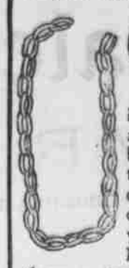
Broken Chain



The family circle is never so happy after the chain is broken and a link taken. Some family chains are strong, others weak. Have you a good family history? Or is there a tendency to coughs, throat or bronchial troubles, weak lungs? Has a brother, sister, parent or near relative had consumption? Then your family chain is weak. Strengthen it. Take SCOTT'S EMULSION of Cod-liver Oil with Hypophosphites. It makes rich blood, gives strength and vigor to weak lungs and run-down constitutions. With its aid the system throws off acute coughs and colds. It prevents the chain from breaking.

A bill for an ordinance to provide for taxing and killing dogs.

Be It Ordained by the Common Council of the City of Salem:

Section 1. It is hereby made unlawful for any person or persons to keep a dog or dogs, within the limits of the city of Salem, of the age of more than four months unless the owner or keeper of such dog, or dogs, shall procure from the city marshal a license for each dog as in this ordinance provided.

Section 2. The owner or person having in charge any dog kept or owned within the city of Salem, shall on or before the first day of June in each year, pay to the city marshal the sum of $1 50 in gold or silver coin of the United States of America for each and every male dog, and each spayed female dog, and the sum of $3 for each and every slut or female dog (not spayed) so kept or owned by him, which shall entitle him to a receipt from such city marshal, disignating the owner's name and the number of the license, which number shall correspond with the number on the tag which said owner or keeper shall place on each dog at his own expense.

Section 3. It shall be the duty of the city marshal of the city of Salem, or any one appointed by said city marshal, and he is hereby authorized to seize, impound and sell or kill and bury any and all dogs, sluts or spayed sluts found by him within the limits of the city of Salem, Oregon, the owner or owners of which have failed to procure and pay for a license as provided in section 2 of this ordinance. Upon the taking up and impounding any such animal the city marshal shall post a notice on the city bulletin board and shall send a similar notice to the owner of such dog, slut or spayed slut, if the name of such owner and his address is known. Such notice shall state that unless the owner of such animal, or other persons having an interest therein, shall claim posession of the same and pay all fees and charges of impounding, keeping and posting the same, together with the sum due to the city for license thereon as here inbefore provided, within five days from the date of such notice, the city marshal will proceed to sell the said animal at a time and place theretn named, not less than five nor more than ten days from the date thereof, to the highest bidder for cash. Such sales shall be public, and shall be held at the city pound and no bid shall in any case be received for any animal for a sum less than the fees of impounding, advertising, keeping and selling the same, together with an amount sufficient to procure a license for the said animal, for which last amount the purchaser or owner shall receive a license upon such animal for the current license year.

The city marshal shall be entitled to charge for impounding, posting notices and selling such animal a fee of $1.50 for each male dog and a fee of $3 for each female dog or spayed slut, and for keeping such animals the sum of 25 cents per day.

In case a sufficient amount is not bid for any animal to pay all fees, charges and license fee upon the same the city marshal may, at his discretion, adjourn such sale from day to day, not more than three days in all, or if no sufficient bid is made for any animal, the city marshal is empowered, authorized and instructed to kill and bury the same at his own expense.

Section 4. CONGRESSIONAL.

Progress of the Tariff Bill.

The Sugar Schedule Reached Nominations and Appointments.

WASHINGTON, June 7.—When the senate laid aside the tariff bill Saturday it had reached the sugar schedule, which has been the subject of so much interest and conflict.

During the day, many of the paragraphs of the wood schedule had been agreed to, but that restoring white pine lumber to the dutiale list at $2 per 1000 provided the greatest stumbling block encountered since the debate bagan. It led to an extended debate, during which a wide divergence of views was developed on the Democratic side of the chamber.

Bacon gave his suprort to the committee rates, saying it was essential to the lumber industry of the South. He also spoke in favor of a revenue tariff so adjusted as to give equal benefits to all industries. Bacon and Vest clashed several times on tariff doctrines. Vest expressing his regret that a Democratic chairman would aid in restoring to the dutiable list one of the three products—lumber, salt and wool—which the Wilson bill put on the free list.

Clay also spoke at length on the tariff bill, criticising the sugar schedule and other features of the bill.

APPOINTMENTS.

The following were among the nominations sent to the senate.

State—Andrew D. Barlow, of Missouri, to be consul-general at the City of Mexico.

Justice—Louis A. Bradt, of Wisconsin, to be assistant attorney-general.

War—Lieutenant-colonels to be colonels: H. E. Noyes, second cavalry; Guy V. Henry, third cavalry; John I. Rogers, second artillery. Also a large number of minor promotions in the army.

CONFIRMATIONS.

The senate confirmed the following nominations:

Miguel A Otero, to be governor of New Mexico.

G. H. Wallace, to be secretary of New Mexico.

W. H. Jenkins, to be secretary of Oklahoma.

C. H. Akers, to be secretary of Arizona territory.

Nathaniel Barnes, to be postmaster at Kansas City, Kan.

ARMY ORDERS.

Captain Herbert J. Slocum, Seventh cavalry, has been ordered to report for duty to the commanding general of the District of Columbia National Guard.

First Lieutenant J. F. Reynolds, First cavalry, has been detached from duty at headquarters in the department of California, and ordered to his regiment at Fort Riley Kansas.

A board of officers, headed by Major Charles Hobart, Fifteenth infantry, has been ordered to report at Fort Grant, Arizona, for the examination for promotion to second lieutenants of the following: Thomas M. Corcoran, Seventh cavalry; R. J. Fleming, Seventh cavalry; E. W. Winans, Fifth cavalry; H. J. Kirch, Fifteenth infantry, and R. L. Bush, Fifteenth infantry.

First lieutenant G. T. Langhorne, First cavalry, has been relieved from duty at headquarters in the department of Colorado.

POWDER FOR SALUTING PURPOSES

Bids have been opened at the war department for suppling about 200,000 pounds of gunpowder for saluting purposes, for state, coast, field and siege artillary, with the following result:

Bernard Pyton, of California, for powder delivered at Benecia arsenal, 9 cents per pound; Laflin & Randall, delivered at Benecia, Cal., 9.9 cents per pound; at Rock Island and Dover, N. J., 8 8-15 cents; Dupont, Nemours & Co., delivered to Benecia, 10 3-4 cents per pound; at Rock Island and Dover, 8.85.

GETS AN OFFICE.

Max Pracht gets an office. He was reinstated as special agent of the treasury department to get around the civil service law. He was transferred and made a special agent of the general land office, and Hermann will send him to Oregon. It is not governor of Alaska, but it is something.

LITERARY NEWS.

The June Ladies' Home Journal presents an infinite variety of strikingly interesting, timely and practical features. It opens with an article by William George Jordan on "What Victoria Has Seen," which graphically recounts the progress of the world in the past 60 years, since the coronation of the English sovereign. Coming on the eve of the Queen's Jubilee it is especially timely.

Mr. Howells has just finished, for the American Book company, a volume entitled "Ohio Stories," to make one of a series to which Mr. Frank Stockton is to contribute "New Jersey Stories," and Mr Joel Chandler Harris "Georgia Stories."

The Overland Monthly announces the radical step of a reduction in the price from $3 to $1 a year. The Overland, published in San Francisco, has long been the recognized exponent of the West coast and is its arbiter on matters of history, literature and general interest.

The August number of The Outlook will be its annual educational number. It will contain several features of special interest to teachers and students.

We have in "The Spirit of an Illinois Town, and The Little Renault," two stories of Illinois at different periods, by Mary Hartwell Catherwood, whose previous works of fiction have shown her readers the kind of talent that she possesses and the times and places that seem best adapted to her successful use of it. One of the most delightful books ever written on the American golden age of pioneerdom is "Old Kaskaskia" from her pen. Her publishers are Houghton, Mifflin & Company.

Messrs. Maynard, Merrill & Company, New York, have in press for immediate publication "The Young American," by Dr. Harry Pratt Judson, professor of political science in the University of Chicago. The book is intended for supplementary reading in schools.

The Outlook will before long print two more papers by Ian Maclaren in his series of "American Impressions." The second article in this series—that on "Good Manners"—has been very widely quoted, and has everywhere been recognized as a rather exceptional bit of appreciation by a foreign visitor of commendable traits in American social life. It is remarkable fact that a man never appreciates the sufferings of others until he himself, has passed through the fire of pain or remorse. Then it is that he looks around for those who are suffering; he wants them to profit by his experience; he gives his time and

money gladly for the benefit and never tires of his zeal. There are plenty of men weak and worn out, struggling with remorse and fear, and the natural outcome of habits that brought incapacity; a sense of lonesomeness and a feeling as if the best side of life had been banished forever. Such men should write to Thomas Slater, Box 390, Kalamazoo, Mich. He will send free of charge by mail, in a plain sealed envelope full particulars about the method he used, and this will enable any man to get a complete cure at home. It is the method Mr. Slater used to cure himself of the troubles that sap the strenght and vigor. The cure was so complete, so satisifying and such a wonderful change from his former condition that he will gladly tell others all about it, sending all particulars. He figures that he doesn't know of a better way to show his appreciation of his own cure and the sufferings of others. There must be generous men in this world to off-set the tide of avarice. Write to Mr. Slater—it will cost nothing for his description and method
