

BY HOFER BROTHERS.

MONDAY, OCT. 10, 1898.

PRESIDENTIAL TICKET.

For Independent American Bimetallism and People's Government.

For President, WILLIAM JENNINGS BRYAN, of Nebraska.

For Vice-President, THOMAS WATSON, of Georgia.

The McKinleyites are resorting to extreme measures to carry Oregon. They are sending some of their ablest orators into the most remote precincts...

The Salem Statesman scolds a woolen mill owner for opening up his woolen mill before McKinley is elected.

There is to be a great "free silver killin'" at Salem on next Friday, when Congressman Boutelle and M. C. George of Portland are to speak.

The Salem Statesman has the sublime assurance to say on Sunday: "Nearly twice as many dollars can be had, on an average, for the wages of labor, as were secured in the same way twenty-five years ago."

Let us see, what were wages twenty-five years ago? That was in 1871. The Salem Statesman says they are double now what they were then.

A VALLEY CAMPAIGN.

Drake spoke fifteen minutes, and then introduced Senator Tillman who spoke out in the court house yard to about 1500 ladies and about 6000 voters of Linn, Marion and Benton counties.

at Albany day and night were estimated day and night at from 10,000 to 15,000 people. There were voters enough present wearing Bryan badges to carry Oregon. About 8,000 to 9,000 voters attended the meetings day and night and three-fourths were for free silver.

COL DRAKE AT ALBANY. Woke up the silver sentiment and aroused the free silver Republicans to the greatest enthusiasm.

TILLMAN'S DRIVE to Corvallis through the ozone of the upper valley put him in fine spirits for his meeting. A dozen lifelong Republicans came out for Bryan.

At Eugene Saturday evening the opera house was packed to standing room to hear the graduates of the State University debate the money question.

Prof. Hawthorne is now for Bryan, and President Chapman is an ardent bimetallist, but probably not ardent enough to vote for anyone but McKinley.
