T. HOLVERSON'S.

Mrs. A. C. White, of Indianapolis, will spend the summer with her cousin Miss Hortense Kimball in this city.

Fred Bowersox is again quite seriously ill at his home on Liberty street. His condition was considerably improved today.

Hons. J. K. Weatherford, W. H. Bilgeu and J. M. Somers, attorneys from Albany, were guests at the Hotel Willamette today.

Rev. E. Mauer and Rev. A. S. Copley went to Canby today to attend the annual conference of the Evangelical association which convenes there Thursday.

The monthly sociable of the Unity Guild will be given on Thursday, April 23, in Channing hall. Only those holding invitations will be admitted.

Prof. F. C. Leathers, the new pianist at the college of music of Willamette university, recently from Valparaiso, Indiana, was last evening tendered a reception at the college of music building on Winter street.

SCHOOL BOARD MEETS.—Board of school directors for district No. 24 held a special meeting last evening. City Superintendent G. A. Peebles submitted his regular monthly report. Mr. Peebles was instructed to have 1,000 labels printed for the use of the new library at Lincoln school. The bin of A. L. Mays for tuning and repairing the North Salem school organ was continued. The chairman and clerk were authorized to negotiate a loan sufficient to pay running expenses of the district. Director Ohmart was instructed to remove all illegal fences etc. existing on Lincoln school grounds. Hereafter the board will meet on the first and third Mondays of each month instead of Wednesdays.

DISTURBED A RELIGIOUS MEETING.—Frank Ferris, A. L. Savage and A. Burt, three of Salem's youths were arrested late Monday afternoon, charged with disturbing a religious meeting at the East Salem Evangelical church, last Sunday evening. The boys were arraigned before Justice H. A. Johnson, this morning, and entered pleas of guilty. They were each sentenced to pay a fine of \$10 and costs, in default of which they were ordered committed to the county jail. Upon arriving at the "white temple" of justice, however, each of the young gentlemen paid their \$10 fine and were released from custody. It seems as though \$10 for an evening's amusement is rather expensive, even in these prosperous times.

NO FEES RECEIVED.—Monday was unmistakably a "blue-Monday" so far as the transaction of business was concerned in the county clerk's office. No fees whatever were received Monday and only a very few warrants were issued. On some days, the fees received in this department of the county capitol amounted to \$60 or \$70.

WARRANT RECEIVED.—County Treasurer G. L. Brown has received a warrant for \$15.96 drawn on the state treasury, that belong the amount due Marion county from the public land sales.

WITH THE WOODMEN.

Program to Be Rendered at Reed's Opera House Friday Evening.

The local lodge of the Woodmen of the World have made extensive arrangements for the reception and entertainment of Head Consul Falkenberg, while that gentleman remains in our city. Mr. Falkenberg will arrive in Salem Friday.

Mr. Falkenberg is one of the most prominent Woodmen being head consul of the Pacific Jurisdiction. He is an enthusiast in fraternal organizations and his visit to Salem will no doubt revive and advance the work and interest in the Salem lodge.

An "open-meeting" will be given at the opera house in the evening when several excellent addresses will be made, supplemented by literary and musical numbers. After the exercises at the opera house, the Woodmen and their families accompanied by all prospective members of the order will repair to the lodge rooms to meet Head Consul Falkenberg. The program to be rendered at the opera house is as follows:

Music—Orchestra.
Welcome address—F. E. Hodgkin.
Recitation—Aletta Irvine.
Music.

Short address—Rev. W. C. Kautner.
Introductory address—W. C. Hawley.
Address—Hon. P. A. Falkenberg.
Music—Orchestra.

Ten minutes for soliciting membership.
Chopping contest for first, second and booty prizes.

Sawing contest—Team of two, both members of the same camp, for first, second and booty prizes.

With the Athletes.
At the athletic meeting held at Monmouth Saturday, delegates were present from the Oregon State Normal school, of Monmouth, the W. U. of Salem. The proposed amendment pertaining to the order of events and individual prizes were both adopted.

At the inter-collegiate field meeting June first, second and third prizes will be awarded winners in each of the fourteen events. The first prize will consist of a gold medal, the second will be a silver one while the third will be of bronze. They are to be obtained at a total cost of \$80. This will arouse considerable competition among individual members of the teams and will make the contest much more interesting. F. E. Brown, of W. U. was appointed general manager of the field day meet. A committee consisting of Kuykendall, U. of O., Golden, O. A. C., and McCorkle, O. S. N. S., with F. A. Brown, W. U., an ex-officio member, was appointed to provide for the officers of the day and to look after other matters relating to the big meet in June.

Luncheon Meetings.
The auditorium of the First Baptist church Monday evening was filled and the attention shown was greater than usual.

The evangelist wishes to emphasize the fact that these meetings are for the benefit of all who will come especially the christian people of Salem.

The ministers of all denominations are invited to come in and take part. The Rev. Kantner was present last night and led in an opening prayer. The morning meetings have been changed to 2:30 p. m. for the convenience of those who could not attend earlier in the day.

Services each evening this week at 7:30 p. m. Last evening he showed the great love which David and Jonathan had for each other and illustrated the same with beautiful lessons he had learned under the three links, which was easily understood by all present but more vividly by the brothers in F. L. & T. This evening the great evangelist will continue the same with David's kindness to Jonathan as the foundation.

Distinguished Visitors.
Dr. Joseph F. Berry, editor of the Epworth Herald, published at Chicago and New York, arrived in Salem from Eugene on the afternoon local, and a public meeting and reception was tendered him at the Willamette university chapel at 3 o'clock, classes for the last hour at the university were dismissed this afternoon and the students attended the reception in the chapel. Music was furnished by Prof. R. A. Heritage of the music college. Dr. Berry made a short address concerning the work of the Epworth League which was followed by short talks by other distinguished Methodist clergymen. An Epworth league rally will be held at the First M. E. church commencing at 7:30 o'clock this evening at which time short addresses will be made by Dr. Berry, Dr. Gue, Dr. C. E. Locke and Dr. Fisher. Special Music has been arranged for by the church choir under direction of Prof. R. A. Heritage.

HORSE DISEASE.—It is reported that some kind of epidemic has broken out among horses east of this city. On the Lawrence Martin place one fell dead, and two on Willard Martin's place had to be put down. On Mr. Fletcher's place the same trouble seems to exist. The horses prostrate when taken out in the morning and breathe heavily.

The city of Roseburg pays \$300 for lights per month.

PROPERTY TRANSFERRED.

The Salem Motor Railway Property Changes Hands.

A deed pertaining to the ownership of the old Salem Motor Railway line was this morning filed with County Recorder F. W. Waters. By this instrument the Salem Motor railway, from one terminus at Morningside to the other at the Fair grounds, together with the iron, steel rails, etc., also lot No. 3, block 8, of Morningside addition to Salem, together with the car barn and repairing shop, road-bed, etc., located on said lot, which is conveyed subject to a mortgage thereon in favor of Fabritus Smith, is sold by Chas. Gould to the Salem Suburban Railway Company, of this city.

The deed is virtually a transfer of the property from Mr. Gould, of Portland, to the company which bid the property in at the receiver's sale. A. Mason bid the property in for the Salem Consolidated Street Railway company. In making out the deed, the receiver deeded the property to Mr. Gould, of Portland. The two roads are now under one management and are being most satisfactorily operated, rendering a faultless service.

Physical Culture.
The body is full of muscles that are never used. Let machinery lie idle and it soon rusts; why not the machinery of the body. This suggests that one should exercise all the muscles of the body in order to be healthy. One who has seen some of the workings of different systems of physical training for the purpose says there is none equal to that of Prof. Whitehorn, now giving lessons in this city. It brings into play every muscle of the body, acting upon all parts of the system in a wonderful manner. It will pay any one to investigate it. Prof. Whitehorn will begin his classes Wednesday. Apply at Cottage hotel from 2 to 3 o'clock.

This Means Business.
In the town of Roseland, B. C., they tolerate none of the cut throat rowdiness that is so marked a feature in many new mining camps. As soon as a rough or hoer strikes town he is invited out again in a manner that means business. The result is that Roseland is a quiet and business-like town, where one can live in peace and as much safety as anywhere. Quiet and comfort are also a marked feature of the excellent dining car service, of the Wisconsin Central lines, between St. Paul and Chicago. Besides this feature, passengers are loud in praise of the general ease of travel by this line and the courteous treatment by all the officials. For particulars see the nearest ticket agent or address J. C. Pond, C. P. A., Milwaukee, Wis., or Geo. S. Batty, general agent, 246 Stark street, Portland, Or.

Climate and Crop Review.

All Orchards in General Are Blooming and Prospects Fine.

From the 13th to the 17th unusually warm, clear weather prevailed. On Saturday the temperature began to fall. Sunday was cool, cloudy and threatening; rain began Sunday night and continues today. The rainfall amounts to from one to three-quarters of an inch, being greatest west of the Coast range of mountains. The highest temperatures occurred on Wednesday, Thursday and Friday, when they ranged from 82 degrees to 90 degrees, being the highest on record for the month of April. The night of minimum temperatures ranged from 42 degrees to 58 degrees. Light frosts occurred in the foothills on the morning of the 13th. The mean temperature of the week was 64 degrees.

The marked change in the weather from that which preceded the current week has had a most beneficial effect upon vegetation, and the warmth being followed by the rain of last night and of today, has been most opportune. The lowlands were in good condition to work during the latter days of the week, while the higher land was too dry. Plowing and seeding were prosecuted with the utmost vigor, every man and horse available were used, working from fourteen to sixteen hours a day, to get in a normal acreage of grain. Grass has good growth. Garden-making has been very active. Onions, lettuce, radishes, and asparagus are becoming very plentiful. Tomatoes, cabbage, and cauliflower plants are being set out; potato vines are showing above the ground, and corn is being planted.

Monday, the 19th, may be set down as the date of general blooming west of the Cascades, for bloom for apricot has fallen and apple bloom is just coming in. Lambing is about over. There has been about 75 per cent of the lambs saved. Sheep shearing has commenced; the fleeces are heavy, the wool is long and of excellent staple. The prospects for all products were never better.

The hop yards in this county are all making a fine growth and the conditions are fine for a good hop crop. The hop men are generally much encouraged and nearly all the old yards that laid over last year are again in shape and ready for training. Recent advices from New York, furnish the following description of the condition of the hop market in that center.

The business passing is still of very small magnitude. Brewers have called for some more of their early purchases and a few lots have changed hands between dealers, but nearly all of the sales seemed to be forced and further concessions have been made. The great scarcity of strictly choice Oregon hops has enabled holders to keep the price steadier than for other grades. A few sales were reported during the week to cash brewers at a little higher rate than we quote, but at the close 12 cents seems to be all that the situation warrants quoting. Leaving that quality there is a drop at once to about 10 cents for best state, and some prime Sonomas have been sold at 10 cents. From that figure downward it is wholly a matter of negotiation, and it requires strong persuasion to get buyers to look at stock. Pretty fair quality is offering at 7@8, and low-grade states are entirely nominal; can be bought down to 5 cents or less. Receipts have been light for some time past, and the holdings here are very moderate, but the inability to effect sales is the cause of the extreme depression. All the country markets are low and weak, with growers making some effort to realize on the remaining stock.
