PRESIDENT'S MESSAGE.

The following is the text of the ssage sent to the senate by the resident to accompany the Hawaiin renty:

"I transmit hereby to the sentae, order that after due consideration ne constitutional function of advice nd consent may be exercised by that ody, a treaty for annexation of the States, signed by plenipotentiaries of he parties on June 16th. For a beter understanding of the subject I ransmit in addition to report of the tions which have led to this important result.

"The incorporation, of the Hawaiian islands into a body politics is a necessary and fitting sequel to the chain of events which from an early period of our bistory has controlled the intercourse and prescribed the associations of the United States and the Hawaiian islands. The predominance of American interests in that neighboring territory was first asserted in 1820 by sending to the islands a representative of the United States. It found further expression by the nounced in 1843, when the interven- some other sections. > > TARIFF BILL WORK.

The senate made greater progress on the tariff bill than any day since the debate opened. Two entire schedules, covering twenty pages, were completed, namely, schedule "H," on spirits, wines and beverages, and schedule "I," on manufactured cotten goods. This brings the senate to the epublic of Hawaii to the United flax schedule with the important wool schedule standing next.

The portion of the bill passed today is substantially the same as that reported, the committee changes being ecretary of state, reviewing negotia- unimportant, while the opposition amendments of Jones, of Arkansas, and Vest were systematically rejected by majorities varying from five to
