As an indication of the change of pinion in progress among the victims of the Hanna-McKinley bunco game the outcome of the recent special election in the First Missouri congressional district is impressive. In 1894 the Republicans carried the district by a plurality of 429. A week ago the Democrats elected the free coinage candidate by a plurality of 5,516.

The reader of this paper will be pleased to learn that there is at least son as more water is needed to bring one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall,s Catarrh Cnre is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a con-stitutional treatment. Hall'sCatarrh Cure is taken internally, acting di-rectly on the blood and mucous surfaces of the system, thereby de-stroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonial.
