Stockwell and The Bacon Company.

L. R. Stockwell, the eminent comedian, will be the next attraction at the opera house. Mr. Stockwell is without a peer, in his particular line of comedy. So distinct is his individuality, that Hoyt, the greatest American comedy producer, has written three plays around him.

Mr. Stockwell will be seen in "The Magistrate," a rousing comedy, and Archibald Gunther's strong comedy drama, "Mr. Potter, of Texas."

The Bacon Company, so favorably known here, will support Mr. Stockwell. The company open January 11, for two nights.

Heart Trouble Quickly Cured.

A Convincing Testimonial.

MISS ELLA KURTZ.

"For 19 years I suffered from heart trouble. During that time I was treated by five different physicians. All of them claimed that I could not be cured. I was greatly troubled with shortness of breath, palpitation and pain in the side. If I became excited, or exerted myself in the least, the pain in my side became very severe. At times it seemed as though needles were shooting through my side. Sometime in the month of November last, I commenced taking

DR. MILES' HEART CURE

and since then I have improved steadily. I can now sleep on my left side, something I had never been able to do before. I can walk without being fatigued, and am in much better health than ever before, I would recommend all sufferers from heart trouble to try Dr. Miles' invaluable remedy without delay." MISS ELLA KURTZ, 513 Wright St., Milwaukee, Wis.
