ALUMNI ASSOCIATION.—On Thursday afternoon a number of teachers and for a number of pupils of the Sacred Heart Academy met at that institution for the purpose of organizing an alumni society, which was most satisfactorily accomplished. The afternoon was spent in renewing old acquaintances and a pleasant reminiscence of the past. At 5:30 a delicious supper was served the excellence of which was augmented by the artistic decoration of the table with ferns autumn leaves and choice flowers. Officers were elected at 7 o'clock as follows: President, Mrs. E. M. Croxian; Secretary, Miss Angie McCulloch; Treasurer, Miss T. F. D'Arcy; Assistant Secretary, Miss B. Jefferies. Other officers will be elected at 6 o'clock Thursday evening, Oct. 29th, when all are again expected to meet.

Rigdon at Jefferson.

The meeting last night at Jefferson was a complete success. The turnout was larger than any other turnout there in this campaign except the one when Mr. Barkley was to have spoken. The Masters Mott sang three campaign songs very much to the delight of the large audience and Mr. Rigdon appeared in his best.

At the close of the meeting three rousing cheers were given for Bryan, another for the speaker, another for the boy singers, after which a McKinley man proposed three cheers for McKinley, but alas he cheered alone very much to the amusement of the crowd. Mr. Rigdon spoke for an hour and forty minutes and entirely on other lines of argument from his former meeting.

At the Woolen Mills.

Thos. B. Kay, of the Woolen mills, went to Portland this morning in the interest of the mills. Mr. Kay reports work progressing quite satisfactorily in the mills. Owing to orders for goods from this popular institution demanding immediate attention, work was resumed sooner than was intended. Quite a number of persons are now employed in the mill preparing the wool for the more advanced processes of manufacture. Mr. Kay thinks that in the course of three weeks work will be progressing in all the departments of the mill. This will be good news to the many Salemites who depend on work in the mill for a living.

PICKPOCKETS AT WORK.—Friday afternoon, M. Luinn, an employee at the insane asylum reported to a police, the loss of a pocket-book containing about \$1.50. Mr. Luinn alleges the money to have been taken by a pick-pocket and also asserts that the same parties attempted to take his wife's watch but failed to accomplish their intentions. This is the first loss of this nature that has been reported to the police officers which certainly speaks well of our efficient police force.

TO HAVE BEEN MARRIED.—It seems the JOURNAL was slightly mistaken in its notice of Breakman Toy's death in the statement that he was married last April. It is now reported that Mr. Toy was to be married at Junction City on the 20th inst to Miss Parker, an accomplished young woman of Junction City.

EUGENE WOODMEN.—An extra coach containing about fifty Eugene Woodmen of the World, was attached to the south bound Roseburg mail this morning. The Woodmen were on the way home from Portland where they participated in the Woodmen festivities at the exposition. They report an enjoyable time. The excursion was in charge of M. O. Wilkinson, of Eugene.

When your stomach begins to trouble you, it needs help. The help it needs, is to digest your food, and, until it gets it, you won't have any peace. Stomach trouble is very distressing, very obstinate, very dangerous. Many of the most dangerous diseases begin with simple indigestion. The reason is that indigestion (not-digestion, not-nourishment) weakens the system and allows disease germs to attack it. The antidote is Shaker Digestive Cordial, strengthening nourishing, curative. It cures indigestion and renews strength and health. It does this by strengthening the stomach, by helping it to digest your food. It nourishes you. Shaker Digestive Cordial is made of pure herbs, plants and wine, is perfectly harmless and will certainly cure all genuine stomach trouble. Sold by druggists, price 10 cents to \$1.00 per bottle.

Ministers Should Use Dr. Miles' Heart Cure.

THERE IS NO PROFESSION, whose labor so severely taxes the nervous system, as that of the ministry. The derangement of the nerve centers of the brain by over work frequently brings on attacks of heart trouble, and nervous prostration. Rev. J. P. Foster, M. D., Pastor of the church, London, Miss., himself a physician, writes Feb. 25, 1895: "Heart affection and nervous prostration had become so serious last fall that a little over work in the pulpit would completely prostrate me that it seemed certain I must relinquish the work of the ministry entirely. Heart palpitation became so bad that my auditors would ask me if I did not have heart disease. Last November I commenced taking Dr. Miles' New Heart Cure alternately with Dr. Miles' Nerve and derived the greatest possible benefit. I have just closed revival work of 10 weeks, preaching nearly every night and without suffering as I formerly did. Hard working ministers should keep Dr. Miles' grand remedies on hand." Dr. Miles' Heart Cure is sold on guarantee. Not bottle will benefit or money refunded.
