BRYAN RALLY SATURDAY.

Senator Slater and Judge Crowell at the Armory.

Saturday evening October 31, there will be a meeting at the armory which will be of historical significance. On that occasion our people will have a short address from Hon. J. H. Slater, ex-Congressman and ex-United States Senator from Oregon. Mr. Slater is an ardent supporter of Bryan and equal coinage for gold and silver, and many old-timers will be glad to greet the former representative of our state. Mr. Slater served in congress from 1872 to 1874, and in the United States senate from 1879 to 1885. It will be a grand meeting, beginning at 8 o'clock p. m. and an entertaining program will be had.

In addition to Senator Slater, the Honorable Judge Crowell, of Jackson county, will speak. Both these gentlemen are able and logical reasoners. They handle public matters from the standpoint of the people and will be greeted by a large audience. Every body come out and hear these speakers.

TWO ABLE WOMEN.—The McKinley ladies have two able representatives of their sex in the speakers for tonight, in Mesdames W. P. Lord and R. E. Wands. They are close students, and among the foremost ladies in Oregon. THE JOURNAL does not fully agree with them on the silver question, but respects for them the most respectful hearing.

DON'T FAIL to see our stock of 16x20 portrait frames. We have a job lot, which we are selling for less than Chicago prices. Buren & Hamilton, No. 300 Commercial st. d & w

THOSE DISPATCHES.—The Statesman's wonderful "grapevine" special dispatches from Chicago are about the emptiest McKinley rot that has yet appeared. The Associated Press reports are none too favorable to Bryan, but their "specials" sent out by Hanna's secretary are too, too!

PORTRAIT FRAMES suitable for 16x20 portraits, solid oak, six inch moulding, only \$2. at Buren & Hamilton's No. 300 Commercial st. d & w

HAD TO PUT UP.—At the Battle Creek school house, near Turner, on Tuesday night the Bryan speakers of this city were forced by the directors, who are goldites to pay \$1.50 before they were allowed the use of the school house.

DON'T FORGET that Buren & Hamilton are selling solid oak, gold trimmed, frames, suitable for life size portraits for \$2. Others for \$1.75. d & w

When you rent or purchase an "Oxyvita," you do not make an outlay but an investment, and the returns positively, are freedom from all pain, renewed health, life and vigor. No affliction it does not cure. E. B. Slim, resident agent. "Oxyvita," Chatwin House, Salem.

THE FARMERS.—They don't come to town any more with a cold lunch in their pocket, but take a square meal for 15 cents, at the White House Restaurant. Kenworthy & George.

YOUNG BRYAN MEN.—The young Bryan voters have volunteered to hire the Second Regiment band for the big Hurley meeting, on Monday night. Good for the boys! Young America is for Bryan and American politics.

DRIED UP.—The green fruit market has not entirely dried up, but Branson & Co. are headquarters for dried fruits of all kinds.

FOR LARCENY.—Sheriff J. F. Fly, of Union county, today brought Chas. Barnes to the Hotel Gilbert to serve a year for larceny.

Oysters in all styles and at all hours at Strong's restaurant.

DON'T GO EAST—Until you have seen the undersigned, who can quote you the lowest rates—furnish you your through tickets, sleeping car berths, and arrange for a pleasant trip via the Union Pacific system. Boise & Barker, agents, Salem, Or. 10 15 4w

Mr. Boothby prays an order discharging him from his trust. He shows that the receipts during the time he had charge of the estate, amounted to \$825.75.

The Minnesota Thresher Manufacturing Co., has instituted an action for money against B. E. Robertson, in circuit court No. 4, Marion county circuit court. Judgment is desired for \$222.40 with interest at 8 per cent, from November 1, 1887, and \$25 attorney's fees. The claim is based on a promissory note executed by the defendant to the company.

That Albert Letter.

EDITOR JOURNAL:—John H. Albert wrote a letter in the Oregonian the other day wherein it was pretty clearly intimated that the banks owned this country, and that they would dictate its policy in the future. On Wednesday evening last, Judge Drake, of Portland, took Albert across his knee and gave that worthy such an overhauling that Albert was kept busy Thursday denying that he ever wrote the article in question. He says that some one has been guilty of writing it and forging his name to the precious document. He can tell this to the marines. The fact is that what John Albert does not know about banking would fill a book as large as Webster's International dictionary.

VOTER.

Mr. Albert has been seen, and he asserts positively that he wrote the letter, and is proud of it.

Visited the Garvais Lodge.

Last Wednesday evening a company numbering about 17 of Salem Lodge No. 19, Degree of Honor paid Arcadia Lodge No. 38 of Gervais a fraternal visit. After the lodge work had been finished a delightful lunch was served and a short program carried out. Those going from Salem were, Mrs. Carrie M. Holman, Mrs. Amanda Anderson, Mrs. W. J. Polley, Mrs. Joseph Benoit, Mrs. E. H. Flagg, Mrs. F. B. Southwick, Mrs. O. D. Hutton, Mrs. Sophia Heckman, Mrs. Chas. Farmer, Mrs. Elmer Seeley, Mrs. John Darr, Mrs. Jos. A. Sellwood, Mrs. George F. Smith, Mrs. E. A. Thatcher, Mrs. G. U. Ashby, Mrs. W. E. McIntyre, Mrs. Nellie Lottritz.

EXCURSION TO SILVERTON.—A great many of Salem's Republicans expect to go to Silverton this evening at which time Hon. J. H. Mitchell and Attorney General C. M. Idleman will speak. The Southern Pacific Company has arranged an excursion via the "Salem Local" and no doubt the Salem contingent will add materially to the enthusiasm at that city this evening. The Salem Flambeau club will be in attendance.

FOOTBALL SATURDAY.—The Chemawa and Willamette University football teams will play a match game on the University campus Saturday afternoon. The game will be called promptly at 2:30 p. m., rain or shine. Everybody invited to come out and witness this the first match game of football for this season. All of the University "kickers" will be given a place on the team, and an interesting game is anticipated.

ARRIVED IN ENGLAND.—Tuesday Z. Craven received a dispatch announcing that his son Charles had arrived safely at Bradford, England, for which place he left on the 15th inst. Mr. Craven will spend several months in his native land on business and pleasure bent and renewing old acquaintances.

HOPS FALLING.—Julius Pincus and Kola Neis went south this morning to receive some hops. They report the hop market as being more quiet at present than during the preceding two weeks. Hops were quoted at 7 1/2 cents, indicating a fall of about 3 cents from the highest price yet offered this season.

BIRTHDAY SOCIAL.—The public are invited to attend the free birthday "social" to be given by the W. C. T. U. this Friday night. The Good Templars will furnish a short literary program, after which the responses to the cards which have been sent out will be read. A general good time is assured.

Called to Meet at the Armory Saturday Afternoon.

Saturday afternoon at 2 o'clock the Bryan ladies will meet at the opera house for consultation and organization. All friends of the people's candidate of the gentler sex are invited and urged to be present. It is suggested that a club be organized and speakers, that not men will be present to assist in the meeting. The Bryan women want it understood that they can run their meetings, but cordially invite the voters to come in and attend their sessions. Let the Bryan ladies—young and old—and they are all handsome—come out.
