STATE HOUSE NEWS.
It is understood that a number of state officials will attend the funeral of Judge McArthur, tomorrow morning.
R. A. Booth, Grant's Pass, and C. G. Buckhardt, Portland, were commissioned notaries today.
MINERAL SPRINGS COLLEGE.
Crowded columns forbid an extended notice already prepared for the Cumberland Presbyterian college at Seaside, by above name. It will appear later but we want our twenty thousand readers this week to know that a very elaborate program, with able speakers from abroad, lasting from May 23 to May 28 inclusive has been prepared for commencement exercises at this young Bowdoin at the famous Linn county health resort. They have over 100 students and deserve the encouragement of all friends of higher education.

To WED.—Captain Phoebe Salisbury and Ensign H. Nelson, of the Salvation Army, are to be united in marriage on May 20th at First Methodist church. Major S. Marshall, late of Chicago, will perform the ceremony. The major will be accompanied by Staff-Captain Bigney, Adjutant Hudspeth and Washburn, Ensign Chapple and Captain Welby. Other visiting officers and soldiers are expected.

HOUSE CLEANING.—The house-keepers of Salem are now in the throes of spring clean-ups, and many a home is being literally turned inside out when all is settled down they will want some new dishes to complete their supply. Remember that John G. Wright, is slaughtering his mammoth stock of crockery and glassware at his own price. 5-12-26

AN EXPENSIVE FIRE.—This morning's fire was rather an expensive one but the fire found at the end of a La Corona cigar is indeed inexpensive when the amount of genuine pleasure and comfort it affords the smoker is considered.
Standard oil stock is rising. Next oil will jump up. The farmers have crops in sight and have money to burn.

AN EARLY MORNING FIRE.

The Notorious Bell Tower Residence Completely Gutted.

The building, most familiarly known as the notorious bell-tower den, which for several years past has been occupied by members of the "soiled dove" fraternity of Salem and vicinity, was completely gutted by fire at an early hour this morning. The house was located on Liberty street near Court.

The fire was first discovered about 2:30 o'clock when a general fire alarm was turned in to which the fire department promptly responded. The fire had been burning for several hours before breaking out, from the fact that the building was tightly closed and the tenants were out. The fire department kept the flames from spreading to adjoining buildings that were quite close to the burning structure. The flames were soon extinguished but the building is a total loss.

The building was owned by E. M. La Fore and was insured with E. F. Parkhurst, for \$300. The furniture was insured for \$700 with Chas. D. Gabrielson. The policy was written for the benefit of a party holding a claim on the furniture.

"Not Exactly Right."
Thousands of people are in this condition. They are not sick and yet they are by no means well. A single bottle of Hood's Sarsaparilla would do them a world of good. It would tone the stomach, create an appetite, purify and enrich the blood and give wonderful vigor and vitality. Now is the time to take it.
Hood's Pills cure nausea, sick headache, indigestion, biliousness. All druggists, 25c.

Union Bimetallic Club.

The Salem Union Bimetallic club met at its new club room, Saturday evening, on Court street, with the largest attendance so far.

There was an excellent literary and musical program and afterwards a discussion of what constitutes scientific money. There was a large attendance of ladies and the interest is growing in the organization.
The discussion, "What is Scientific Money," has been continued and by special request the People's party leaders will be invited to participate on next Saturday evening.

THE FRUIT CROP.—A writer of this paper spent Tuesday afternoon out on the garden road inspecting the strawberry crop, the fruit trees and potato patches. We have many notes on the situation, but for lack of space will only say in general that there will be a good crop of pears. There will not be a fourth of a crop of prunes, cherries and apples. There will not be over a half crop of strawberries. Currents, gooseberries and raspberries will yield enormous, but blackberries are severely thinned out.

Attorney G. G. Bingham, who was employed by the finance committee in the matter of collecting the money lost in the Williams & England bank failure, made the following report to said committee, and upon motion of Mr. Parkhurst the committee was given one week's time to act.

THE REPORT.
"I have had several interviews with Mr. Baker and with Mr. Swafford concerning the payment to the city of the balance due from Mr. Swafford as city treasurer. I have made every effort possible to induce Messrs. Swafford and Baker to settle with the city and to pay into the city treasury the amount due from Mr. Swafford, but so far without success. I am of the opinion that Mr. Baker, the only solvent party to the treasurer's undertaking, will not pay until he is compelled to do so by process of law, and I am further of the opinion that it will be necessary to commence an action against Mr. Swafford and his sureties before payment will be made, and as the next term of our circuit court will convene on the second Monday in June I would recommend that such steps be taken that the same can be brought to a hearing at that term of our court. In my judgment there is no question but what the city can secure a judgment against Mr. Swafford and his sureties."

Mayor Richardson suggested that it was now in order to elect a successor to C. H. Simpson, late councilman, when Mr. Parkhurst moved an informal ballot, which was taken with the following result:
Lee McGrew.....4
F. R. Anson.....2
Blank.....1
Mr. Parkhurst moved that the vote be made formal, and that Mr. McGrew be declared elected, but such action was declared out of order, when a formal ballot was taken with the following results:
McGrew.....5
Anson.....1
Blank.....1
The following resolution was read, and Mr. Parkhurst moved its adoption: "Be it resolved that for good and sufficient cause, the office of street commissioner be declared vacant."
Although it was not made known who introduced the resolution, it was carried without dissent.

Wm. P. Ross applied for position of janitor of the city hall. Mr. Graham moved that the mayor be empowered to appoint a man to the place. Mr. Holman suggested that the council had at its last meeting voted not to employ a janitor. The motion was voted down.

George R. Baker petition for relief from the viciousness of his neighbor's (Chas. Minton's) bees. Referred.

Petition of M. E. church trustees to remove their hitching chains north of the west end of Wilson avenue. Granted.

The mayor called attention to a filthy nuisance complained of by Geo. F. Smith. Referred.

Upon suggestion of the mayor the council proceeded to the election of a street commissioner with the result that S. A. Riggs received the unanimous vote, and was declared elected. An ordinance was read charging insurance agents a license fee of \$10 per quarter. Referred.

A similar ordinance taxing pawn brokers \$10 per quarter was also read and referred.

The dog ordinance was read and also referred.

Further time was asked by the committee to whom was referred the ordinance granting a franchise to the Silver Falls water and power company. An ordinance providing for the regulation of plumbers and licensing the same, also providing for a board of examiners and inspector, was referred.

MEASLES.—Walter Davis has just recovered from a severe attack of measles. Miss Anna Judson, of South Salem, is suffering an attack of the prevailing ailment. Ralph Watson, of New Park, will be about in a few days, after a two weeks illness occasioned by the measles.

BISHOP DUBBS IN SALEM.

The Reverend Gentleman Delivered An Eloquent Sermon Last Evening.
The handsome church edifice of the First United Evangelical denomination on Cottage street last evening was comfortably filled in response to the general announcement that Bishop Dubbs, of Chicago, would be present on that occasion and deliver an address.

After a few songs and a beautiful anthem by a choir of young people, the learned divine announced his text. "He that is not with me is against me."

Bishop Dubbs is one of the most eloquent and learned ministers of his denomination.

A number of the dangers sure to follow in taking a neutral stand were discussed briefly.

The address was an especially practical one and the speaker made a profound impression on his hearers in presenting the plain gospel in a manner that could not be mis-construed. Concluding his address, Bishop Dubbs gave the members of the local denomination every reason to be hopeful. He brought most encouraging reports from other sections of the country indicating a decided increase in the membership of the denomination and the financial condition of the church to be in a most satisfactory condition.

This is the fourteenth tour of the Pacific coast made by the bishop, and it may possibly prove the last one. Today Bishop Dubbs went to Mission Bottom, and on Sunday next he will dedicate a handsome church edifice in San Francisco.

RESOLUTIONS OF RESPECT

Passed by the City Council for a Late Alderman.

Whereas, By the death of Alderman C. H. Simpson, the city of Salem has lost an estimable citizen and the city council a valued member; therefore be it

Resolved, That this council in regular convention assembled hereby express our sincere regret at his untimely departure and take this means of extending our sympathy to his bereaved family.

"We affirm that in his death the common council of the city of Salem has lost a member whose services have been of great value, not only to us individuals but to the entire city, and we thus affirm our estimate of him, say that in his decease we have lost an able associate and kind friend, and we desire now, unanimously, to record our opinion of his worth and pay tribute to his memory.
"And we request that this tribute be spread upon the records of the proceedings of this council, and that a certified copy thereof be presented to the family and also to the press, of the city.
