Christmas Exercises

Salem's public schools are indeed loyal and patriotic. Tomorrow afternoon appropriate exercises, in harmony with the Christmas season, will be rendered at the various schools at 1:30 p. m. The program to be rendered at the East school is as follows:

Song, "Bethlehem's Star" School choir.

Recitation, "Christmas Stockings" Nina Bushnell.

Song, "The Star in the Sky" School.

Song, "Saint Nick" Several little girls.

Recitation, "Little John's Christmas" Bessie Pugh.

Anthem, "The Wondrous Story" School choir.

HAS RESIGNED.—D. L. Fleister, who has for the past year served as one of Salem's police officers, has voluntarily resigned the position. Last night he transferred the "star," keys and other articles usually possessed by policemen, to Chief of Police A. C. Dilley.

D. W. Gibson has been appointed to serve on the police force in the place of Mr. Fleister until the first regular meeting of the city council in January when a successor will be chosen.

Rumor has it that Mr. Gibson will be retained on the police force and should such be the case, Chief Dilley's assistants for 1897 will be Messrs: Gamble and Gibson.

The latest assortment of brushes, combs, hand-mirrors and general articles for the toilet is at Fry's drugstore. Our goods and prices will certainly interest you. Come and see.

PUBLIC SCHOOLS.

Matters Given Attention by the Salem Board of Directors.

The board of school directors, for district No. 21, met in regular session last evening in Clerk Bozorth's office. Directors Johnson, Bruce and Ohmart were present, also City Superintendent G. A. Peebles and Clerk Bozorth.

Having disposed of the minutes of the previous meeting the following bills were ordered paid:

December salaries, \$2,013 58

Gilbert & Patterson, 6 05

H. Poble, 5 00

Bernard & Dunstond, 3 91

Gray Bros., 43

R. B. Rhodes, 9 00

The matter of providing for a new board walk at the Lincoln school was referred to Director Ohmart with power to act. City Superintendent G. A. Peebles was directed to obtain the necessary material and to superintend the erection of a suitable platform in the assembly hall at the East school.

As per previously arranged the Christmas holidays were to have opened on Friday the 25th inst., but on motion last evening it was decided to have the school close on Wednesday afternoon. This action was taken that the teachers who so desire may go to their homes to spend Christmas.

Director Johnson reported favorably with regard to admitting the children of the orphan's home to the city schools without tuition. The report was promptly adopted.

Adjournment was then taken to January 4th 1897.

NOTES.

Christmas exercises will be given in the various schools Wednesday afternoon commencing at 1:30 p. m. sharp. Instead of Thursday afternoon as previously announced. The programs will all be quite appropriate to the occasion.

The graduating exercises at the close of the present school year will be held on February 5, at which time a class numbering about twenty of Salem's brightest youth will graduate.

The Royal Marionettes.

Professor Zera and company gave one of his unique entertainments last evening, which, by-the-way, was one of the best of its kind ever given in Salem and deserved a better house than greeted it. Prof. Zera's show we can heartily recommend to anyone and especially to young people.

There is not one objectionable feature in connection with the entertainment, everything being first-class and it is second to none of its kind in the country. As a ventriloquist the professor has a larger range of voice and can carry it to perfection better than any ventriloquist on the American stage today. Go and give your children a Christmas treat.

CRIMINAL.

The Jury Has Finally Agree.

The One Obstinate Juror Finally Come to Terms.

PORTLAND, Dec. 22.—Monday morning at Hillsboro at 10 o'clock the one juror who hung out for conviction capitulated, and a verdict of acquittal was returned to Judge McBride's court.

For over 24 hours the ballot stood 11 for acquittal and one for conviction. Saturday the jury stood 10 for acquittal and 2 for conviction but yesterday one of the obstinate jurors gave up and sometime last night the twelfth man voted "not guilty" and the jury went to sleep. This morning when the bailiff of the court was called he was informed that an agreement had been reached.

Juror Catchings was indisposed from the long confinement. He became so ill yesterday that he had to be taken to a physician.

The great expense of the trial and the care expended in trying the case demanded a verdict one way or another and when the result was announced in Portland general satisfaction was expressed. The Steeves jury was locked up last Friday evening and up to last night it was generally expected there would be a disagreement.

Steeves returns to Portland last evening. He was the recipient of many congratulations from friends on his acquittal. His friends in Portland have been confident of his acquittal throughout, and have resolutely stood by him during the trial.

The expense of the trial at Hillsboro will be borne by Multnomah county, and will be between \$2500 and \$3000. Had a disagreement resulted the case would never have been tried again.
