BY HOPER BROTHERS.

FRIDAY, JUNE 18, 1897.

Members of the grand jury called at this office today and secured copies of this paper containing our charges against Judge Terrell, and the county commissioners, so there is some hope that their loose, irregular and unlawful methods of transacting public business may be investigated. The law is plain, that all bills allowed must be filed, considered in open court, the action of the court on each bill recorded, and the proceedings duly published. Not a word on the insurance deal, or the repairing job, or an item of warrants allowed has appeared or will appear on the records or official proceedings, unless the county court is brought to time. On their plan no one knows how many warrants are issued. There is a disposition, if not a combination, to run this county $100,000 in debt, and does anyone doubt some one will make a fortune out of it if it is not stopped?

We cannot go into the details of the bills allowed by this county court It is assumed that doctors, lawyers, contractors and others will run bills against the taxpayers if permitted to. That is not the question. The question at issue is the violation of law and all forms of law and all common customs of transacting public business in an honest and prudential manner by a judicial officer, who is either ignorant, incompetent or corrupt.

Sec. 19, Art. VII, declares that "incompetency, corruption, malfeasance, or delinquency in office may be tried in the same manner as criminal offenses." Unless the methods employed of awarding contracts without public bids, of allowing bills out of regular terms of court, of issuing warrants illegally, of tampering with official records, a cloud will be cast on all public business and no honest man will want to have business relations with Marion county. This is a matter of such importance that personal and political considerations ought to be laid aside. If all that this paper has published is true, and it is published under conviction that it is the truth, then Judge Terrell should be prosecuted for whatever he has been guilty of and removed and a judge put in his place who will conduct public business according to the plain requirements of the statutes.

Senator Wm. E. Chandler of New Hampshire has had his speech in favor of bimetallism, the use of silver as well as gold as standard money, free coinage of both, printed as a public document, with articles favoring bimetallism from the leaders in England, Germany and France, and will send it to any address under his frank Senator Chandler is a New England Republican, and presents facts of history, arguments and statistics that are unanswerable as an indictment of the gold standard. We hope his very able argument may have a wide circulation.

The fruit yield about Salem will be fully one-half a crop. This applies to apples, pears, Italian prunes, peaches and plums. Peach orchards will turn out much more than anyone expected. The Cottle orchard will yield 1200 to 1500 boxes for shipment. After expense of boxing, packing, wrapping and freight is deducted there is not much left for the fruit grower. But this is inevitable and we urge all who do pack fruit for the market to make it a matter of honor that it shall be only the very finest.

HER LIFE TRULY SAVED.

Dr. Miles' Heart Cure Does It.

Mrs. Chas. La Point, a well-known resident of Denver, praises this wonderful remedy. Her testimony should convince all as to the worth of the New Heart Cure and Restorative Nervine. Her letter dated Sept. 11th, 1894, reads as follows:

MRS. LA POINT, 2137 Humboldt St.

"Typhoid fever left me with heart trouble of the most serious nature. Nothing the doctors gave had any effect. I had severe pains in the heart, and was unable to lie on my left side for more than three minutes at a time. My heart seemed to miss beats, and I had smothering spells, in which it seemed every breath would be my last. We accidently saw an advertisement of

Dr. Miles' New Heart Cure

and Restorative Nervine, and purchased a bottle of each. After taking the remedies a week, I could be lifted in a chair and sit up an hour, and in a short time I was able to do light housework. I shall be ever grateful to you for your wonderful medicines. Truly they saved my life.

MRS. CHAS. LA POINT.

Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell it at $1. 6 bottles for $5, or it will be sent, prepaid on receipt of price by the Dr. Miles Medical Co., Elkhart, Ind.

A CONFIDENTIAL CHAT

between two men or women generally develops the fact that one or both are troubled by sickness of some kind. One man is all right except his rheumatism, another has a "slight touch" of dyspepsia, another has bilious headaches, and another is too nervous to sleep well. What's to be done about it?

The situation is serious. Little things have a way of getting big. Big diseases are bad things. Sleeplessness brings irritable nerves, loss of flesh, loss of appetite. Sleepless people soon get their bodies into such a condition that disease-germs find it easy to lodge there and propagate. People die from the aggravation of an aggregation of little things. The more promptly a disease or disorder is met the more quickly it is cured.

Most all sickness starts in the stomach, liver or lungs. Rheumatism, scrofula, eczema, consumption, come about because insufficient, impure or impoverished blood is present. The diseased blood finds the weakest spot in the body and a local symptom appears. If the impurity is supplanted with good, rich, red, healthy corpuscles, the disease will have nothing to feed on. If the proper cleansing medicine is sent to the seat of the trouble, it will force out the germs and repair the damage done.

Dr. Pierce's Golden Medical Discovery is a cleansing, purifying medicine, a blood enricher, a nerve strengthener. It is an efficient tonic, aids digestion, creates healthy appetite and healthy flesh. It does not make people "fat." It makes them strong. It makes useful flesh—solid muscle. It will cure any sickness that has its source in the digestive organs, or through them in the blood.

50 lbs. of Coal

A day would keep your rooms warm in winter. But that small stove will burn only twenty-five. Hence, discomfort and misery.

A certain amount of fat, burned daily, would keep your body warm and healthy. But your digestion is bad, and you don't get it from ordinary fat-food. Hence you are chilly, you catch cold easily, you have coughs and shivers; while pneumonia, bronchitis, or consumption finds you with no resistive power.

Do this. Burn better fuel. Use SCOTT'S EMULSION of Cod-liver Oil. Appetite and digestive power will revive; and soon a warm coating of good flesh will protect the vital organs against the cold and the body against disease.

ORDINANCE NO. 342.

A bill for an ordinance to provide for taxing and killing dogs.

Be It Ordained by the Common Council of the City of Salem:

Section 1 It is hereby made unlawful for any person or persons to keep a dog or dogs, within the limits of the city of Salem, of the age of more than four months unless the owner or keeper of such dog, or dogs, shall procure from the city marshal a license for each dog as in this ordinance provided,

Section 2. The owner or person having in charge any dog kept or owned within the city of Salem, shall on or before the first day of June in each year, pay to the city marshal the sum of $1 50 in gold or silver coin of the United States of America for each and every male dog, and each spayed female dog, and the sum of $3 for each and every slut or female dog (not spayed) so kept or owned by him, which shall entitle him to a receipt from such city marshal, disignating the owner's name and the number of the license, which number shall correspond with the number on the tag which said owner or keeper shall place on each dog at his own expense.

Section 3. It shall be the duty of the city marshal of the city of Salem, or any one appointed by said city marshal, and he is hereby authorized to seize, impound and sell or kill and bury any and all dogs, sluts or spayed sluts found by him within the limits of the city of Salem, Oregon, the owner or owners of which have failed to procure and pay for a license as provided in section 2 of this ordinance. Upon the taking up and impounding any such animal the city marshal shall post a notice on the city bulletin board and shall send a similar notice to the owner of such dog, slut or spayed slut, if the name of such owner and his address is known. Such notice shall state that unless the owner of such animal, or other persons having an interest therein, shall claim posession of the same and pay all fees and charges of impounding, keeping and posting the same, together with the sum due to the city for license thereon as here inbefore provided, within five days from the date of such notice, the city marshal will proceed to sell the said animal at a time and place therein named, not less than five nor more than ten days from the date thereof, to the highest bidder for cash. Such sales shall be public, and shall be held at the city pound and no bid shall in any case be received for any animal for a sum less than the fees of impounding, advertising, keeping and selling the same, together with an amount sufficient to procure a license for the said animal, for which last amount the purchaser or owner shall receive a license upon such animal for the current license year.

The city marshal shall be entitled to charge for impounding, posting notices and selling such animal a fee of $1.50 for each male dog and a fee of $3 for each female dog or spayed slut, and for keeping such animals the sum of 25 cents per day.

In case a sufficient amount is not bid for any animal to pay all fees, charges and license fee upon the same the city marshal may, at his discretion, adjourn such sale from day to day, not more than three days in all, or if no sufficient bid is made for any animal, the city marshal is empowered, authorized and instructed to kill and bury the same at his own expense.

Section 4. No slut or female dog, in time of heat, or vicious or mad dog, shall be permitted to run or be upon the public streets or alleys of the city of Salem, whether licensed or not, unless securely muzzled or led by a rope or chain by the owner or keeper thereof, and it shall be lawful for any person to kill any such dog, slut or spaped slut so found at large, and the owner or keeper of any such dog, slut or spayed slut permitting the said dog, slut or spayed slut to be at large in violation of the provisions of this section shall, upon conviction thereof before the city recorder, be fined not less than $10 nor more than $50 and be imprisoned until such fine be paid, not exceeding twenty-five days.

Section 5. All dogs, sluts, or spayed sluts more than four months old found within the limits of the city of Salem without a license tag thereon, are hereby declared to be a public nuisance, and any person or inhabitant of the city of Salem who shall keep a dog, or dogs, slut or spayed slut within the limits of the city of Salem without first having paid the license required therefor by this ordinance, and having the number thereof stamped or engraved upon a collar upon such dog, slut or spayed slut, as hereinbefore provided, or who shall cause or permit a collar and number to be put on a dog, slut or spayed slut, with intent to avoid the payment of a license therefor, shall, upon conviction of such offense before the city recorder, be subject to a fine of not less than $10 nor more than $50, or be imprisoned not less than five nor more than twenty-five days.

Section 6. Any person or persons who shall harm or molest the city marshal, or any person regularly appointed by him, wearing a policeman's star, who is engaged in seizing any dog, slut or spayed slut or killing the same, accordnig to the provisions of this ordinance, upon conviction thereof before the city recorder, shall be fined in a sum not less than $5 nor more than $50, or by imprisonment in the city jail not less than five nor more than twenty-five days.

Section 7. All ordinances and parts of ordinances in conflict herewith are hereby repealed.
