# Sour Stomach

Stomach, sometimes called waterbrash, and burning pain, distress, nausea, dyspepsia, are cured by Hood's Sarsaparilla. This it accomplishes because with its wonderful power as a blood purifier, Hood's Sarsaparilla gently tones and strengthens the stomach and digestive organs, invigorates the liver, creates an appetite, gives refreshing sleep, and raises the health tone. In cases of dyspepsia and indigestion it seems to have "a magic touch."

"For over 12 years I suffered from sour stomach with severe pains across my shoulders, and great distress. I had violent nausea which would leave me very weak and faint, difficult to get my breath. These spells came oftener and more severe. I did not receive any lasting benefit from physicians, but found such happy effects from a trial of Hood's Sarsaparilla, that I took several bottles and mean to always keep it in the house. I am now able to do all my own work, which for six years I have been unable to do. My husband and son have also been greatly benefited by Hood's Sarsaparilla—for pains in the back, and after the grip. I gladly recommend this grand blood medicine."

Mrs. FRED BURBY, Leominster, Mass.

Information for Persons Receiving Copies of This Issue.

THE JOURNAL has in the past year gained a state circulation. It is the only paper in Oregon besides the Oregonian that is taken in every part of the state as the postoffice records show. You are asked to circulate it because:

1. It is a clean paper.
2. It is an independent paper.
3. It is an opposition paper. It opposes corrupt politics, corrupt methods and corrupt men in all parties.
4. It supports aggressively the GOOD it finds in public and private life and in all parties. It attacks the evil wherever it finds it.

THE JOURNAL advocates old fashioned honesty and Jeffersonian simplicity. It doesn't know the meaning of compromise of principle. It is always on the side of the people as against the aggressions of power that tend to destroy freedom and equal rights.

M. Ostrogorski, 132 Rue D'Assas, Paris, France, who is about to bring out a book on American political methods, writes to the author, "Praising the books on the subject I was fortunate enough to find your book on 'The School of Politics.' I was wondering whether the evils of machine rule and of bossism were obtaining in the west, as well as in the East, and if with the greatest interest."

# "THE SCHOOL OF POLITICS," OR THE AMERICAN PRIMARY SYSTEM EXPOSED.

Published by Charles H. Kerr & Co., Chicago, Ills. Price 25 cents. A hand book for citizens, legislators and students.

1. The Primary and Spoils Politics.
2. How Primaries Are Conducted
3. The Primary As it Should Be Safeguarded by Law.

"The School of Politics" shows that the corrupted primary is the political crime of the Nineteenth century, and that reforms in city, state and national government are out of question until this evil has been remedied.

The little book then lays bare the methods of the bosses from New York to California showing how, under laws made ostensibly to protect the people, they have legalized their fraudulent methods.

The practical working of the primary in city politics is shown up in our principal Western cities.

Also the perfected law adopted in California last year, but knocked out in the courts of that state. The remedy is plainly pointed out.

Should be read by every student of American politics and every legislator. They will here find the facts of the pernicious system, clearly set forth, also the needed remedies. "The School of Politics" has had an extended sale in the East, and has been reviewed by many leading journals. If you read a copy you will want others to read it.

Single copies, 25 cents. Special rates on larger numbers. The author would be pleased to receive communications from readers of the book, on the subject under discussion.

Address, E. HOFER, Salem, Or.

IN PREPARATION—"The Representative Principle," a hand book on registration laws and ballot reform. Publication will be announced.

Dr. Miles' Heart Cure Does It.

Mrs. Chas. LaPoint, a well-known resident of Des Moines, Iowa, writes: "I had severe pains in the heart, and was unable to lie on my left side for more than three minutes at a time. I was ordered to take medicine, and I had another spell, in which I seemed every breath would be my last. We accidentally saw an advertisement of Dr. Miles' New Heart Cure, and purchased a bottle of each. After taking the remedies a week, I could be lifted in a chair and sit up an hour, and in a short time I was able to do light house work. I shall be ever grateful to you for your wonderful medicines. Truly they saved my life."

# FREE TO EVERY MAN.

The Method of a Great Treatment for Weakness of Men.

Which Cured Him After Everything Else Failed.

Painful diseases are bad enough, but when a man is slowly wasting away with nervous weakness, the mental forbodings are ten times worse than the most severe pain. There is no let up to the mental suffering day or night. Sleep is almost impossible and under such a strain men are scarcely responsible for what they do. For years the writer rolled and tossed on the troubled sea of sexual weakness until it was a question whether he had not better take a dose of poison and thus end all his troubles. But providential inspiration came to his aid in the shape of a combination of medicines that not only completely restored the general health, but enlarged his weak and emaciated parts to natural size and vigor, and he now declares that any man who will take the trouble to send his name and address may have the method of this wonderful treatment free. Now when I say free I mean absolutely without cost, because I want every weakened man to get the benefit of my experience.

I am not a philanthropist, nor do I pose as an enthusiast, but there are thousands of men who would be cured at once could they but get such a remedy as the one that cured me. Do not try to study out how I can afford to pay the few postage stamps necessary to mail the information, but send for it and learn what there is a few things on earth that although they cost nothing to get they are worth a fortune to some men and mean to lifetime of happiness to most of us. Write a Name Slip, Box 390, Kalamazoo, Mich and the information will be mailed in a plain sealed envelope.
