SALEM SOCIAL NEWS.

(Continued from first page.)

A FAREWELL PARTY.

On last Saturday a merry party of Willamette University students gathered at the home of Miss Agnes Brown, on East Marion street, the occasion being a farewell party given in honor of that young lady, who left Wednesday of this week, for San Jose, Cal., where she will attend the California state normal school.

During the evening Misses Lelo Nicklin and Nellie Brown favored the company with two violin solos. Misses Eva Geer, Minnie Ireton and Jessie Settlemyer, three talented young elocutionists, appeared in recitations.

At a late hour the merry party disbanded, wishing their hostess a delightful sojourn in the land of flowers and perpetual sunshine and wishing her the greatest of success in her school work.

Those present were: Mr. and Mrs. Salmon Brown, Misses Eva Geer, D. Gans, Inez Field, Ethel Bigdon, Jessie Settlemyer, Marie Campbell, Pearl Sanders, Carrie Willis, Helen Matthews, Nellie Brown, Agnes Brown, Hope Gans, Minnie Ireton, Lelo Nicklin, Allie Davis, Gertrude Denton, Margaret Lockley, Bonnie Gans, Rebekah Gans, Grace Pohle, Mrs. Chamberlain, Mrs. Brown and Messrs. MOCK TRIAL AT UNIVERSITY.

A large company was very pleasantly entertained at the regular meeting of the Philodorian literary society last evening, the occasion being a mock trial. The case was heard before his honor, Judge Jay Bowerman who presided with the dignity becoming that officer. A jury of twelve young ladies and gentlemen was secured and the case was opened. Messrs. Watson and Haney conducted the prosecution in a highly creditable manner for such inexperienced representatives of the bar while Messrs. Bowersox and Ohmart. In the absence of several important witnesses owing to sickness and other causes, certainly put up a good case. The jury found the defendant, W. J. Shepard, guilty after only a few moments deliberation and sentence was immediately pronounced. By Judge Bowerman's decree Mr. Shepard will be obliged to submit to a hair-cut at the hands of Sheriff H. Amsler and will also be obliged to accept an immersion in the mill race that flows so conveniently near the campus. It was nearly midnight when court was dismissed and the merry party wended its way homeward, having spent a most delightful evening looking forward with pleasant anticipation to the repetition of so pleasant an affair.

BIRTHDAY PARTY.

Miss Lenora Ehlen very pleasantly entertained a merry party of her young friends at her home on Cottage street Saturday eve. The gathering was in honor of the young lady's sixteenth birthday. The party enjoyed numerous games and other amusements all of which were heartily entered into until a late hour when the young folks disbanded for their respective homes wishing their popular young schoolmate and charming entertainer many happy returns of the day.

Those present were: Misses Lenora Ehlen, Ella Rineman, Mae Worden, Cora Talkington, Edna Hubbard, La Verne Kantner, Lena Lundy, Cora Blosser, Maud Morrison, Ethel Knight, Blanche Johnson, May Mason, Emma Ehlen, Connie Handsaker, Leona Briggs, Leada Bureau, Ida Ehlen, Maud McKay, Grace Rineman, Winnie Byrd and Irene Ehlen; Masters: Rocky Hodgkin, Gates Cochran, Roy Byrd, Arthur Derby, Chester Cox, Eddie Lampert, Wayne Waters, Eddie Payne, Frank Harritt, Clifford Brown, Allie Van Eaton, Henry Bigger, Bobbie Dunca, Robbie Van Eaton, Chester Rineman, Willie Kantner, James Johnson, Claude Belle Van Sutherland, Frank Rineman, Milton and Ernest Ehlen.

INDOOR BASEBALL TONIGHT.

The first of a series of three games of indoor baseball, between the "Yellow Fellows" and the "Red Men," will occur in the Y. M. C. A. Gymnasium this evening. The game will commence promptly at 8 o'clock and promises to be by far the most exciting game witnessed on the gymnasium diamond thus far this winter. An admission fee of 10 cents will be charged which is indeed a nominal price for the entertainment and amusement for those who may attend. The Junior "Reds" met in the Y. M. C. A. parlors last evening and organized for work among the Juniors. Bert Olinger was elected captain and August Krantz first lieutenant and Dee Farrar was chosen as captain of the junior baseball team. On Friday evening a very interesting game of indoor baseball was played by the second teams of the two factions participating in the membership contest. R. Johnson captained the "Yellow Fellows" while Dee Farrar directed the movements on the part of the "Red Men." The game resulted 19 to 15. The teams will play, every Wednesday evening until the membership contest closes.

ENTRE NOUS CLUB RE-ORGANIZED.

ITS MARVELOUS POWER

Paine's Celery Compound Better Than Years of Doctoring.

There was never a remedy so eminently successful, so far above and beyond all competition, as Paine's celery compound.

Paine's celery compound effects marvelous cures.

Where other remedies miserably fail, and where doctors do not succeed, there Paine's celery compound is found curing disease, making people well and happy.

Here is the case of Mrs. Haff, who lives at 140 Summer Ave., Newark, N. J., and whose portrait is printed here.

"My doctor," she says, "called my disease liver complaint, stomach trouble, nervous dyspepsia, and almost every other name you could think of."

When I was in Portland Ore., I had enlargement of the liver, and the doctor thought all the troubles came from that severe spell of illness. That was 12 years ago, and I have done nothing but doctor ever since. I have had the best physicians examine me, and see if they could do anything for me. For months at a time my stomach and liver have been so sore that I could lie in bed only in misery, and with such severe pain in my back, and so weak that I could hardly talk.

"After I had a bad night I would send for the doctor, and he would leave me a small box of powders and one or two other medicines, and it would cost me \$4 every time I had one of these spells. I believe I have taken more medicine than any other living woman."

Last March I had a call from a lady friend of mine, who asked me, "What is the matter with you?" I replied by saying, "How well you look!" "Yes," she said, "I never felt so well in my life." She is a woman of 45 "And now," she said, "I want

to give you a little advice. I have been almost at death's door with liver trouble. After the doctor had done all that he could for me I told him not to come again. I showed him a bottle of Paine's celery compound and told him I was going to give that a fair trial. As a result I am strong and well."

"I sent right over to the drug store and got a bottle of Paine's celery compound, and when I had taken two bottles the soreness had left my stomach and my side felt much better. After I had taken four bottles my side was much stronger, and I was in better spirits and felt as though I might live and not be in such misery. Working people nowadays work the vitality all out every week, and all I ask is to be able to earn the money I have to every week."

"Paine's celery compound has enabled me to do this, and has done me more good than all the doctors put together."

"Why, my nervous system is so entirely strengthened that I feel like a new being, and what is more, I look the good the medicament has done me, right in my face and eyes. Just tell all poor women for me that for a medicine to build one up, give Paine's celery compound a fair trial, and if it does not do it, then they might as well die. I have recommended it to several and it has helped in every case. I have a great deal to worry me, and a dose of the compound gives me quiet sleep and then I can work. If any one wishes to write to me they can do so."

Why should a sick person do anything else but try a bottle of Paine's celery compound?

played by the second teams of the two factions participating in the membership contest. R. Johnson captained the "Yellow Fellows" while Dee Farrar directed the movements on the part of the "Red Men." The game resulted 19 to 15. The teams will play, every Wednesday evening until the membership contest closes.

LADIES OF THE MACCABEES. The Salem L. O. T. M. held a very interesting session in their hall Friday evening. Two new members were initiated and after the routine business of the order had been disposed of, a delicious luncheon was served. This order will have a public installation of officers that have been elected to serve for the ensuing year, the exercises to take place in about two weeks.

TO VISIT VALLEY POINTS. Arrangements are well under way that will in all probability be successful, for the appearance in the near future of the Capital ministers at the following named valley points: Independence, Albany, Corvallis, and Silverton.
