THE ONE CENT DAILY.

Has the Largest Circulation With All Classes of People.

THE LITTLE ONE CENT SILVER DAILY has double the circulation it ever had. It is the only Bryan Associated Press Daily in Oregon, and the cheapest paper on the Pacific coast.

Even the everlasting, self-perpetuating, office-holding aristocracy of Oregon read THE JOURNAL.

Advocates of Bryan and Independent American Bimetallism are circulating the DAILY and WEEKLY as a campaign paper all over Oregon. Its circulation in Marion county is greater than any other newspaper.

BARKLEY AND PENNOYER.

Another Bryan Supplement With Two Great Speeches.

Not all could hear Pennoyer and Barkley at the great Bryan ratification at Salem. So THE JOURNAL has printed in supplement form the great speeches made on that occasion by those two gentlemen. They will be supplied from this office at \$1 per 100 or \$7 per 1,000 postpaid. We have still supplements with Bryan's speech of acceptance at New York and Mitchell on the impossibility of International Bimetallism.

The dealer who says, "I have no Hoe Cake soap," practically admit that he does not sell first quality goods. If he says he has something "Just as good" you will know at once that he is trying to sell you an inferior article. There is more clothing destroyed by poor soap than by actual wear, as the free alkali rots the cloth. Hoe Cake contains neither free alkali nor worthless filling.

AT WILLAMETTE UNIVERSITY.

Delegates to Y. M. C. A. Convention—Other Notes.

It is "Dr." Shulse now. Among the new students entering the past week were Bertha and Jennie Jones, Brooks; Ray Shepard, Zena; Roy Ohmari, Otto Metsehan, Ethel Rigdon, Salem.

The medical department of Willamette university used its new quarters for the first time Tuesday. There are now 22 enrolled in this department with prospects of several new students.

Wednesday afternoon the college Y. M. C. A. elected delegates to the joint convention of Local and College Y. M. C. A. to be held in Oregon City October 2-4, inclusive, as follows: President W. C. Hawley, Prof. L. G. Cochran, Prof. J. T. Matthews, R. B. Wilkins, H. W. Swafford, S. P. Early and Mr. Loeb. Mr. Frank E. Brown may go down Saturday and remain until the convention closes. C. K. Ober, international secretary for the college association, will be present at the convention and a very profitable meeting is expected. The majority of the delegates will be able to attend.

ZENA.

Tuesday evening Sept. 29th. Hon. W. S. U'Ren addressed the citizens of Zena on the political issues of the day. Jas. R. Shepard called the meeting to order and J. K. Sears was chosen chairman. Prof. E. Haley rendered a beautiful Guitar piece.

The chairman made a short and very appropriate address. Song by Mrs. Hosmer and Seward, ("Bryan has come to say.") Chairman introduced Hon. W. S. U'Ren who delivered an excellent address, and held the earnest listeners fairly spell bound for about two hours. The large crowd seemed highly pleased with the gentlemanly manner of the speaker. Closed with a song by the Page Sisters, (accompanied on Guitar by Mrs. Hosmer) Song entitled "Confidence."

A Successful Rehearsal.

Last evening the final full rehearsal of the "Triumph of Love" was held at the opera house. Everything passed off smoothly, and the merry music was rendered with a vim and dash and sparkle, which was very pleasing.

Mrs. Hallie Parish Hinges has the leading role of "Amorita" Goddess of Love. We all know what our "nightingale" can do. Miss Ethel Hughes, makes a very stately and imposing "Regina" Queen of the Universe. Basil Wagner, as "Robert, Duke of Bergundy" has the leading dramatic role. It is a trying role, but Basil is equal to the task. Dell Dinsmore is the comedian of the play, and Chas. Burggraf the heavy villain. Both are excellent. The other parts are all in good hands. Our amateurs deserve a crowded house.

Reception to Mr. Cole.

The Presbyterian Y. P. S. C. E. and their friends last evening, tendered Walter S. Cole a farewell social in the church parlors. About fifty young people were present, and they enjoyed the evening's pleasures very much. Games and other amusements were indulged in and refreshments served. At a late hour the young folks departed, having wished Mr. Cole the greatest of success in his new location. Mr. Cole will leave in a few days for Dakota, where he expects to study for the dentistry. As a member of the Endeavor society, member of the church choir and secretary of the Sunday school, Mr. Cole will be greatly missed, and his various places cannot easily be supplied.

The Statesman says it is a "lie" that there is a majority among the old veterans of the war in the Oregon Soldiers' Home for Bryan. It quotes as its authority for this statement the Hon. W. S. Dunningway. Who is the Honorable Dunningway? How and in what manner did he get the title "honorable" and why should his statements be taken as conclusive? As a matter of fact there is a majority in favor of Bryan in the Oregon Soldiers' Home, and Mr. Dunningway's statement to the contrary cannot change it.

My method for examining the eyes or all complicated refractions, is the latest known to science, and there are no cases too complicated that I cannot reach. Consultation and examinations, free.
