Y. M. C. A. Notes.

Prof. J. W. Kelchner was in the city yesterday conferring with the local Y. M. C. A. with regard to appearing before a Salem audience with his model Tabernacle of Israel. It is an exact reproduction of the original and is constructed with the same material. It is the greatest reproduction of the world in gold, silver and fine drapings, and its dimensions are 16x8x10 feet.

A meeting of all Y. M. C. A. workers will be held in the association rooms Wednesday evening when preparations will be made for a membership contest, similar to that held last winter and which resulted so successfully from a financial standpoint.

RECEPTION TO MISS SMITH.—Miss Rebecca Smith, of Salem, state organizer of the L. O. T. M., was tendered a reception by the members of the local hive in their hall last Friday night. The members of Eugene Tent, No. 52, K. O. T. M., were invited and took part in the reception which was a surprise to Miss Smith.

LAND SALE.—The following deed was filed with County Recorder F. W. Waters this morning: H. W. Cottle and wife of Los Angeles to James O. Bridgeford and wife of Salem, the west half of the N. E. quarter of section four, and the N. E. quarter of the N. E. quarter of section four, and the N. W. quarter of the N. W. quarter of section three in township 7, s. r. 1 east, containing in all 162 acres.

MARRIAGE LICENSES.—County Clerk L. V. Ehlen today issued marriage licenses as follows: W. W. Patton and Etta Blankenship, J. Blankenship, witness; A. B. Cole and Gloriunda Kell, L. V. Ehlen, witness. This makes fourteen such licenses that have been issued during the present month, which is certainly unmistakable evidence "confidence restored," in at least one way.

MEETING.—There will be a meeting next Thursday evening of the Salem Bimetallic Union, at the old Odd Fellows hall, over the corner grocery to which all ladies are especially invited. There will be a number of good speakers present and a general good time will be had.

POPULISTS.

Address Their Constituents.

Setting Forth the Reasons For Their Course.

At a caucus of the People's party members held at the state house last night following was adopted and signed by all who were present. Some were unavoidably absent or out of the city:

THE ADDRESS.

SALEM, Or., January 18, 1897.

To the Peoples party of Oregon. The undersigned, your members elect of the legislative assembly ask your loyal support and that of all good citizens in our contest for such an organization of the house as we believe will result in economical and remedial legislation that will make an honest vote and a fair count possible in Oregon.

We are contesting for a fair organization of the house in order to make possible the passage of the Bingham registration bill, the Holt judges of election bill, and an amendment to the constitution providing for direct law-making by the people by means of the Initiative and Referendum, in its optional form.

We are assured by eminent lawyers that the Bingham registration bill is constitutional and likely to be effective.

The Holt bill allows the county central committees of each of the three principal political parties to designate one judge of election in each precinct, and the committees of the two principal parties to each name one clerk of election in each precinct.

The Initiative and Referendum need no explanation to Oregon Populists.

These measures we believe to be all important in obtaining honest elections and control by the people of law making in Oregon and thereby preserving our liberties.

The situation at this last June the Republican party elected 38 members of the house of representatives. Only 28 of this number have agreed to act together in organizing the house. Part of the remaining ten Republican members support Mr. Bourne and part do not support any candidate. The Populist and Democratic members are staying out until such time as the Republican majority may agree upon a candidate of their own for speaker, or until a sufficient number of them unite with us to assure Bourne's election, which we believe will enable us to obtain the measures herein named.

So long as the Republicans are thus divided and it is possible that we may, by preventing organization, finally elect Mr. Bourne and probably obtain the legislation before mentioned, we feel it to be our duty to take the people of Oregon to stay out, wages or no wages.

With this knowledge of the facts we feel that we are entitled to your support for ourselves and our allies.

A New Time Card.

The Salem Consolidated Street Railway company has issued a new time card, which does not differ materially however, with but one exception, from that which has been in operation for several weeks. This company's lines connect with all points of interest, in the capital city and its suburbs; thus affording excellent means of transportation for our legislators, who may desire to visit these institutions before returning to their homes.

The new time card is as follows: Cars leave Hotel Willamette as follows:

For State House—At 7:40 a. m., and every ten minutes thereafter until 10 p. m., excepting 10:50 a. m., 11 a. m., 2:10 p. m., 2:20 p. m., 6:10 p. m. and 6:20 p. m. Also car leaves at 10:15 p. m. and 10:15 p. m.

For Penitentiary, via State House—6:30 a. m., 7:00 a. m. and every thirty minutes thereafter, until 10 p. m.

For Depot, via State House—5:35 a. m., 7:40 a. m., 10:40 a. m., 2:00 p. m., 8:00 p. m. and 10:35 p. m.

For Asylum and Fair Grounds—6:20 a. m., 6:40 a. m., 7:10 a. m. and every twenty minutes thereafter, until 10:00 p. m.

For South Salem—6:40 a. m., 7:00 a. m. and every twenty minutes thereafter, until 10:00 p. m.

Cars leave opera house for all points on above lines immediately after the performance closes.

The state house car will only be operated during the session of the legislature, but the remainder of this schedule will remain in operation until notice to the contrary is given.

The large front "bay windows" have been removed and arrangements have been made for displaying his groceries. Harrold and Olinger are doing the work which will indeed be a neat job when completed.
