

Bank

President Isaac Lewis of Sabina, Ohio, is highly respected all through that section. He has lived in Clinton Co. 75 years, and has been president of the Sabina Bank 20 years. He gladly testifies to the merit of Hood's Sarsaparilla, and what he says is worthy attention. All brain workers find Hood's Sarsaparilla peculiarly adapted to their needs. It makes pure, rich, red blood, and from this comes nerve, mental, bodily and digestive strength.

Neuralgia

In one eye and about my temples, especially at night when I had been having a hard day of physical and mental labor. I took many remedies, but found help only in Hood's Sarsaparilla which cured me of rheumatism, neuralgia and headache. Hood's Sarsaparilla has proved itself a true friend. I also take Hood's Pills to keep my bowels regular, and like the pills very much." ISAAC LEWIS, Sabina, Ohio.

UNITED ARTISANS.

Salem is certainly the city of churches and secret societies. Still another secret society has been successfully launched in our midst and its list of charter members contains the names of a number of Salem's most influential citizens. The name of the new order is United Artisans and was organized Monday evening by Supreme Instructor J. B. Olmstead in the old I. O. O. F. hall. The following officers were elected: Past master artisan, Scott Borzoth; master artisan, Judge F. A. Moore; superintendent, Rev. G. W. Grannis; inspector, Mrs. J. O. Hall; senior conductor, D. C. TEMPERANCE UNION.

At a recent meeting of the Salem W. C. T. U. some business was done that interests the public. There was arranged a series of entertainments to be given during the course of the winter. The first one will be on Tuesday evening, the 29th, which will be a novel affair, a debate by ladies of the W. C. T. U. to be the leading feature. An evening of rare enjoyment is promised. The resignation of Mrs. Garrison as matron of the rooms was presented and accepted; Mrs. E. M. Law was chosen to fill her place, so

In this connection Mr. and Mrs. Law will say to their many friends that they are "at home" at the W. C. T. U. rooms.

AT SALEM'S CHURCHES.

Nearly every Salem church was crowded to the doors Christmas night. The small boy was there and so was the small girl, and the larger ones, and the older ones, and all got a bag of candy or a brick of popcorn. It was a hard time Christmas, but none the less a merry one. Then free entertainments left no one to attend the theaters.

Mr. and Mrs. Santa Claus occupied the throne at St. Paul's Episcopal church. Mrs. Santa Claus found a splendid representative in Mrs. W. B. Magnan, who claimed as much attention as Santa Claus himself. The Sunday school children then marched up to the large tree, dropped their gifts on the plate, the amount to be donated to the Portland Good Samaritan hospital.

A musical and literary program was carried out at the First Christian church, Thursday evening. Gifts were distributed among the members of the Sunday school.

There was no tree at the M. E. church, but good program and the cantata "A Good Time With Santa Claus," by the little ones. The family tableau with angles in the background, and the Brownies work shop were especially good. Prof. R. A. Heritage sang "A Ship on Fire." The professor had to respond to a double encore. At the United Evangelical church Santa Claus entered the church like a burglar through a near window. The bold man actually talked to the Sunday school children for fifteen minutes and got away alive. Presents were distributed among the members of the Sunday school.

At St. Joseph's church Friday morning High mass was observed and Rev. J. S. White delivered a short address full of happy thoughts suggested by the Christmas time.

A "Reception to Mother Goose," was given by the members of the Unitarian Sunday school in Channing hall Friday evening. Mrs. W. E. Copeland superintended the affair. Many of the familiar characters associated with Mother Goose melodies were represented. Mr. H. B. Holland, the most natural and royal good-hearted Santa Claus, put in his appearance at the proper time, paid his respects to Mother Goose, and distributed candy among the members of the Sunday school.

Seating capacity at the First Presbyterian was limited. The rostrum was filled with merry children full of expectancy and the other bursting contents appropriate to the day. On one side was a Christmas tree, on the other a well constructed fireplace. The exercises were songs, choruses and recitations. Bulletins were received from Santa Claus every few moments announcing his approach to our city. He reached Portland by sleigh, where he had to mount a wheel and arrived at the church on time astride his bicycle. At the same time his and children arrived down the chimney. Candy etc., was liberally distributed among the members of the school.

Christmas exercises at the Baptist church had as a main feature in an appropriate Christmas dialogue, Santa Claus arrived in a boat accompanied by a merry group of sailors, and distributed confections among the Sunday school children.

At the German Evangelical Sunday school Friday evening, program, a beautiful tree and presents were the attractions of the evening.

FREE TO EVERY MAN.

The Method of a Great Treatment for Weakness of Men.

Which Cured Him After Everything Else Failed.

Painful diseases are bad enough, but when a man is slowly wasting away with nervous weakness, the mental tortures are ten times worse than the most severe pain. There is no let up to the mental suffering day or night. Sleep is almost impossible and under such a strain men are scarcely responsible for what they do. For years the writer rolled and tossed on the troubled sea of a sexual weakness until it was a question whether he had not better take a dose of poison and thus end all his troubles. But providential inspiration came to his aid in the shape of a combination of medicines that not only completely restored the general health, but enlarged his weak and emaciated parts to natural size and vigor, and he now declares that any man who will take the trouble to send his name and address will receive the method of this wonderful treatment free. Now when I say free I mean absolutely without cost, because I want every weakened man to get the benefit of my experience.

I am not a philanthropist, nor do I pose as an enthusiast, but there are thousands of men suffering the tortures of weakened manhood who would be cured at once could they get such a remedy as the one that cured me. Do not try to study out how I can afford to pay the few postage stamps necessary to pay the information, but send for it and learn that there are a few things on earth that are worth a fortune to some men and mean to a lifetime of happiness to most of us. Write Thomas Slater, Box 399, Kalamazoo, Mich., and the information will be mailed in a plain sealed envelope.

"THE SCHOOL OF POLITICS,"
OR
THE AMERICAN PRIMARY SYSTEM EXPOSED.

Published by Charles H. Kerr & Co., Chicago, Ills. Price 25 cents. A hand book for citizens, legislators and students.

1. The Primary and Spoils Politics.
2. How Primaries Are Conducted
3. The Primary As It Should Be Safeguarded by Law.

"The School of Politics" shows that the corrupted primary is the political crime of the Nineteenth century, and that reforms in city, state and national government are out of question until this evil has been remedied. The little book then lays bare the methods of the bosses from New York to California showing how, under laws made ostensibly to protect the people, they have legalized their fraudulent methods. The practical working of the primary in city politics is shown up in our principal Western cities. Also the perfected law adopted in California last year, but knocked out in the courts of that state. The remedy is plainly pointed out. Should be read by every student of American politics and every legislator. They will here find the facts of the pernicious system, clearly set forth, also the needed remedies. "The School of Politics" has had an extended sale in the East, and has been reviewed by many leading journals. If you read a copy you will want others to read it. Single copies, 25 cents. Special rates on larger numbers. The author would be pleased to receive communications from readers of the book, on the subject under discussion. Address,
E. HOFER,
Salem Or.

IN PREPARATION.—"The Representative Principle," a hand book on registration and ballot reform. Publication will be announced.
