

Mothers

Anxiously watch declining health of their daughters. So many are cut off by consumption in early years that there is real cause for anxiety. In the early stages, when not beyond the reach of medicine, Hood's Sarsaparilla will restore the quality and quantity of the blood and thus give good health. Read the following letter:

"It is but just to write about my daughter Cora, aged 19. She was completely run down, declining, had that tired feeling, and friends said she would not live over three months. She had a bad cough and nothing seemed to do her any good. I happened to read about Hood's Sarsaparilla and had her give it a trial. From the very first dose she began to get better. After taking a few bottles she was completely cured and her health has been the best ever since." Mrs. ADDIE PECK, 12 Railroad Place, Amsterdam, N. Y.

Cough

"I will say that my mother has not stated my case in as strong words as I would have done. Hood's Sarsaparilla has truly cured me and I am now well." ORA PECK, Amsterdam, N. Y.

Hood's Sarsaparilla

Is the One True Blood Purifier. All druggists, well prepared only by C. I. Hood & Co., Lowell, Mass. It is purely vegetable, reliable and beneficial. See THE LEGISLATURE.

EXACT COPY OF WRAPPER.

M. Ostrogorski, 132 Rue D' Assas, Paris, France, who is about to bring out a book on American political methods, writes to the author, "Feeling the books on the subject I was fortunate enough to find your book on 'The School of Politics.' I was wondering whether the evils of machine rule and of bossism were obtaining in the west as well as in the East, read it with the greatest interest."

"THE SCHOOL OF POLITICS,"

OR THE AMERICAN PRIMARY SYSTEM EXPOSED.

Published by Charles H. Kerr & Co., Chicago, Ill. Price 25 cents. A hand book for citizens, legislators and students.

1. The Primary and Spoils Politics.
2. How Primaries are Conducted.
3. The Primary as it Should be Safeguarded by Law.

"The School of Politics" shows that the corrupted primary is the political crime of the Nineteenth century, and that reforms in city, state and national government are out of question until this evil has been remedied.

The little book then lays bare the methods of the bosses from New York to California showing how, under laws made ostensibly to protect the people, they have legalized their fraudulent methods.

The practical working of the primary in city politics is shown up in our principal Western cities.

Also the perfected law adopted in California last year, but knocked out in the courts of that state. The remedy is plainly pointed out.

Should be read by every student of American politics and every legislator. They will here find the facts of the pernicious system, clearly set forth, also the needed remedies.

"The School of Politics" has had an extended sale in the East, and has been reviewed by many leading journals. If you read a copy you will want others to read it.

Single copies, 25 cents. Special rates on larger numbers. The author would be pleased to receive communications from readers of the book, on the subject under discussion.

Address,
E. HOFER,
Salem, Or.
