He remained here until early in the sixties, when he was appointed justice of the supreme court, of the territory of Washington, by Old Abe Lincoln, when he took up his abode there and has remained there ever since.

COUNTY ASSESSOR'S CLAIMS

Are Practically Settled by the County Court. Thursday afternoon the county court made a final order to pay the deputies of county assessor Hobart as allowed in the spring, viz: \$3 per day field work and \$2 per day for office work.

Table with columns: Name, Days, Amt. Total: 669 \$1,988 00

Mr. Hobart says this settlement is not at all final, as it takes two to make a bargain, whatever that may mean.

His deputies were engaged today signing orders for the county clerk to turn their warrants over to Mr. Hobart, instead of drawing the money themselves.

This may be for the purpose of preparation to further prosecute the claims.

Mr. Hobart now disclaims all responsibility in the matter, and says that the court has practically hired the deputies and paid them what it pleased regardless of the law, hence he feels no responsibility for their work.

The court allowed road district No. 20, \$75 to be used in improving their portion of the Salem-Portland road.

Wm. Kling, Jacob Scott and Charles Hall were appointed viewers to meet with the county surveyor on August 19, to locate a county road from the N. W. corner of the donation land claim of T. J. Smith to the S. W. corner thereof and to vacate all the road on the east line of the F. Yates' land.

The court directed the county clerk to advertise for wood for the court house—20 cords of fir and 50 cords of oak.

W. W. Stephens resignation as superintendent of the poor farm goes into effect October 1, and bids for caring for the paupers of the county will also be asked.

The court at today's session made the following order: "In the matter of the claim of Pugh & Gray for changes in the court house: On this day it is ordered by the court that the matter of Pugh & Gray for extras furnished in the improvement of the court house be and the same is hereby continued to the September term of this court."

A New Flag Pole. W. H. Dauncey, Wm. Rafter and Riley Waller today erected a new flag pole for Banker A. Bush. The new pole measures 59 feet 7 inches in length and is firmly attached to the top a telephone pole near the intersection of State and Commercial streets, which makes the pole 102 feet from the ground and from which "Old Glory" will be unfurled on proper occasions.

The top of the pole is adorned with a large silver ball about 6 inches in diameter which can be seen for a great distance. Can it be that Banker Bush thus recognizes the ascendancy of the white metal?

AN EXECUTION SALE.—At 10 o'clock this morning Sheriff F. T. Wrightman conducted an execution sale to satisfy a judgment of about \$80 held by John Estes against Wm. Syphert. The 60 cords of wood was sold subject to a lien for \$20.

LAST GAME OF THE SEASON.

The Salem Baseball Nine Plays the Chemawa Again Saturday. The Salem baseball team, the champion line of the state, will on Saturday afternoon cross bats with the Chemawa Indian Training school team on the fair grounds' diamonds.

The Chemawa boys will come with their strongest team, having secured the services of an experienced pitcher, of Puyallup, Wash., and they will make every effort to regain their lost reputation as the champion team of the state.

But with Ross and Downs as a battery, strongly supported, the Salem team, has a reasonable chance of a victory. The only change to be made in the Salem team will be that of second baseman, Jay McCormick, whose finger was so badly hurt early in the season, has recovered and will play second baseman.

An admission of 25 cents will be charged and lovers of the national sport who do not see tomorrow's game will miss the best game of the season.

Minor, short-stop and captain of the Chemawa team, will be here and with the new "twirler," will add considerable strength to the Chemawa team.

This will in all probability be the last game of the season for the Salem team. The local one will disband tomorrow evening quite likely, but will again reorganize about Sept. 15th and propose to participate in the baseball tournament during the State fair.

During the summer the local team has engaged in six games, winning four of that number.

The names of the players and their respective positions in tomorrow's game are as follows: Chemawa Salem Position Tebeau Downes..... Law

Ross..... Ragan. Coleman..... Minor Statesman..... Freeman McCormick..... Smith Murphy..... Davis Olinger..... David Minto..... Young Evans..... Graham

Manager Brewer of the Chemawa team returned this morning from Portland and in conversation with a JOURNAL writer stated that the entire first team of the school will be here tomorrow thoroughly determined to win the game.

For its first season the Salem baseball team has certainly made a very creditable showing. In the six games in which it has participated, it has been victorious in four.

The first game of the season was played with St. Paul at Gervais on Saturday June 20, and was won by the local team with a score of 11 to 10. On Thursday, June 24, at Dallas the Salem team met its first defeat at the hands of Chemawa, the score being 12 to 12. On Saturday, July 3, the Monograms were badly worsted at Gervais the score standing 10 to 4 in favor of the Salem nine. In this city on Saturday, July 10, the local team defeated the St. Paul nine for a second time with a score of 12 to 8 in its favor.

At McMinnville, with two of its best players absent, the home team was badly beaten in a game with the McMinnville team on Thursday July 15, the score standing 13 to 1 in its favor. The last game played by the home team was that on Friday, July 30, at the state fair grounds when she defeated the Chemawa team with a score of 16 to 6 in her favor. This is a record of which any team might well feel proud.
