins took a camera with him and ere the day passed succeeded in obtaining several views.

IN MEMORY OF BURNS.—At 8 o'clock Tuesday evening, July 21st, at the state house, the admirers of Robert Burns will give an anniversary meeting in memory of the Scotch poet. A biographical sketch of Burns will be given by Prof. J. B. Horner, of the Agricultural College at Corvallis while several of the poet's songs and compositions will be recited. Prof. R. A. Heritage will have charge of the singing.

At the Republican ratification Mr. Toozie said "the silver craze has taken a firm hold upon the people from the Atlantic to the Pacific" and judging from the size (or lack of size) of the audience which listened to the imported orator at the opera house Saturday evening, one must be assured that Mr. Toozie's remarks hit Salem, Or., at least.

It was kind in Mayor Gatch to go out and hunt up four ladies Saturday evening that Mr. Spencer might not be embarrassed when he said "ladies and gentlemen."

Doc Keene got his best rustle on Saturday evening when he accompanied the band around the block, drumming up an audience for the imported grator. The band played "Hail to the Chief" and Doc swung his hat and cried "for God's sake come along and give the man an audience."

Mayor Gatch deserves the sympathy of all, as the failure was no fault of his. Immediately after the ratification failure Mr. Gatch set about to organize the whole county in the interest of the ticket and expected the

The sprain is quite a bad one and will cause Mr. Babcock considerable inconvenience for several days.

Imported orator to be greeted with an immense audience, "that also the best laid plans" etc.

Mr. Spencer waited until 9 o'clock for an audience and then was compelled to commence his address with only eighty-four hearers, and a good sprinkling of those were silver cranks.

When Doc Keene brought the band to the head of the stairs the speaker cried out, "Come up to the front boys and give us a tune, something must be done to awaken a little enthusiasm."

The difference in size between the audience at the ratification and the meeting Saturday evening measures the influence that Prof. Heritage had on the former.

Come Back No Moores, Doc Keene, and a few more of the leaders were going to have their faces photographed after the Saturday blow-out, but, alas, there was no camera in town long enough.
