

PRESIDENTIAL TICKET.

For Independent American Bimetallism and People's Government.

For President, WILLIAM JENNINGS BRYAN, of Nebraska.

For Vice-President, THOMAS WATSON, of Georgia.

OREGON UNION PRESIDENTIAL ELECTORS, N. L. BUTLER, Polk County, Democratic; M. L. OLAMSTED, Baker County, Peoples; HARRY WATKINS, Yamhill Co., Peoples; E. HOFER, Marion Co., Silver Republican.

NOT ANSWERED.

The Oregonian can't reply. It said if we went to free coinage, all Europe would bring its silver here and dump it on us.

A man wrote and asked the Oregonian what they would do with it after they got here? They would have to have it coined up in American dollars. Then what would they do with the dollars. They would have to spend them.

That would send up the prices of products, and set all our factories to running.

The Oregonian has never answered. It can't.

A SOUND MONEY MAN.

"I'm a bimetallist, highmetallist, trymetallist, anything to get the coin," said an old state house politician, whose time is nearly out, and who is living in hopes of catching about his seventeenth pull at the public teat if McKinley goes in. Once in office, means for life in Oregon.

The Statesman has found a special train for Portland that had 110 votes for McKinley, 40 for Bryan. That is only a straw. The special trains are full of deadheads, people riding on free passes, idlers and deadbeats. They are at the gold standard. People who work for a living and pay fare are for Bryan and bimetallism.

Salem has Oregon's only lady campaign speaker, Olive S. England, who is outspoken for Bryan.—Albany Democrat.

Mrs. England had given the Salem Bryan club a promise to speak at its first rally but was not feeling well. The Salem club will yet have the honor of presenting a woman speaker and hope it will be Mrs. England.

Great Scott; a Bryan first voter's club at the State University! Those boys ought to be expelled. The idea of anyone going to an institution upheld by public taxes and not supporting McKinley and the gold standard!

The Salem goldite crowds go out to country school houses to teach the rural voters how to conduct political meetings. They can only be compared to the mobs of slaveholders who used to invade Kansas to overthrow popular government.

Like a lawyer pleading for a murderer when he knows his client is guilty, Senator Mitchell at Salem had hard work to make out a case for himself and his party, as friends of silver.

Poor old Senator Mitchell, he went out of Salem alone and unattended on a street car to the train. At least Hon. Bill Cherrington and Jos. Fones should have gone along in a butcher cart.

Of course, the gold standard show window on State street will not haul down its \$700,000,000 lie. It couldn't do business without its chief stock in trade.

A wheelman's McKinley club is the latest fad. All bicyclists who believe in the gold standard—or one-wheel system of finance are to be enlisted.

Gone to See McKinley. CANTON, O., Sept. 28.—The first organized delegation to call on Major McKinley this morning, came from Libson, Columbiana county, Ohio. It was made up of employes of the Libson tin plate mills, business men and merchants from that vicinity, and was accompanied by the Libson city band.

The Salem goldings didn't like to be told by Mitchell that they stand on a free coinage platform. Of course it is not true.

Let us give Hengland consent to mind her own business and just include all the red-breasted Hamerican Tories.

"Hail the prodigals. There is a fat calf and a silver ring for each."—Salem Statesman. The taxpayers of the state of Oregon will pay for them.

Everyone who wants a cinch, and don't want the other fellow to have an equal chance in this world should vote for the gold standard.

THE JOURNAL urges Bryan men not to disturb gold standard meetings in the city nor go out from Salem to hurrah at country meetings.

If the Republicans are free coinage men, what is the use of your saying another word gentlemen. Just vote for Bryan, if you are honest.

The Statesman has hauled down its fraudulent "Bryan Platform" that was not Bryan's platform.

"The Statesman takes no stock in international bimetallism." This confession is made September 30.

Of course, the McKinley platform is for free coinage,—with the consent of Hengland.

STATE NEWS.

Toledo has a Bryan club with 120 names. Baker City has a Bryan club of upwards of 400 names.

A Bryan club was organized at Harrisburg Saturday with 96 names.

The East Oregon presbytery will convene in Enterprise on October 2, and continue till the 6th.

A Boston man is negotiating with Lebanon parties about starting a carpet and rug factory at that place.

John Gray, a Wood river, Klamath county nimbler, brought down 23 ducks at two shots one day last week.

The wheat yield of Umatilla county is 3,000,000 bushels this year, which is at least one million bushels less than usual.

A Bryan club has been organized at Smithfield, Lane county, with 108 members. The precinct cast 124 votes last June.

Rowena Marie, the 15-month-old child of Mr and Mrs. C. R. Bonney of Eugene, fell into the open fireplace, and was so severely burned that it died in a short time.

Thomas Morris of Kingsley, sold in The Dalles last week, a baud of Jersey Red hogs, 27 in number, and received 21 cents per pound on foot. Their average weight was 300 pounds.

J. D. Alkire, of Albany, left at the immigration rooms of that city, a stalk of corn 15 feet 4 inches tall. This is said to surpass the tallest stalk from Kansas at the World's fair.

The farmhouse of Milton Marshall in Garfield precinct, burned Saturday with all the out-buildings. A small part of the contents was saved. The loss was \$1000, and the insurance \$450.

One of the most remarkable wheat yields ever reported is that on the Abbott farm this season. Thirty-seven acres of wheat from which 3,096 bushels were threshed, an average of 83 bushels per acre.

Over at Heppner a Chinaman was initiated in the secret order of Macabees, and about all the satisfaction that could be got out him was, "no like Macabee; no sabbee, too much talk, talk; solare welly muchee."

Mrs. F. H. Kearney made the trip from Pendleton to The Dalles on a wheel. She rode 800 miles in one month. She is the first lady who has ever ridden across the sand wastes in Eastern Oregon. She discovered that by letting some of the wind out of the tire and with flat tires it was possible to run across the sand with ease and speed.

Work of Hobos. Several complaints of petite larceny have been filed with Chief Dilley the past week, by residents of Yew Park and Depot addition. The articles almost invariably missed are chickens. Large numbers of hobos are passing through our city, mostly southbound to spend the winter in California's delightful climate, and in order to satisfy hunger, subsist on other people's poultry. This undesirable element is becoming altogether too familiar, and some way should be devised to effectually rid the city of such a class of people. This morning seven of the "knights of the road" were sentenced by Recorder Edes, for trespassing.

Hon. H. L. Barkley speaks at Independence this evening, Roseburg, Oct. 8, Dallas Oct. 29 and The Dalles Nov. 2.

POPULAR CONTRIBUTIONS

For the Bryan Literature and Campaign Fund.

The subscriptions are coming in slowly, but as they are purely voluntary they show that there are still men in this hotbed of Republicanism and bread-and-butter officialism who dare contribute to the cause of the people.

Table with 2 columns: Name, Amount. Includes D. J. Fry (\$1.00), Businessman (2.00), Cash (1.50), A. Strong (50), W. G. Westcott (25), John Bayne (50), E. Hofer (50), T. L. Davidson (50), W. T. Rigdon (50), W. S. Mott (50), J. M. Payne (25), James Rader (25), Jeff Myers (10), H. M. Jones (25), N. M. Learned (25), Businessman (25), Dr. Jeffries (50), W. C. Mitchell (25), W. T. Slater (50), H. W. Simpson (25), John Savage, Sr. (25), N. Lambert, cash (50), Laborer (50), Farmer, cash (2.50), A Bryan boy, cash (25), Laborer (25), Laborer, cash (25), Business man (1.00), R. P. Boise (5.00), Laborer (25).

The campaign now begun will last six weeks and will result in Oregon casting her vote for Bryan or McKinley. The money will be turned over to the treasurer of the Salem Bryan club.

If you cannot contribute from 10 cents to \$1 a week for the campaign, give a cash contribution. While the McKinley campaign committee can hold up every banker and \$5 to \$500 out of every employe of the state, county and city government, this cause when won will owe the office-seekers and tax-eaters nothing.

IN JOSEPHINE.—At Grants Pass Saturday night 280 men carried torches for Bryan. The hall holds 500 but Judge Bennett proved such a drawing card that an overflow meeting had to be held addressed by Wm. M. Colvig, on the street. At the McKinley rally a few nights before 60 carried torches and there was no enthusiasm.

BOUND OVER.—Ed Youmans, who was arrested Monday evening while assisting in conducting a faro game, was arraigned before Recorder Edes Tuesday afternoon. Youmans waived examination and was bound over to the grand jury. In default of the required bond he was committed to the county jail.

THE FAMOUS.—Little green mountain musk melons—golden cores the finest in the market at Branson & Co's. Choicest family groceries a specialty. 924 tf

BARKLEY AND PENNOYER. Another Bryan Supplement With Two Great Speeches.

They will be supplied from this office at \$1 per 100 or \$7 per 1,000 postpaid. We have still supplements with Bryan's speech of acceptance at New York and Mitchell on the impossibility of International Bimetallism.
