MEMORIAL DAY

Fittingly Observed at Salem.

Flowers Are Strewn Over the Graves of Patriots.

The threatened rain of the past few days placed itself in evidence early Sunday morning and up to the hour for the morning church services copious showers fell. The rainfall of the morning was sufficient to prevent those who wished to visit the cemetery before the dinner hour and deposit floral pieces on the graves of loved ones.

Flags at the state capital, the court house, public school buildings and business houses and private residences were placed at half mast after the usual custom. Services at the churches Sunday morning and evening were in harmony with the occasion.

MEMORIAL DAY SERVICES.

The regular Memorial day services were held at the Unity church Sunday, commencing at 10:30 a. m. At the appointed hour about fifty members of the Relief Corps followed by fully seventy-five members of the Sedgwick Post, No. 10, G. A. R. arrived at the church and took the seats that had been assigned them.

The address by Rev. W. E. Copeland was an able effort and a truly patriotic one. He spoke of the necessity of cultivating patriotism. We are now confronted with perils equally as great as those of 1860.

Reaching the cemetery, the Indian War Veterans repaired to that part of the cemetery where are buried the remains of Capt. Bennett and other members of that brave company. There services were conducted. The remainder of the procession continued on the G. A. R. lots where the beautiful Memorial ritual of that organization was again carried out.

composed by Mrs. W. H. Osborn and the music by Prof. Z. M. Parvin. The address by Rev. Denton was a patriotic one and inspired the auditors with a more fervent devotion to the land of the brave and the home of the free.

TODAY'S PROCEEDINGS. Today opened with the sky covered with light fleeting clouds threatening rain but happily no heavy downpour occurred to mar the days pleasures or to interfere with the exercises of the day.

The pupils of the Chemawa Indian Training school decorated the graves in the school cemetery, this morning, and turned out in full force to assist in the exercises, in this city, this afternoon. As usual the school band made a good appearance and elicited many complimentary remarks.

Business houses, banks and nearly all offices were closed this afternoon and the city had the appearance of a Sunday. The whole populace of the Capital turned out to do honor to the dead and show their patriotism and loyalty to their country and the flag.

Promptly at 1 o'clock the procession began to form at the intersection of Chemeketa and Commercial streets, the different organizations and fraternal societies taking their places as assigned.

The streets were thickly lined with Salemites and a large number of people residing in the immediate vicinity of Salem. The attendance was unusually large. Shortly after 1:30 o'clock the procession started, headed by Chief Marshal F. B. Southwick accompanied by the Aldes, The Second Regiment band, under the leadership of J. R. Parvin, followed by Companies B and I, Second Regiment O. N. G., Major Percy Willis commanding.

A carriage containing Gov. and Mrs. W. P. Lord and Dr. G. M. Gue, of Portland, who speaks at the Reed building, was followed by a company of Yew Park Zouaves, Capt. W. P. Ross commanding. Sedgwick Post No. 10 G. A. R. seventy strong was next in the procession closely followed by the W. R. C. to the number of twenty-four. The Chemawa Indian school band and one hundred cadets were next in order of line of march and made a fine appearance.

A carriage occupied by Mrs. H. B. Holland, Miss Georgia Davenport, J. R. Davis and Capt. Gordon who furnished music for the exercises conducted by the Indian War Veterans at the cemetery, followed in the procession.

Eleven Indian War Veterans under command of Capt. T. B. Waite followed on horseback. Fully fifty carriages and other vehicles followed, making the procession quite lengthy, it requiring several moments to pass a given point.

Reaching the cemetery, the Indian War Veterans repaired to that part of the cemetery where are buried the remains of Capt. Bennett and other members of that brave company. There services were conducted. The remainder of the procession continued on the G. A. R. lots where the beautiful Memorial ritual of that organization was again carried out.

NOTES ON THE DAY.

The prettiest feature of the procession was comrade Ross's Zouaves, a company of 25 boys of the Park school. They carried off the honors at the exercises Friday in their beautiful suits and skillful handling of their arms and again in the parade today. All honor to Drillmaster Riss, and the boys.

Rev. G. W. Gue, of Portland, who speaks at the Reed tonight comes of an historical Iowa family, one of whom was governor of Iowa, and a trusted friend and counsellor of the immortal John Brown of Ossawatimie.

Comrade Batchelor paid a deserved tribute by depositing a glorious floral piece and making some appropriate remarks in memory of the noble women of the north who went to the front and took care of the sick and wounded soldiers during the war. They had never been remembered before on this occasion.

Mrs. H. B. Holland's rendition of that immortal song, "The Red, White and Blue" was one of the marked features of the Memorial program at Unity church; as was also Miss Copeland's beautiful dirge song, "The Blue and the Gray." It brought tears to the eyes of many. Mrs. Carey Martin's "Columbia" and Prof. Parvin's "The Volunteer's Grave" were appropriate and well received.

B. F. Berry, one of the veterans, while standing in the feed yards on High street near State, about 1 o'clock this afternoon was severely kicked by a horse. Mr. Berry was struck on the left leg mid-way between the knee and thigh. And for a time feared he had sustained a fracture of that limb but fortunately the blow was not a serious one.

The Salem & Suburban Railway Company's cars were heavily taxed during the afternoon in transporting the crowd to and from the cemetery. But the crowd was very satisfactorily handled with not the slightest accident.

The only float appearing in the procession was one prepared for the occasion by the Indian War Veterans. It represented the "stretcher" that

was exclusively used in removing the wounded from the battle field during their encounters with the Indians in the mountains and other wild regions where the shrubbery was so dense and paths so uncertain that it was necessary to remove the wounded in these "stretchers" that were supported by two horses, raised over the "stretchers" were the initials "W. V." formed with beautiful evergreen.

AT WARREN CEMETERY. At the Warren cemetery, eleven miles east of the city, some good work was done Saturday in honor of Memorial day. A committee of the whole, under command of the Warren family. About a hundred people of the neighborhood assembled and thoroughly cleaned up the cemetery. Individuals looked after their own lots, and all turned in to make a general clean-up. After the other work was done the graves were beautifully decorated by the ladies and gentlemen.

The ladies then spread an elaborate luncheon, which was enjoyed by all. This was certainly a praise-worthy undertaking and one which should become contagious. It will probably be kept up from year to year.

AT THE SCHOOLS.

The public school pupils assembled at their respective school buildings this morning as usual bringing with them bouquets of flowers to be used in decorating the graves. The pupils were dismissed immediately after with the exception of the graduating class which was detained that the report cards for term might be distributed. The announcement was also made that the final examinations would be concluded this week, written arithmetic will be examined Tuesday, grammar on Wednesday and civil government on Thursday.

TONIGHT'S PROGRAM.

The program to be carried out at the Reed this evening commencing at 8 o'clock, is as follows:

- 1—Song. 2—Flag drill. Park School 3—The Soldier's Cradle Hymn. Dolly Mead 4—Memorial exercises. Pupils of Lincoln School 5—Why He Wouldn't Sell the Farm. Bessie Buckingham 6—Decoration Day drill, North School 7—Song. Pupils of the East School 8—Recitation. Miss Adda Pugh 9—Song. Cardinal Quartet 10—Recitation. Musa Geer 11—Song. Prof. Heritage 12—Address. By Comrade G. W. Gue, of Portland

The outbuildings of J. J. Henderson, a prosperous farmer and ex-county commissioner of McMinnville, burned Thursday. The barn contained 60 tons of hay. The barn was insured for \$2600. The fire was set by some one is generally believed.

Free Spectacles:

It is unnecessary to ask if the people want them. Of course they do but I don't know who is giving them away. I probably come nearer making presents in this line than anyone else as the following will demonstrate. I believe that in my spectacles is embodied all that is possible in workmanship material and quality. A spectacle catering to the wants of the most exacting and fully guaranteed, the best glasses in existence \$1.50 to \$2.50. Cheap ones 25c. to \$1.50. Your eyes tested free.

CHURCH ORGANIZED.—Rev. C. E. Kiewer, of the German Baptist church, and about a score of his parishioners were in Albany Sunday where they organized a church of that denomination. The Sacrament of baptism was administered to five persons.

Who opened that bottle of HIRES Rootbeer? The popping of a cork from a bottle of Hires is a signal of good health and pleasure. A sound the old folks like to hear—the children can't resist it. HIRES Rootbeer is composed of the very ingredients the system requires. Aiding the digestion, soothing the nerves, purifying the blood. A temperance drink for temperance people.

bute to women whose ministrations on the battle field and in the hospital so alleviated the sufferings of the wounded soldier. Was pleased to see the work that was now being done by the W. R. C. for the comfort of old comrades. The old soldier should be revered for what he has done. It is for the younger generation to see to it that the union remains the land of the brave and the home of the free.

The church was beautifully decorated with flags for the occasion. Muskets and other emblems of war were placed upon the platform while to the rear of the speaker and the choir were a number of flags. In the other end of the main auditorium and suspended from the gallery was a large army flag dust and smoke-stained having evidently seen many battles. "THE SOLDIERY OF THE NATION."

The main auditorium and gallery of the First Christian church were crowded last evening, when the pastor, Rev. H. A. Denton delivered an address on the "Soldiery of the Nation." Companies B and I, O. N. G., accompanied by the Second Regiment band, attended the services in a body and occupied seats in the main body of the church that had been reserved for them. Arriving at the church the band played a beautiful selection. Preceding the address the choir rendered a selection appropriate to the occasion, the words of which were
