OUTRAGEOUS.

\$500 For a County Tax Roll.

Robbery of Marion County Tax Pays

By referring to the county court proceedings printed elsewhere it will be seen the Salem Statesman charges and collects a lump sum of \$500 for publishing a notice of lands sold for delinquent taxes.

This bill of \$500 is an outrageous tax imposed upon a people already unable to pay their taxes. It is a tax of from \$1.00 to \$5.00 added to the cost in each case of a lot or farm sold for taxes, and makes it that much more impossible for this unfortunate class to redeem.

Sheriff Croisan had his list of delinquents published in two newspapers (including the Statesman) at a cost of \$160, which was not paid by the county at all.

The charge of \$500 in a lump sum has no basis in reason, justice or business common sense. Why should it not have charged at so much per line or per square, as to any other individual?

The sheriff orders this advertising and then collects the printer's bill off the delinquent taxpayer. The sheriff does not fix this charge. He apportions it among the persons who buy the land at tax sale.

Heinz's Chow Chow

"The best made," in bulk, you can get as much as you want. Sweet Pickles also in bulk. Billed older for mince pies.

HARRITT & LAWRENCE, P. O. Grocery.

Agents for "World-Beater" Soap.

county bids in: A large part is never paid. The sheriff may not collect this \$500 taken out of the county treasury.

The publication in the Statesman is at an outrageous price to the taxpayer, and what is worse it is so full of errors that careful buyers of tax titles would not bid. They would not risk their money on imperfect descriptions and incorrect names.

THE JOURNAL calls attention to these facts solely to protect the public, as it is a well known fact a newspaper has nothing to gain by exposure of extravagance in public affairs.

If your tea is good, it is cheap; if it is not good, it is dear, no matter what you pay for it—you had better drink water.

But good tea is better than water sometimes, because it tastes good, and whatever tastes good makes the stomach work right.

So good tea—Schilling's Best—is cheap.
