

OREGON MIST.

Prosperity is still coming.

Mr. Hanna has his cabinet nearly completed.

Mark Hanna is still grinding out prosperity.

Has the horse meat cannery at Portland resumed business?

If Oregon had protection on water, she would be strictly in it.

The special session of the legislature at Portland has adjourned.

The report that Mark Hanna is about to jump into the river is said to be erroneous.

The important question for Republicans to ask themselves: Shall we allow Mark Hanna to stand between us and our God?

Why didn't the state board of equalization raise the assessment one hundred millions? It might as well as stop at nine millions.

The present "prosperity" is only a "heel-tap," says the East Oregonian, to what it will be when the gold standard gets in full swing.

If senators Patterson and Johnson are sincere candidates for the presidency of the senate, they will unite their forces and defeat Simon.

The quickest trip ever made across the continent, was accomplished last week by Senator Mitchell, and it wasn't on the line to Mars, either.

After its recent raise of \$9,000,000 in the valuation of property, the man who would not vote to abolish the state board of equalization, is not fit to live in a free country.

The mayor of Victoria, B. C., called a meeting for last Friday to petition parliament to place a tax of \$500 on the entire of each Chinaman and Japanese into the country.

We are only beginning to realize the beauties of the gold standard. By the way, if bimetalism is such a fraud and fallacy, as the Oregonian would have us believe, why is Senator Wolcott posting off to Europe to bring it about?

"The Pendleton Oregonian conveys the impression, in editorial utterances, that those who voted for Bryan and free silver are more likely to develop criminal instincts than those who voted for McKinley and the gold standard."

The above item should read "Portland" instead of "Pendleton." The Pendleton "East Oregonian" is a staunch advocate of Bryan and Jeffersonian principles.

FREE TO EVERY MAN.

The Method of a Great Treatment for Weakness of Men.

Which Cured Him After Everything Else Failed.

Painful diseases are bad enough, but when a man is slowly wasting away with nervous weakness, the mental torments are ten times worse than the most severe pain. There is no let up to the mental suffering day or night. Sleep is almost impossible and under such a strain men are scarcely responsible for what they do. For years the writer rolled and tossed on the troubled sea of a sexual weakness until it was a question whether he had not better take a dose of poison and thus end all his troubles. But providential inspiration came to his aid in the shape of a combination of medicines that not only completely restored the general health, but enlarged his weak and emaciated parts to natural size and vigor, and he now declares that any man who will take the trouble to send his name and address may have the method of this wonderful treatment free. Now when I say they mean absolutely without cost, because I want every weakened man to get the benefit of my experience.

I am not a philanthropist, nor do I pose as an enthusiast, but there are thousands of men suffering the torments of weakened manhood who would be cured at once if they but get such a remedy as the one that cured me. Do not try to study out how I can afford to pay the few postage stamps necessary to mail the information, but send for it and learn that although they cost nothing on earth that they are worth a fortune to some men and mean to lifetime of happiness to most of us. Write a Thomas Slater, Box 390, Kalamazoo, Mich. and the information will be mailed in a plain sealed envelope.

Exposure to Disease

Does not necessarily mean the contraction of disease provided the system is in a vigorous condition, with the blood pure and all the organs in healthy action. When in such a condition contagion is readily resisted and the disease germs can find no lodgment. Hood's Sarsaparilla is the best medicine to build up the system because it makes pure, rich blood, and pure blood is the basis of good health. In cold weather it is especially necessary to keep up the health tone because the body is subject to greater exposure and more liable to disease. Hood's Sarsaparilla is the safeguard of health.

M. Ostrogorski, 132 Rue D'Assas, Paris, France, who is about to bring out a book on American politics, writes to the author: "Perusing the books on the subject I was fortunate enough to find your book on 'The School of Politics.' I was wondering whether the evils of machine rule and of bossism were obtaining in the west as well as in the East, read it with the greatest interest."

"THE SCHOOL OF POLITICS," OR THE AMERICAN PRIMARY SYSTEM EXPOSED.

Published by Charles H. Kerr & Co., Chicago, Ill. Price 25 cents. A hand book for citizens, legislators and students.

1. The Primary and Spoils Politics.
2. How Primaries Are Conducted.
3. The Primary As It Should Be Safeguarded by Law.

"The School of Politics" shows that the corrupted primary is the political crime of the Nineteenth century, and that reform in city, state and national government are out of question until this evil has been remedied.

The little book then lays bare the methods of the bosses from New York to California showing how, under laws made ostensibly to protect the people, they have legalized their fraudulent methods.

The practical working of the primary in city politics is shown up in our principal Western cities.

Also the perfected law adopted in California last year, but knocked out in the courts of that state. The remedy is plainly pointed out.

Should be read by every student of American politics and every legislator. They will here find the facts of the pernicious system, clearly set forth, also the needed remedies.

"The School of Politics" has had an extended sale in the East, and has been reviewed by many leading journals. If you read a copy you will want others to read it.

Single copies, 25 cents. Special rates on larger numbers. The author would be pleased to receive communications from readers of the book, on the subject under discussion.
