CURED AT 73 YEARS.
Dr. Miles' New Heart Cure Victorious.
No other medicine can show such a record. Here is a veritable patriarch, 73 years of age, with strong predilection to overcome, who had Heart Disease 16 years. He took the New Heart Cure and is now sound and well.

In an Ohio paper is found mention of the case of Albert Wells, a resident of Cincinnati, who asks release from the holy bonds of matrimony. Mr. Wells confesses weariness of the athletic propensities and sportive tendencies of his spouse. He makes mention of several of her favorite devices to subdue him to her will, chief among which is that she is wont, when in her most frolicsome moods, to reach out after him with a long handled skillet. By this means and others similarly persuasive she lulls him to recumbent repose and convinces him of the error of his views and ways.

SAMUEL O. STONE.
Grass Lake, Mich., Dec. 28, 1894.
I have been troubled with heart disease 15 years or more. Most of the time I was so bad it was not safe for me to go out alone, as dizzy spells would cause falling. I had severe palpitation, shortness of breath and sudden pains that rendered me helpless. All physicians did for me was to advise keeping quiet. In August last I commenced taking Dr. Miles' New Heart Cure, and before I had finished the first bottle I found the medicine was a God-send. I have now used four bottles in all and am feeling like a new man. I am 73 years of age and have held a grade school for 35 years. I would not give up my life, but I will not allow this to prevent giving my testimony to the great cure your valuable remedy has wrought in me. I do this to show my appreciation of Dr. Miles' New Heart Cure. SAMUEL O. STONE.
Dr. Miles' Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at \$1.00 per bottle, or it will be sent, prepaid, on receipt of \$2.00 by the Dr. Miles Medical Co., Elkhart, Ind.

ITEMS OF INTEREST.
The dispensary bill has failed to pass the Washington legislature.
Minnesota now holds over \$3,000,000 of the bonds of the state of Tennessee.
The Kansas newspapers claim that there are more people in that state who can read and write than there are in Massachusetts.

Admiral Buncie is not altogether satisfied with the new vessels of the North Atlantic Squadron, and wants \$1,000,000 to use in improving them.
As secretary of war, General Alger will be the superior officer of General Merritt, who at one time recommended his dismissal from the army for implied cowardice.

Mr. Bryan has won all of his cases against the pirate book concerns, which rushed into print with bogus "Bryan" books. All have been estopped by permanent injunctions.
The Minnesota legislature is considering a bill to compel every saloon keeper in the state to place over the door of his wet goods dispensary the word "Dangerous" in large, plain letters.

The state senate has passed Hill's bill for an amendment to the constitution conferring the elective franchise on women, the question to be submitted in November, 1898.
The Missouri legislature has under consideration a bill which proposes to make it a felony punishable with not less than two years' imprisonment to buy or sell farm products, without actual delivery at the time of sale.

The Colorado legislature by a vote of 32 to 19, passed the anti-high hat bill. Three female members voted for it. The penalties for wearing a high hat in the theatre run all the way from \$10 to \$50, according to the size of the hat.
The largest steamship ever built is to be launched at Belfast next January. It will run between New York and Liverpool, in the White Star line. It will have a length over all of 704 feet, or 25 feet more than the Great Eastern. It will be named the Oceanic. Its length will be 65 feet more than that of any vessel now afloat.

It is claimed that a reorganization of the Union Pacific will be effected. The scheme is to issue \$100,000,000 of new bonds and use a great part of them in retiring the present bonds. The annual interest charge will be \$4,000,000. After satisfying other claims there would be left nearly \$30,000,000 to apply on the debt to the government, in addition to the \$17,000,000 sinking fund.

Rev. Culpepper a Georgia evangelist has made a fierce onslaught on bachelors: "I am here to plead for the home. I want to see our men marry. Let them marry young. I'd rather have them marry at 15 than at 30. Young men who arrive at the age of 22 and are still bachelors I am for taxing \$100. If they are still unmarried at 23, I would tax them \$200, at 25, \$500, and so I would go on up to 30. Any man who wasn't married at 30 I would be for sending to the penitentiary. God meant that men should marry. A bachelor is only half a man."
