## A SALEM MERCHANT.

A Salem Merchant writes under the head: "A chance to Show Your Colors."—"THE JOURNAL has taken a stand on the Southern Pacific and Boat services monopoly, and it is waging a bitter fight against the exorbitant freight rate that has resulted from the combine, which, in justice to the steamer service, it is needless to say, was compulsory on its part. The Daily Oregon Statesman, whose columns were filled this morning with praises unto its "Virtues" has failed to say a word in behalf of the project the object of which is to aid the Salem merchants. If it "keeps a watchful eye" on the interests of the people, does it not become it to declare itself on the matter? If that paper wishes the support of Salem businessmen, how does it dare to pass silently by a project that is intended for Salem's exclusive benefit? Or is it too busy building motor lines to Eola? It is not to be disputed newspapers do much towards influencing opinion, therefore, let it either stand by two live Salem men in their commendable project, or to take sides with the Southern Pacific Octopus."

I could not get any relief and had to stop work. I read of a cure of a similar case by Hood's Sarsaparilla and concluded to try it. Before I had taken all of two bottles the sore had healed and the swelling had gone down. My

## AN OLD SOLDIER ON THE ELECTION.

AUMSVILLE, Nov. 8.  
EDITOR JOURNAL:—As the election is over, and bimetalism is defeated for the present, I therefore desire to call attention to some of the many promises made by the Republican advocates of the single gold standard. They promised the American people that if they would elect Major McKinley president, and adopt the single gold standard, that universal prosperity would bless the people of this great country. Now it is a fact that at the close of President Cleveland's administration, which is a single gold standard one, has brought on the people the greatest depression ever known in the history of this great country. How then is the Republican party going to bring the much mooted prosperity, when it has adopted the financial policy of President Cleveland? The Republican party has promised the people prosperity if it was brought back into power, and if it fails to fulfill that promise to seventy million people, it has assumed a fearful responsibility. The Republican party has made great promises to the old soldiers, that if they would aid in the election of Comrade McKinley, that they would be greatly benefitted by pension legislation. Now comrades, we can only judge the future by the past. The present house of congress has a very large Republican majority, and Col. John A. Pickler is chairman of the committee on invalid's pensions. Many large petitions were presented to Col. Pickler's committee, urging it to introduce a bill to pension all soldiers, who had served for a period of ninety days, at eight dollars per month. Did the committee report the bill? I answer emphatically, no! The limbless soldiers petitioned the same committee to grant them a small increase of pension, to aid them to weather the storm of life in their declining years, but it heeded them not. But that august committee did report, and pass a large number of private bills, giving large pensions to widows of brigadier generals, some of whom never smelt gunpowder on the field of battle. At the close of the war the Republican party refused to equalize the bounties to the soldiers who did the most of the fighting. Much has been said about the shrewdness of the national debt, and congress has paid to the bondholders four billion, four hundred and forty-

six million dollars, upon a two billion debt, and have half the debt yet to pay.

Soldiers of the greatest war known to the nations of the earth, we can truthfully say, that this republic is ungrateful. Comrades, there is much more that I would like to say, upon this subject, but time and space forbid.

Very Respectfully,

S. A. JOHNSON,  
Co. A., 4th C. V. I.

## Almost Distracted?

Did you ever feel from real nervousness? When every nerve seemed to quiver with a painful, creepy feeling, first in one place and then another and all seemed ready to concentrate in a writhing jumble in the brain, and you became irritable, fretful and peevish; to be followed by an impotent, weakened condition of the nerve centers, ringing in the ears, and sleepless, miserable nights? Dr. Miles' Nervine Restores Health. My memory was almost gone and every little thing worried me until I was almost distracted. I really feared I was becoming a maniac. I measured all sorts of evil things and would cry over nothing. I commenced taking Dr. Miles' Nervine and four bottles of this wonderful remedy completely cured me, and I am as well now as I ever was. Dr. Miles' Nervine is sold on guarantee. But bottle will benefit or money refunded.

The Journal will labor to develop Oregon. Its columns will contain news and correspondence from every part of the state, of enterprises and progress in the many industries, and aid in the upbuilding of all our country and towns.

You are an independent citizen of this commonwealth. You want good government. Oregon is a state twice as large as Iowa, with one-sixth the population. With all our "politics" emanating from the corrupt politicians of one large city, how can the masses of the people get good government, good legislation and honest administration? By right education of the people. Besides being a good state and general newspaper for any man the Journal advocates good government. It advocates: 1. Reform of the primary and election laws. 2. A practical registration law. 3. Economical county and state government. 4. Restoration of the representative principle. 5. Reform of the constitution and all political power in the hands of the people. The way to get good government is to work for it. Will you work with free?
