BY HOWER BROTHERS

THURSDAY, JULY 1, 1807.

dollars less printing will be done. than McElmy bad. But in rearly all secret, as they will no doubt be inid before the proper legislative comown family in his department. Every fundamental American principle, and choice at an open primary election. should and must prevail unless we there can be no relief. propose to build up an office boilding thinks he is excusable.

That wabbling jaw of Max Pracht (whom all the good people of this) want of an appropriation to discount claims against the state. We doubt whether Max Pracht ever acquainted himself with the truth of any fact he states- be is not that kind of yapan extra session would cause him to R.T. Hough was withdrawn. at once its policy. We would like for Governor Lord to call an extra session and live in hope that he will do so, keeps his own counsel. We do not believe he has told any one of his purpose, though some do let on that he hastalke'l with them on that subject.

A public officer is always liable to be misrepresented and his conversa- to a choice. tions misconstrued, sometimes purposely and sometimes inadvertently. But we do not believe that Max Pracht those who want an extra session. He will be respected just in proportion as it to the people to keep quiet.

McElroy is fustened on the people for two years more probably at \$2,000 a year. There is no end to the tentacle grasp of a politician like this new professor of logic and whilem professor of ethics, pedagogy and Erstought to be thankful that the all-wise regents did not make him president. He is really not well qualified for crossroads schoolhouse. As state su- of the committee on resolutions, re- No estimates have been returned. perintendent he organized his depart- ported the platform, which was but 8500 has been paid. ment until it is probably the most expensive burden the state has to carry. He fastened the American School Book trust on the state for six years. And for these deeds he is fastened upon the state university at big salaries for life. What a parody on government! How is it done? The American Book Co. puts up liberally for campaign purposes. As a result state officers and legislature of one party or the other are elected. Politicians are appointed for regents. They feel they owe their place to men like McElroy and that they must be taken care of The big campaign fund, with lots of money for influencing the purchaseable voter, ought to make intelligent men think. When we debauch education with corrupt politics; we are on the road to rule.

thinks military drill and discipline "We demand immediate recognition should be made part of the public school of education. It would be the control of the belligerent rights of the republic function of the belligerent rights of the republic function. commands, to keep order, to brush shoes, teeth, hair, clothes, to abhor filth and bad habits. The State militis is a grand School for young men who belong to it.

and protest against the action of Sensible and habits are flanna in voting to nullify the memorial presented to congress by the legislature of Ohio in favor of the trying to cheat them.

Cuban patriots.

Tam O'Shanter's ride through the midnight wind with the horrible hobgoblins parsing him was only a bad dream, or nightmare, which anybody is liable to experience as the result of overeating or an attack of biliousness or indigestion. To avoid such disagrecable experiences one or two of Dr. Pierce's Fleasant Pellets should be taken after a too hearty meal and the action of the stornach will thereby be quickened and the meal promptly digested. Then too if Nature be assisted a little

now and then in removing offending matter from the stomach and bowels you will thereby avoid a multitude of distressing derangements and diseases, and will have less frequent need for your

doctors' services.

Of all known agents for this purpose,
Dr. Pierce's Pleasant Pellets are the best. Their secondary effect is to keep the bowels open and regular, not to further constipate, as is the case with other pills Hence, their great popularity with suf-ferers from habitnal constipation, piles and their attendant discomfort and man-

The Peliets cure biliousness, sick and bilious headache, distiness, costiveness, or constipation, sour stomach, loss of appetite, coated tongue, indigestion, or dyspensia, windy belchings, "heart-barn," paln and distress after eating, and kindred derangements of the liver, stomach and bowels. One little "Pellet" is a laxative, two are mildly ca-
