

Cripple

The iron grasp of scrofula has no mercy upon its victims. This demon of the blood is often not satisfied with causing dreadful sores, but racks the body with the pains of rheumatism until Hood's Sarsaparilla cures.

"Nearly four years ago I became afflicted with scrofula and rheumatism.

Made Well

Ruining sores broke out on my thighs. Pieces of bone came out and an operation was contemplated. I had rheumatism in my legs, drawn up out of shape. I lost appetite, could not sleep. I was a perfect wreck. I continued to grow worse and finally gave up the doctor's treatment to take Hood's Sarsaparilla. Soon appetite came back; the sores commenced to heal. My limbs straightened out and I threw away my crutches. I am now stout and hearty and am farming, whereas four years ago I was a cripple. I gladly recommend Hood's Sarsaparilla." URBAN HANWORTH, Table Grove, Illinois.

Hood's Sarsaparilla

M. Ostrogorski, 132 Rue D'Alsas, Paris, France, who is about to bring out a book on American political methods, writes to the author. "Feeling the books on the subject I was fortunate enough to find your book on 'The School of Politics.' I was wondering whether the evils of machine rule and of bossism were obtaining in the west as well as in the East. I read it with the greatest interest."

"THE SCHOOL OF POLITICS," THE AMERICAN PRIMARY SYSTEM EXPOSED.

Published by Charles H. Kerr & Co., Chicago, Ills. Price 25¢ cents. A hand book for citizens, legislators and students.

1. The Primary and Spoils Politics.
2. How Primaries Are Conducted
3. The Primary As It Should Be Safeguarded by Law.

"The School of Politics" shows that the corrupted primary is the political crime of the Nineteenth century, and that reforms in city, state and national government are out of question until this evil has been remedied.

The little book then lays bare the methods of the bosses from New York to California showing how, under laws made ostensibly to protect the people, they have legalized their fraudulent methods.

The practical working of the primary in city politics is shown up in our principal Western cities.

Also the perfected law adopted in California last year, but knocked out in the courts of that state. The remedy is plainly pointed out.

Should be read by every student of American politics and every legislator. They will here find the facts of the pernicious system, clearly set forth, also the needed remedies.

"The School of Politics" has had an extended sale in the East, and has been reviewed by many leading journals. If you read a copy you will want others to read it.

Single copies, 25 cents. Special rates on larger numbers. The author would be pleased to receive communications from readers of the book, on the subject under discussion.

Address,
E. HOFER,
Salem, Or.
