Scrofula

infests the blood of humanity. It appears in varied forms, but is forced to yield to Hood's Sarsaparilla, which purifies and vitalizes the blood and cures all such diseases. Read this:

"In September, 1894, I made a misstep and injured my ankle. Very soon afterwards,

A Sore

two inches across formed and in walking to favor it I sprained my ankle. The sore became worse; I could not put my boot on and I thought I should have to give up at every step. I could not get any relief and had to stop work. I read of a cure of a similar case by Hood's Sarsaparilla and concluded to try it. Before I had taken all of two bottles the sore had healed and the swelling had gone down. My

Foot

is now well and I have been greatly benefited otherwise. I have increased in weight and am in better health. I cannot say enough in praise of Hood's Sarsaparilla." MRS. H. BLAKE, So. Berwick, Me.

This and other similar cures prove that

Hood's Sarsaparilla

Is the One True Blood Purifier. All druggists. $1. Prepared only by C. I. Hood & Co., Lowell, Mass.

FREE TO EVERY MAN.

The Method of a Great Treatment for Weakness of Men.

Which Cured Him After Everything Else Failed.

Painful diseases are bad enough, but when a man is slowly wasting away with nervous weakness, the mental forbodings are ten times worse than the most severe pain. There is no let up to the mental suffering day or night. Sleep is almost impossible and under such a strain men are scarcely responsible for what they do. For years the writer rolled and tossed on the troubled sea of sexual weakness until it was a question whether he had not better take a dose of poison and thus ends all his troubles. But providential inspiration came to his aid in the shape of a combination of medicines that not only completely restored the general health, but enlarged his weak and emaciated parts to natural size and vigor, and he now declares that any man who will take the trouble to send his name and address may have the method of this wonderful treatment free. Now when I say free I mean absolutely without cost, because I want every weakened man to get the benefit of my experience.

I am not a philanthropist, nor do I pose as an enthusiast, but there are thousands of men suffering the tortures of weakened manhood who would be cured at once could they but get such a remedy as the one that cured me. Do not try to study out how I can afford to pay the few postage stamps necessary to mail the information, but send for it and learn that there are a few things on earth that although they cost nothing to get they are worth a fortune to some men and mean to lifetime of happiness to most of us. Write a Thomas Slater, Box 390, Kalamazoo, Mich and the information will be mailed in a plain sealed envelope.

M. Ostrogorski, 132 Rue D' Assas, Paris, France, who is about to bring out a book on American political methods, writes to the author. "Perusing the books on the subject I was fortunate enough to find your book on 'The School of Politics.' I was wondering whether the evils of machine rule and of bossism were obtainining in the west as well as in the East, read it with the greatest interest."

"THE SCHOOL OF POLITICS,"

THE AMERICAN PRIMARY SYSTEM EXPOSED.

Published by Charles H. Kerr & Co,, Chicago, Ills. Price 25 cents. A hand book for citizens, legislators and students.

1. The Primary and Spoils Politics.
2. How Primaries Are Conducted.
3. The Primary As It Should Be Safegarded by law.

"The School of Politics" shows that the corrupted primary is the political crime of the Nineteenth century, and that reforms in city, state and national government are out of question until this evil has been remedied.

The little book then lays bare the methods of the bosses from New York to California showing how, under laws made ostensibly to protect the people, they have legalized their fraudulent methods.

The practical working of the primary in city politics is shown up in our principal Western cities.

Also the perfected law adopted in California last year, but knocked out in the courts of that state. The remedy is plainly pointed out.

Should be read by every student of American politics and every legislator. They wile here find the facts of the pernicious system, clearly set forth, also the needed remedies.

"The School of Politics" has had an extended sale in the East, and has been reviewed by many leading Journals. If you read a copy you will want others to read it.

Single copies, 25 cents. Special rates on larger numbers. The author would be pleased to receive communications from readers of the book, on the subject under discussion.
