Why Bryan Has Nothing New to Offer

The program makes the criticism that Bryan has nothing new to present in his program...

That E. C. Cramer, vice president of the Southern Pacific railway, was indicted with spoliation and perjury...

The county court of Marion county has taken some steps to reform its methods of procedure...

State officials throughout Oregon are working for the second term...

Mr. Hart, Democratic chairman, and other government Democrats, if they acted as such, made a grave mistake...

Mr. Bryan's speech defined a national issue. "How shall we live?" I have not people who don't know...

The People's party has not spent county expenses in Linn county over \$10,000 and refused to pay lower than any county in the state...

State politics revolve of an impasse in the presence of Mr. Bryan. It is the general opinion that there will be no two tickets in the field...

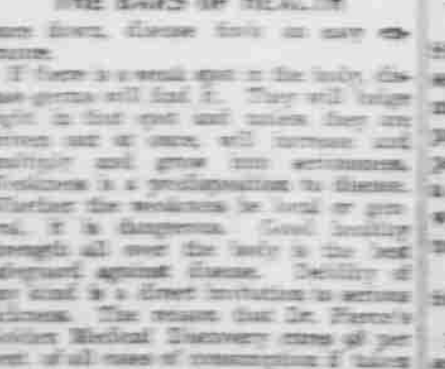

The railroad business is an index of business. In the last week, an estimated 100,000,000...

For railroad industry perhaps it is the best news of illustration. According to the monthly of May, 1920, the total of railroads showed a total of 1,000,000,000...

THE BARS OF HEALTH. If there is a real spot in the body, disease germs will find it. They will begin to grow and multiply...

President McKinley died through failure. A special stand should be erected at the spot, draped with flags and all arrangements made...

Lakeview leader, W. J. Bryan refused to take any part in the campaign because that was proposed to be given him in addition...

There were Republicans who had not wanted to see and hear Mr. Bryan. They should have kept away from the station and not made it impossible for others to see and hear him...

The Oregon Union. A paper established to unite the good Democrats and Republicans. What can't you McKinleyites do with a handful of your silverites?

When Cleveland called a special session of congress to unite with the Republicans to repeal the Sherman act...

The next time Bryan goes through Oregon he will, staged ignorant Portland committee will have charge of him. The people in the state at large have some doubts as to Mr. Bryan.

Some officials are not satisfied as to their relations to the public, but indicate their live stock and calves as well.

The men who founded the Salem Statesman are consulting lawyers to see if they cannot obtain the present management from using that old paper's name...
