STANDARD FASHION CO'S, STANDARD PATTERNS

We have secured the agency for Salem fo the Standard Fashion Co's patterns We will have the new stock ready for the inspection of our friends and patrons about August

1. It is not necessary for us to sry much by
way of an introduction for these patterns.
They are handled in Portlan1 by the great
bouse of Olds & King. They were formerly
sold in Salem by the Palace Dry Goods & Shoe Co and are well known to many stylish women of this city. In style and fit they have absolutely no superior. In addition to their intrinsic wor'h, a very strong peint in their favor is their cheapness. They are sold at prices fully 25 per cent, cheaper than other patterns. Farther announcements will appear later.
