UNION.

The Case of the People.

A Ringing Letter From Commander Cooper.

THE JOURNAL is in receipt of many letters from Silver men, Democrats, Populists, advocates and opponents of Union. We cannot print all but compile a few below for our readers. The Union cause to succeed must be a people's movement. It cannot succeed otherwise because the people are party ridden now, and they are not clamoring for a new party, so much as for new methods. It is estimated that in twenty years Oregon has produced $300,000,000 of wealth in the last twenty years and but very small proportion of this has been kept in the state. The result of government by the old party method has been to impoverish the people and heap up wealth in the money centers. So now it is proposed to start a new party movement with direct responsibility to the people. We commend the following letters:

AN UNION BATTLE CRY.

State Chairman Cooper writes:

Here in Yamhill we will give the Populists all the committees if they want them. Our Populists are patriotic and can be trusted with the whole business, and they are certainly as good in other places as here.

The intention of the organizing committee at the conference was to divide the members of the committees equally between the factions. It would be a good plan to make all members of the Populist and Democratic county and precinct committeemen, members of the Union committees, provided they favor a union of the people at the primaries. This is the rock on which we build and the thunders of fusion and dissension cannot prevail against it. Union of the people at the primaries. The primaries are the bulwark of popular government.

Another vital principle is the proposition of leaving all party management to the people at the primaries. No other party has ever offered so completely to put the government of affairs into the hands of the people, as the Union party. This proposition is far more sweeping in its thoroughness than one would think, until they investigate it. No more bosses, no more rings. When once organized, the Union party will be the most powerful, effective and speedy way of expressing and enforcing the will of the people yet devised. If there is a Democrat who believes in equal rights to all and special privileges to none, and opposes this, he is not a Democrat. If there is a Populist who believes in the initiative and referendum, and opposes this he is not a Populist.

The Union party has started in to fight the battle of the century. While many may have professed a devotion for the people, the Union party has established this rock on which they can build with the utmost confidence. Primary and direct control of all party and state affairs, by primaries. The battle cry of the Union party is ONTO THE PRIMARIES. And no other proposition will be considered. To the primaries for nominations, to the primaries for party management and to the primaries for your laws.

Push for the primaries with all your energy. Let speakers and writers ring out the cry, let the people join in the refrain until the mountains understand that the people intend to be heard. Don't let any other matter come in the way.

JOSEPHINE COUNTY.

Union Chairman Brownell writes that he has called a mass convention for county organization, June 16. He says the Populists there take a deep interest in the Union movement. "They are patriotic and declared themselves ready to support principle in preference to men or party."

CLATSOP COUNTY.

O. W. Dunbar, as county committee man, has thrown himself and his paper into the fight for the Union party. He writes that the Union organization is being pushed. The Daily and Weekly Budget are redhot for the Union.

FROM LANE COUNTY.

S. C. Sparks writes from Blue river, June 12:

In your issue of 10th under the caption of Populists of Lane county. Now Mr. Editor I consider the report sent out through the Eugene Guard very unfair and misleading. In fact the middle of the roaders were in the majority and a middle of the road proposition was not voted down as reported in the Guard. But on the contrary a motion on the part of the fusion elements was voted down, and finally the motion to indorse the action of the state Centeral committee was laid on the table, until the next meeting not because the sentiment of the meeting opposed the action of the Centeral committee. But in order that a full and fair expression might be reached from the party of Lane county.

The Eugene Guard has always opposed Populist principles, which it has a perfect right to do.

But has no right to misrepresent the action taken by its members in these meetings.

Down to money the Guard will endorse the Union party platform, and yet that platform is pure middle of the road doctrine.

The fiat of the Populist party is becoming very popular: all that is necessary is to label it something other than Populist, so be it, a true Populist wants is that these declarations of principles be enacted into law. And nothing short of that will satisfy the party.

I say amen to the Union party when you insert the initiative in your platform, through a union convention.

DESTROY THE OLD PARTIES.

W. H. Black, editor of the official organ of the People's party at Hillsboro writes:

All will agree that if the reform forces win a victory over the combined forces of plutocracy in 1900, it will be necessary to unite them in one solid body. If there is a division the battle will be lost to humanity, and liberty will be lost and a dark age will again settle down on the people of the world. In the light of this fact the union of forces becomes a consideration of vital importance, for on its consummation perhaps hangs the destiny of civilization.

Why then are the people divided. There is but one answer to this question, and it is this: The reform forces are divided today because they find themselves in political party corrals which they have built around themselves. These people have come to love their respective pens with their great high walls of prejudice. It is the party walls that is keeping the people apart. The Democratic and People's parties are becoming prisons where the voters will be tied hand and foot and rendered easy victims to plutocracy's combined forces. Would I destroy the Democratic and Populist parties? Yes, most certainly I would. I would raze the party walls to the ground. Yea, had I the power, I would blot out the last vestige of those two gigantic obstructions to the advancement of our cause, the cause of common humanity. Not because I object to the principles they advocate, but because they keep the people divided. The existence of two political organizations working for the same end is an inconsistency which no man can defend without doing violence to his reason. But some will ask me would I favor the abandonment of the Populist party if the Democratic party refuse to disband? My answer to such is that we as champions of the People's cause, who hold principles above party, should set the example in this necessary movement and let the Democratic party take the responsibility if it refuses to follow the dictates of common sense. For a Union party with all the Populists in it and the millions of Republicans and Democrats that would join it would be much more formidable than the Populist party standing in the middle of the road and in deadly strife with the already organized Union party and the Democracy. In my judgment we will not get the reform forces together until the Democratic and Populist parties are sunken into oblivion. Let the old unavailable hulks sink.

Tear down the prison walls of partyism and let the imprisoned voters out.

PRESS OPINIONS.

Cottage Grove Leader:

What is the matter with all the reform parties of Oregon calling a conference in the near future, of authorized delegates from their ranks, to complete the plans of a perfect union of forces in the next campaign. This could and should be done. Unless such movement is made the reform parties cannot prove to the voters of Oregon, that they are in earnest in the profession of reforms they boast of.

The Florence West says: The meeting of the P. P. central committee at Eugene last Saturday afternoon resulted in the re-election of Chairman John Sutherland; the election of Thos. Gill as secretary, to succeed Dr. E. D. McKenney, and in the tabling of the resolution to endorse the "middle of the road" action of the state central committee. It seemed as though the Populists of Lane county were in favor of endorsing the Union party lately organized at Salem.

Jefferson Review: The outcome of the organization of the new union party is doubtful. If the Populists join in and a good ticket is placed in the field it may be successful, but if the Pops will not come in and three tickets are in the field, then it is probable the Republican party will win with ease.

Astoria Budget: There are good men identified with all the old political parties who are capable and conscientious. They are striving within their party ranks to effect the reforms that are set forth in the declaration of principles adopted by the Union Party. They will be invited without prejudice to join the new party and help retire the old and corrupt machinery.

The Union party will grow. All the silver forces will be working in harmony in due time. The only ones who are holding out are a few politicians who don't know how things are going to head; but when the bandwagon starts they will be breaking their necks for a front seat. There is no coward so cowardly as a political coward.

Treasurer J. L. Hyde, of Lincoln county, visited Albany last week for the first time since 1853. He could only recognize one building there, after his abscence of 44 years.

Foul breath is a discourager of affection. There are more reasons than one for this. Foul breath is always an indication of poor health—bad digestion. To bad digestion is traceable almost all human ills. It is the starting point of many very serious maladies. Upon the healthy action of the digestive organs, the blood depends for its richness and purity. If digestion stops, poisonous matter accumulates and is forced into the blood—there is no place else for it to go. Before this, the fermented, putrid matter has indicated its presence by making the breath foul, the complexion sallow and muddy, the eyes dull and the head heavy. By and by, the germ infected poisonous matter in the blood causes weakness or inflammation in some part of the body. Then comes rheumatism, scrofula, consumption, liver complaint, kidney trouble and a half a hundred other ills.

The bad breath is a danger signal. Look out for it! If you have it, or any other symptom of indigestion, take a bottle or two of Dr. Pierce's Golden Medical Discovery. It will straighten out the trouble, make your blood pure and healthy and full of nutriment for the tissues. It is a strong statement, but a true one that the "Golden Medical Discovery" will cure 98 per cent. of all cases of consumption if it is taken in the early stages. It will relieve even the most obstinate cases of long standing.

Send twenty-one cents in one-cent stamps to cover postage and wrapping *only* and you will receive from the World's Dispensary Medical Association, Buffalo, N. Y., a large book of 1000 pages profusely illustrated, telling all about the "Golden Medical Discovery" and containing portraits, testimonials and addresses of hundreds of those cured by it. **It is a complete Family Doctor Book.**

Nerves just as surely come from the use of Hood's Sarsaparilla as does the cure of scrofula, salt rheum, or other so-called blood diseases. This is simply because the blood affects the condition of all the

If made pure, rich, red and vitalized by Hood's Sarsaparilla, it carries health instead of disease, and repairs the worn, nervous system as nothing else can do. ORDINANCE NO. 342.

A bill for an ordinance to provide for taxing and killing dogs.

Be It Ordained by the Common Council of the City of Salem:

Section 1. It is hereby made unlawful for any person or persons to keep a dog or dogs, within the limits of the city of Salem, of the age of more than four months unless the owner or keeper of such dog, or dogs, shall procure from the city marshal a license for each dog as in this ordinance provided.

Section 2. The owner or person having in charge any dog kept or owned within the city of Salem, shall on or before the first day of June in each year, pay to the city marshal the sum of $1.50 in gold or silver coin of the United States of America for each and every male dog, and each spayed female dog, and the sum of $3 for each and every slut or female dog (not spayed) so kept or owned by him, which shall entitle him to a receipt from such city marshal, designating the owner's name and the number of the license, which number shall correspond with the number on the tag which said owner or keeper shall place on each dog at his own expense.

Section 3. It shall be the duty of the city marshal of the city of Salem, or any one appointed by said city marshal, and he is hereby authorized to seize, impound and sell or kill and bury any and all dogs, sluts or spayed sluts found by him within the limits of the city of Salem, Oregon, the owner or owners of which have failed to procure and pay for a license as provided in section 2 of this ordinance. Upon the taking up and impounding any such animal the city marshal shall post a notice on the city bulletin board and shall send a similar notice to the owner of such dog, slut or spayed slut, if the name of such owner and his address is known. Such notice shall state that unless the owner of such animal or other persons having an interest therein shall claim possession of the same and pay all fees and charges of impounding, keeping and posting the same, together with the sum due to the city for license thereon as here in before provided, within five days from the date of such notice, the city marshal will proceed to sell the said animal at a time and place therein named, not less than five nor more than ten days from the date thereof to the highest bidder for cash. Such sales shall be public, and shall be held at the city pound and no bid shall in any case be received for any animal for a sum less than the fees of impounding, advertising, keeping and selling the same, together with an amount sufficient to procure a license for the said animal, for which last amount the purchaser or owner shall receive a license upon such animal for the current license year.

The city marshal shall be entitled to charge for impounding, posting notices and selling such animal a fee of $1.50 for each male dog and a fee of $3 for each female dog or spayed slut, and for keeping such animals the sum of 25 cents per day.

In case a sufficient amount is not bid for any animal to pay all fees, charges and license fee upon the same the city marshal may, at his discretion, adjourn such sale from day to day, not more than three days in all, or if no sufficient bid is made for any animal, the city marshal is empowered, authorized and instructed to kill and bury the same at his own expense.

Section 4. No slut or female dog, in time of heat, or vicious or mad dog, shall be permitted to run or be upon the public streets or alleys of the city of Salem, whether licensed or not, unless securely muzzled or led by a rope or chain by the owner or keeper thereof, and it shall be lawful for any person to kill any such dog, slut or spayed slut so found at large; and the owner or keeper of any such dog, slut or spayed slut permitting the said dog, slut or spayed slut to be at large in violation of the provisions of this section shall, upon conviction thereof before the city recorder, be fined not less than $10 nor more than $50 and be imprisoned until such fine be paid, not exceeding twenty-five days.

Section 5. All dogs, sluts, or spayed sluts more than four months old found within the limits of the city of Salem without a license tag thereon, are hereby declared to be a public nuisance, and any person or inhabitant of the city of Salem who shall keep a dog, or dogs, slut or spayed slut within the limits of the city of Salem without first having paid the license required therefor by this ordinance, and having the number thereof stamped or engraved upon a collar upon such dog, slut or spayed slut, as hereinbefore provided, or who shall cause or permit a collar and number to be put on a dog, slut or spayed slut, with intent to avoid the payment of a license therefor, shall, upon conviction of such offense before the city recorder, be subject to a fine of not less than $10 nor more than $50, or be imprisoned not less than five nor more than twenty-five days.

Section 6. Any person or persons who shall harm or molest the city marshal, or any person regularly appointed by him, wearing a policeman's star, who is engaged in seizing any dog, slut or spayed slut or killing the same, according to the provisions of this ordinance, upon conviction thereof before the city recorder, shall be fined in a sum not less than $5 nor more than $50, or by imprisonment in the city jail not less than five nor more than twenty-five days.

Section 7. All ordinances and parts of ordinances in conflict herewith are hereby repealed.

Passed by the common council of the city of Salem, on the 18th day of May, 1897.

ED. N. EDES, City Recorder.

Adproved by the mayor on the 19th day of May, 1897.
