# Battle Ax PLUG

The Large Piece and High Grade of "Battle Ax" has injured the sale of other brands of higher prices and smaller pieces. Don't allow the dealer to impose on you by saying they are "just as good" as "Battle Ax," for he is anxious to work off his unsalable stock.

### FIGHTING SILVER DOWN.

Honest John Sherman wants no more silver coined until the government puts a dollar's worth of the demonetized bullion into the dollar. Of course, if that were done the bullion would go up and the dollar would not circulate. Is that what he wants? "We repeat, watch silver go down to 50 cents an ounce. All the owners of Averius cannot stop it. And then it will still slide on down to 40 cents." In connection with Sherman's demand, note the above from the Salem Statesman. A small piece of straw shows that the direction of the wind. Is the Statesman really happy in pursuing this course? Before election it berated the Oregonian for its hostility to silver, alleging that Republicans were friends of silver, wanted to uphold silver, etc. Does it seek by this course to stand well with McKinley and the bankers? It is really an American policy to fight silver down, any more than to fight down the price of any other great product of our country? Is it American to cry down the price of silver when who export \$50,000,000 worth a year? Is it not an American labor product and are not mines American industries? These men who cry down silver are hardly to be classed as American patriots. When it is considered that 900,000,000 of people know no other metal for money but silver, and that the gold countries use our cheap silver to buy cheap products with and by this competition cut the life out of American farm products, the man who cries down silver is little less than a Tory in disguise.

### THE OREGON DISGRACE.

The masses of the people outside of the cities gave majorities for Bryan and free silver. So did every state west and south, except where the voters were overpowered by corporation influence.

Yet there is a newspaper in Oregon which says editorially all who voted for Bryan represented repudiation and anarchy. Such a newspaper is a disgrace to Oregon, and unfortunately, is the only metropolitan paper in Oregon.

Outside of Portland, Oregon, was strongly for Bryan. Outside four wards of Salem, Marion county was strongly for Bryan. It is to be regretted that those who depend so much on the country people for business and good will to make a living should be put in the attitude the Oregonian places them. It virtually says all who voted for Bryan belong to the criminal classes.

The only way to resent the insult of the Oregonian, when it calls people who supported anarchy and arson, thieves, etc., is for those people to not buy the Oregonian, nor trade with its supporters at Portland. The supporters of Bryan are a social force, consisting of a majority of the people of Oregon outside of Portland, and a majority is always respectable.

### STATE NEWS.

Another clean-up of \$20,000 is reported from the Virtue mine. The Astoria Silver Club will hold regular weekly meetings hereafter. The woman suffrage amendment to the Idaho constitution carried at the recent election. The collapsed bridge near Milton is to be rebuilt immediately. A 75 foot span collapsed in the bridge, which crosses the Walla Walla river. Miss Anna Kennedy, of Warren, while riding to school in a wagon, was quite badly injured and in a very peculiar manner. Her skirts became entangled in the wheel and she was dragged out and run over before the team could be stopped.

The Pendleton Packing Company is advertising for hogs at 3 cents per gross. Such an institution would be a great benefit to Salem. Ed Katcher, of Crooke county, returned from Tennessee where he had been with a carload of horses. He reports good sales and a good demand.
