Mothers

Anxiously watch declining health of their daughters. So many are cut off by consumption in early years that there is real cause for anxiety. In the early stages, when not beyond the reach of medicine, Hood's Sarsaparilla will restore the quality and quantity of the blood and thus give good health. Read the following letter:

"It is but just to write about my daughter Cora, aged 19. She was completely run down, declining, had that tired feeling, and friends said she would not live over three months. She had a bad

Cough

and nothing seemed to do her any good. I happened to read about Hood's Sarsaparilla and had her give it a trial. From the very first dose she began to get better. After taking a few bottles she was completely cured and her health has been the best ever since." MRS. ADDIE PECK, 12 Railroad Place, Amsterdam, N. Y.

"I will say that my mother has not stated my case in as strong words as I would have done. Hood's Sarsaparilla has truly cured me and I am now well." CORA PECK, Amsterdam, N. Y.

THE JOURNAL has in the past year gained a state circulation. It is the only paper in Oregon besides the Oregonian that is taken in every part of the state as the postoffice records show. You are asked to circulate it. Because:

1. It is a clean paper.
2. It is an independent paper.
3. It is an opposition paper. It opposes corrunt politics, corrupt methods and corrupt men in all parties.

It supports aggressively the GOOD it finds in public and private life and in all parties. It attacks the evil wherever it finds it.

THE JOURNUL advocates old fasnioned honesty and Jeffersonion simplicity. It don't know the meaning of compromise of principle. It is always on the side of the people as against the aggressions of power that tend to destroy freedom and equal rights.

FREE TO EVERY MAN.

The Method of a Great Treatment for Weakness of Men.

Which Cured Him After Everything Else Failed.

Painful diseases are bad enough, but when a man is slowly wasting away with nervous weakness,the mental forbodings are ten times worse than the most severe pain. There is no let up to the mental suffering day or night. Sleep is almost impossible and under such a strain men are scarcely responsible for what they do. For years the writer rolled and tossed on the troubled sea of sexual weakness until it was a question whether he had not better take a dose of poison and thus ends all his troubles. But providential inspiration came to his aid in the shape of a combination of medicines that not only completely restored the general health, but enlarged his weak and emaciated parts to natural size and vigor, and he now declares that any man who will take the trouble to send his name and address may have the method of this wonderful treatment free. Now when I say free I mean absolutely without cost, because I want every weakened man to get the benefit of my experience.

I am not a philanthropist, nor do I pose as an enthusiast, but there are thousands of men suffering the tortures of weakened manhood who would be cured at once could they but get such a remedy as the one that cured me. Do not try to study out how I can afford to pay the few postage stamps necessary to mail the information, but send for it and learn that there are a few things on earth that although they cost nothing to get they are worth a fortune to some men and mean to lifetime of happiness to most of us. Write a Thomas Slater, Box 390, Kalamazoo, Mich. and the information will be mailed in a plain caled envelope.

M, Ostrogorski, 132 Rue D' Assas, Paris, France, who is about to bring out a book on American political methods, writes to the author. "Perusing the books on the subject I was fortunate enough to find your book on 'The School of Politics.' I was wondering whether the evils of machine rule and of bossism were obtainining in the west as well as in the East, read it with the greatest interest."

"THE SCHOOL OF POLITICS,"

—OR—

THE AMERICAN PRIMARY SYSTEM EXPOSED.

Published by Charles H. Kerr & Co., Chicago, Ills. Price 25 cents. A hand book for citizens, legislators and students.

1. The Primary and Spoils Politics.
2. How Primaries Are Conducted
3. The Primary As It Should Be Safegarded by law.

"The School of Politics" shows that the corrupted primary is the political crime of th Nineteenth century, and that reforms in city, state and national government are out of question until this evil has been remedied.

The little book then lays bare the methods of the bosses from New York to California showing how, under laws made ostensibly to protect the people, they have legalized their fraudulent methods.

The practical working of the primary in city politics is shown up in our principal Western cities.

Also the perfected law adopted in California last year, but knocked out in the courts of that state. The remedy is plainly pointed out.

Should be read by every student of American politics and every legislator. They wile here find the facts of the pernicious system, clearly set forth, also the needed remedies.

"The School of Politics" has had an extended sale in the East, and has been reviewed by many leading Jornals. If you read a copy you will want others to read it.

Single copies, 25 cents. Special rates on larger numbers. The author would be pleased to receive communications from readers of the book, on the subject under discussion.
