THE "FLOOD" AT ITS HIGHEST.

Willamette River Falling With Uniform Rapidity Throughout the Valley.

At 7 o'clock this morning the Willamette river reached its "high water" mark at Salem during the late flood. The gauge at the O. R. & N. dock indicated a depth of 29.2 inches over the low water mark. This was a raise of just exactly 2 feet over the stage of the river at 3 o'clock Tuesday afternoon. The river men feel confident that the river has reached its highest point for the present and that any further danger of damage to property is past. The river is slowly falling this afternoon, which is uniform all along the valley. A dispatch from Eugene states that nearly all the snow has melted from the hills in that vicinity and as a result a further raise need not be expected from sudden melting of snow as most of it has already disappeared.

On next Friday evening will occur the first "joint" meeting of the societies for the present school year to which all students and friends are earnestly requested to be present.

Great Attraction Coming.
Aiden Benedict's play of Fabio Roman which opens at Reed's opera house Friday, November 20, is a play with a strong and stirring interest.

Those who have read the book entitled "Vendetta" will easily remember the pretext of the story; a deceived husband pretends suicide and then comes back in disguise to torture his unfaithful wife, finally killing her at the moment he makes himself known. The novel furnishes several intense scenes.

The principals in the drama are Aiden Benedict and Miss Olive West and both are said to be excellent in their roles, and are well supported by a good, first class company. The scenic effects are said to be very fine. Seats now on sale.

THE Y. P. C. C. E.—Mass meeting of the Endeavorers of Salem, Marion County and their friends will be held in the Congregational Church on Friday night next at which time H. L. Hood one of Oregon's delegates at the last International Convention will be present and give an address or lecture on what he saw and heard. He is coming here especially for that purpose, and all should hear his impressions of the largest Christian gathering ever assembled in this country, or the inspiring song service held on the steps of our Nation's Capitol building when the greatest throng ever gathered there for any purpose. Hear him tell about the interesting sights in the Capital and how Christian Endeavor captivated in the city. Everybody invited.

U. OF O. RETAINS THE PENNANT

W. U. Will Not Participate in the Football Tournament.

Tuesday evening, Manager I. H. Van Winkle, of the Willamette University football team, notified L. M. Travis, manager of the U. of O. team, of Eugene, that the Salem team had decided to withdraw from the intercollegiate football tournament.

This unexpected action on the part of the Salem team, is attributed to several reasons. Two of the team's best players, Babcock and Truitt, have been indisposed the past ten days and have not participated in but one practice game this season. Again, Guiss, Willamette's substantial end man, was unable to attend school this fall, although he is daily expected. Macey, the star tackler in the state, is still surveying in the mountains above Seio, where he has been for the past six weeks, entirely cut off from all communication so that he could not be reached. Having the game in Salem next Saturday, as was arranged by the Football Association, would involve an expense to the local team of about \$120, which is more than could possibly be realized from the game.

Since the local athletic association is not in the most flourishing condition, it is thought politic by its members, not to embark on any enterprise that would result disastrously from a financial standpoint. The Eugene team has expressed a desire not to come to Salem and as the local team did not care to go to Eugene after its experience last year even though the odds might be largely in their favor, consequently the game will not take place.

By this action the Eugene team keeps for another year the pennant she won after such a hard struggle last year. As a result of last Saturday's game at Corvallis between the U. of O. and O. A. C. teams, the latter has become thoroughly disgusted with football and has refused to play any more this season and so the Thanksgiving game between the Willamette University and Corvallis teams is also declared off.

The local University team however deserves considerable praise when it is known the boys went into the contest without the services of a coach and finding that the odds were too great against them, wisely concluded to withdraw from the contest rather than suffer the disastrous defeat that would certainly have been the result of Saturday's game should they enter into it with the team as it now is. In the practice games this season some excellent material has developed in a number of the new players and a strong team is anticipated next year. Manager I. H. VanWinkle and Captain H. A. Olinger are also worthy of the kindest consideration for their labor with the team. The team feels grateful to Chester G. Murphy, who captained the team last year but is now captain of the Freshman team at Stanford, who so kindly furnished it with valuable suggestions regarding successful football playing.

Manager I. H. VanWinkle, is in correspondence with the Pacific College team at Newberg in the hopes a game may be arranged for between the W. U. and Newberg teams at the latter place for Thanksgiving day. Should arrangements for a game be successfully made, it is proposed by the Salem team to go down to Newberg via one of the river steamers. An answer is expected from Newberg within a few days and, if favorable, final arrangements will be made for the game.

Mt. Angel.

On Thanksgiving day the Acme Dramatic Society of Mt. Angel College, will render "Pizarro," a tragedy in five acts.

It will take place in the college hall, at 1:30 p. m.

BIRTHDAY PARTY.—Last evening about thirty of the friends of Mr. and Mrs. Martin Viescoe gathered at their home in South Salem, the occasion being the anniversary of Mr. Viescoe's birth. Cards, games and dancing were enjoyed and at a seasonable hour an excellent supper was served. It was not until the "wee sma'" hours that the party disbanded wishing their host many happy returns of the day.

Catarth in the Head

Is a disease that may lead to consumption. Catarth is caused by impure blood, and the true way to cure it is by purifying the blood. Hood's Sarsaparilla cures catarth because it removes the cause of it by purifying the blood. Thousands testify that they have been cured by Hood's Sarsaparilla.

Hood's Pills are purely vegetable and do not purge, pain or gripe. All druggists, 25 cents.

The Discovery Saved His Life

Mr. G. Caillotte Druggist, Beaverville Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Fred A. Legg.
