It taints the blood of humanity. It appears in varied forms, but is forced to yield to Hood's Sarsaparilla, which purifies and vitalizes the blood and cures all such diseases. Read this: "In September, 1894, I made a mistake and injured my ankle. Very soon afterwards...

A Sore

Two inches across formed and in walking to favor it I sprained my ankle. The sore became worse; I could not put my boot on and I thought I should have to give up at every step. I could not get any relief and had to stop work. I read of a cure of a similar case by Hood's Sarsaparilla and concluded to try it. Before I had taken all of two bottles the sore had healed and the swelling had gone down. My

FREE TO EVERY MAN.

The Method of a Great Treatment for Weakness of Men.

Which Cured Him After Everything Else Failed.

Painful diseases are had enough, but when a man is slowly wasting away with nervous weakness, the mental forodings are ten times worse than the most severe pain. There is no let up to the mental suffering day or night. Sleep is almost impossible and under such a strain men are scarcely responsible for what they do. For years the writer rolled and tossed on the troubled sea of a sexual weakness until it was a question whether he had not better take a dose of poison and thus end all his troubles. But providential inspiration came to his aid in the shape of a combination of medicines that not only completely restored the general health, but enlarged his weak and emaciated parts to natural size and vigor, and he now declares that any man who will take the trouble to send his name and address may have the method of this wonderful treatment free. Now when I say free I mean absolutely without cost, because I want every weakened man to get the benefit of my experience. I am not a philanthropist, nor do I pose as an enthusiast, but there are thousands of men suffering the tortures of weakened manhood who would be cured as once could they but get such a remedy as the one that cured me. Do not try to study out how I can afford to pay the few postage stamps necessary to mail the information, but send for it and learn that there are a few things on earth that although they cost nothing to get they are worth a fortune to some men and mean a lifetime of happiness to most of us. Write to Thomas Slater, Box 300, Kalamazoo, Mich and the information will be mailed in a plain sealed envelope.

WHERE WE STAND. You are an independent citizen of this commonwealth. You wear your citizenship with as much pride as you wear your coat. Oregon is a state twice as large as Iowa, with one-sixth the population. With all our "politics" emanating from the corrupt politicians of one large city, how can the masses of the people get good government, good legislation and honest administration? By right education of the people. Besides being a good state and general newspaper for any man, the Journal advances good government. It advocates: 1. Reform of the primary and election laws. 2. A more efficient county and state government. 3. Resolutions of the county and state legislatures. 4. Resolutions of the county and state legislatures. 5. Resolutions of the county and state legislatures. 6. Resolutions of the county and state legislatures. 7. Resolutions of the county and state legislatures. 8.
