

The decrease in the assessed valuation of the property in Oregon since the repeal of the Sherman purchasing clause in the bill regulating the coinage of silver has been over \$66,000,000. These are not trumped up figures but can be seen in a moment by comparing the official tables used annually to make the state tax levy. Calculate for yourself. The decrease is the assessed valuation of property in Oregon in three years has been over \$50,000,000. Multiply this by forty-five for the number of states in the union. Then multiply this by the average amount per cent which the other states exceed Oregon in amount of property and you will have the effect of the gold standard on this country during the last three or four years. It makes quite a neat little sum which has been added to the Rothschilds and others who hold the gold. But the nation's honor must be maintained. And the very people who are grumbling about the decrease in the value of their property walked up to the poles last November and voted for four more years of decrease. Shrewd men are not investing in property. They are putting their money all into gold. Gold is the stuff. It don't decrease. And the gold men say it don't increase, that the property just decreases away from it and that virtually does not make the gold any more valuable. In other words gold just gets so that it will buy more and more all the time without increasing in value. It becomes more precious but does not increase. "Gold is always the same." The same amount of gold today will buy twice as much land right here in Salem as it would three years ago but the gold "is no more valuable." "You see, the gold cannot increase in value. It's the property that has decreased and so you are convinced that the silver man is crazy when he says that the gold has virtually increased its purchasing power."

"I tell you what, it requires a sound mind to comprehend the difference between the decrease in property value and the increase in gold but there is a g-r-e-a-t difference and one which only a sound mind could see. It would be a good thing to erect an asylum for the confinement of all these crazy fools who think that gold is increasing in value and will buy more today than three years ago. Gold can never increase." It just buys more without increasing. The Eugene Guard ably exposes this idea:

"Silver is now quoted at 63 cents an ounce with the mints of Japan and Peru closed against it. It is not now a 50-cent, but a 40-cent dollar and the gold dollar measured by the value of real estate, produce and human labor is worth 229 cents. The scales are rapidly falling from the eyes of many of the blinded followers of the single gold standard and they are beginning to realize that they have been duped. It has been an anxiety of human progress that when barbarous or semi-

barbarous nations adopted a certain course of action, civilized nations dropped it and took another step forward. It would seem by this rule that the time has come to drop the gold standard and take a step forward by the adoption of a bimetallic standard of monetary value.

The Astoria Budget says: The city fathers—but not all of them, thank God—have dropped on a new scheme. They have given the lash to nearly everybody else in the city and now they propose to give it to women, and little boys and girls who have house pets and poodles. They are going to pass a law to exterminate them. Nuisance as well imposed on the thousands of children that play out of doors. They are three times the nuisance that dogs are, and make more disturbance. When they get rid of the dogs, they will doubtless tackle the tom cats and kittens, the canary birds etc. Great heavens, what next?

The rumor reaches the X-ray man of THE JOURNAL that Col Alley, the great gold advocate of the Baker City Republican, who by reason of his army record holds a position on the board of trustees of the soldiers home, was never a colonel in the army. Will some one come forward and clear up this matter? Colonel Alley is a shining light in the Republican party and some of his gold standard friends should see that his army record is not mis-stated. He doubtless was a brave fighter in the late war of the rebellion and doubtless led many deadly charges on the enemy and to have some irresponsible person asserting that he never was a colonel is the basest slander. Some of the colonel's gold standard friends should look this matter up at once. We never like to have a word thrown on the fair record of a Colonel.

If a flowering plant does not blossom, there's a little beauty in it. If it is sick and faded and withered and lifeless, nobody cares for it. It falls short of its object in being. It is incomplete—unfinished.

Times without number women have been likened to flowers—and rightly. But what of her whose physical condition corresponds with the blossoming of a plant? What of the woman whose weakness has made not wholly and wholesomely a woman? Many things lead to derangement of a woman's delicate organism. It may be due to carelessness. It may be due to ignorance fostered by mistaken parents on the plea of preserving modesty.

ORDINANCE NO. 342.

A bill for an ordinance to provide for taxing and killing dogs. Be It Enacted by the Common Council of the City of Salem:

Section 1. It is hereby made unlawful for any person or persons to keep a dog or dogs, within the limits of the city of Salem, of the age of more than four months unless the owner or keeper of such dog, or dogs, shall procure from the city marshal a license for each dog as in this ordinance provided.

Section 2. The owner or person having in charge any dog kept or owned within the city of Salem, shall on or before the first day of June in each year, pay to the city marshal the sum of \$1.50 in gold or silver coin of the United States of America for each and every male dog, and each spayed female dog, and the sum of \$1 for each and every slut or female dog (not spayed) so kept or owned by him, which shall entitle him to a receipt from such city marshal, designating the owner's name and the number of the license, which number shall correspond with the number on the tag which said owner or keeper shall place on each dog at his own expense.

Section 3. It shall be the duty of the city marshal of the city of Salem, or any one appointed by said city marshal, and he is hereby authorized to seize, impound and sell or kill and bury any and all dogs, sluts or spayed sluts found by him within the limits of the city of Salem, Oregon, the owner or owners of which have failed to procure and pay for a license as provided in section 2 of this ordinance. Upon the taking up and impounding any such animal the city marshal shall post a notice on the city bulletin board and shall send a similar notice to the owner of such dog, slut or spayed slut, if the name of such owner and his address is known. Such notice shall state that unless the owner of such animal, or other persons having an interest therein, shall claim possession of the same and pay all fees and charges of impounding, keeping and disposing the same, together with the sum due to the city for license thereon as here in before provided, within five days from the date of such notice, the city marshal will proceed to sell the said animal at a time and place therein named, not less than five nor more than ten days from the date thereof, to the highest bidder for cash. Such sales shall be public, and shall be held at the city pound and no bid shall in any case be received for any animal for a sum less than the fees of impounding, advertising, keeping and selling the same, together with an amount sufficient to procure a license for the said animal, for which last amount the purchaser or owner shall receive a license upon such animal for the current license year.

The city marshal shall be entitled to charge for impounding, posting notices and selling such animal a fee of \$1.50 for each male dog, and a fee of \$1 for each female dog or spayed slut, and for keeping such animals the sum of 25 cents per day.

In case a sufficient amount is not bid for any animal to pay all fees, charges and license fee upon the same the city marshal may, at his discretion, adjourn such sale from day to day, not more than three days in all, or if no sufficient bid is made for any animal, the city marshal is empowered, authorized and instructed to kill and bury the same at his own expense.

Section 4. No slut or female dog in time of heat, or vicious or mad dog, shall be permitted to run or be upon the public streets or alleys of the city of Salem, whether licensed or not, unless securely muzzled or led by a rope or chain by the owner or keeper thereof, and it shall be lawful for any person to kill any such dog, slut or spayed slut so found at large; and the owner or keeper of any such dog, slut or spayed slut permitting the said dog, slut or spayed slut to be at large in violation of the provisions of this section shall, upon conviction thereof before the city recorder, be fined not less than \$10 nor more than \$50 and be imprisoned until such fine be paid, not exceeding twenty-five days.

Section 5. All dogs, sluts, or spayed sluts more than four months old found within the limits of the city of Salem without a license tag thereon, are hereby declared to be a public nuisance, and any person or inhabitant of the city of Salem who shall keep a dog, or dogs, slut or spayed slut within the limits of the city of Salem without first having paid the license required therefor by this ordinance, and having the number thereof stamped or engraved upon a collar upon such dog, slut or spayed slut, as hereinbefore provided, or who shall cause or permit a collar and number to be put on a dog, slut or spayed slut, with intent to avoid the payment of a license therefor, shall, upon conviction of such offense before the city recorder, be subject to a fine of not less than \$10 nor more than \$50, or be imprisoned not less than five nor more than twenty-five days.

Section 6. Any person or persons who shall harm or molest the city marshal, or any person regularly appointed by him, wearing a policeman's star, who is engaged in seizing any dog, slut or spayed slut or killing the same, according to the provisions of this ordinance, upon conviction thereof before the city recorder, shall be fined in a sum not less than \$5 nor more than \$50, or by imprisonment in the city jail not less than five nor more than twenty-five days.

Section 7. All ordinances and parts of ordinances in conflict herewith are hereby repealed.
