Thomas E. Miles, of Scott's Mills, was today commissioned a notary public for Oregon.

Some person who is too cowardly to sign his name writes quite a long article from Eugene to the Salem Mitchell Newspaper abusing Gov. Lord. No reputable newspaper should publish derogatory articles without the signature of the writer attached. In this case the person speaks of "his opinion" as though he is some one whose opinion is of great weight and value. Be honorable and above-board and give us your names. It is alright to praise a man behind his back. When you want to abuse him say it to his face.

The report in The Corvallis Gazette (Mitchell Organ) that Governor Lord and Secretary of State Kincaid are not good friends is a fabrication made to order. Of course Lord and Kincaid don't agree on everything. They differ on many questions. But they are the very best of friends and are together much of the time. Men don't have to belong to same church, think alike on all questions of a social, political or economical nature in order to be friends. The "Official family" which the Gazette speaks of is composed of some of the best and most independent and individual thinkers in Oregon and to say that they always think just exactly alike would be far from a reasonable or real statement of the case.

The weather forecast for Sunday is fair and warmer. Isaac Larsen, a Russian Finn from from Umatilla county, convicted for statutory rape, the young girl being under sixteen, both being ignorant of the law and innocent of criminal intent. His sentence of five years is reduced to about one year on petition of the authorities.

ED. J. HERRON,

[With Dailey's Comedians.]

It has been some time since a metropolitan attraction carrying its own special scenic and mechanical effects has favored us with a visit and the contemplated engagement of Dailey's Comedians headed by America's great singing and dancing soubrette Lottie Williams and the imitable Ed J. Herron should be hailed with pleasure. Good hearty laughter interspersed with catchy musical specialties always find favor and when given in conjunction with such well-known mirth makers as Nutmeg Match and Hoyts famous "Bunch of Keys" there can be no doubt as to their excellence.

The organization is one of exceptional merit having been specially selected for their respective roles and Manager Dailey carries a complete equipment of special scenery and mechanical effect. The theatre patrons of this city can congratulate themselves on being accorded this happy opportunity and the demand on Tuesday morning at Patton Bros., will undoubtedly be very brisk. Manager Dailey who is here in advance of his company has been prevailed upon to play at popular prices 25 and 50 cents, and a large audience is assured. The company appear on Friday and Saturday evenings, April 30 and May 1.

## PAINE'S CELERY COMPOUND

Best Spring Remedy in the World--It Makes People Well

There is one true specific for diseases arising from a debilitated nervous system, and that is Paine's celery compound, so generally prescribed by physicians. It is probably the most remarkable remedy that the scientific research has produced. Prof. Edward E. Phelps, M. D., LL. D., of Dartmouth college first prescribed what is now known the world over as Paine's celery compound, a positive cure for dyspepsia, biliousness, liver complaint, neuralgia, rheumatism, all nervous diseases and kidney troubles. For the latter Paine's celery compound has succeeded again and again where everything else has failed.
