UNION PARTY PLATFORM

Adopted at Albany, Oregon, June 2, 1897.

We demand the free and unlimited coinage of gold and silver at the ratio of 16 to 1 independent of the action of any other nation. That the government shall issue all money without the intervention of banks, and in quantity adequate to the needs of the people. That all money issued by the government, whether gold, silver or paper, shall be legal tender for all debts, public or private. That no contract or law shall discriminate against any kind of money issued by the government.

We are opposed to the issue of United States in debt-bearing bonds in time of peace. We demand the redemption of Oregon from rings, commissions and corrupt methods, and demand honest elections and election laws, including stringent registration laws. We demand that the people shall have the veto power over all legislative enactments by the use of the referendum. We demand the election of all officers by a direct vote of the people.

Beware of Ointments for Catarrh That Contain Mercury, as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly on the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co., Testimonials free.

Sold by all Druggists, price 75c. per bottle.

Heart Trouble Quickly Cured.

A Convincing Testimonial.

"For 19 years I suffered from heart trouble. During that time I was treated by five different physicians. All of them claimed that I could not be cured. I was greatly troubled with shortness of breath, palpitation and pain in the side. If I came excited, or exerted myself in the least, the pain in my side became very severe. At times it seemed as though needles were shooting through my side. Some time in the month of November last, I commenced taking DR. MILES' HEART CURE and since then I have improved steadily. I can now sleep on my left side, something I had never been able to do before. I can walk without being fatigued, and am in much better health than ever before. I would recommend all sufferers from heart trouble to try Dr. Miles' invaluable remedy without delay."

MISS ELLA KURTZ, 618 Wright St., Milwaukee, Wis.

Dr. Miles' Heart Cure Restores Health

JOURNAL "X-RAYS."

There wasn't a single office-seeker in the numerous escort given Congressmen Tongue and Hooker as they went on that weary voyage down the Willamette at a low summer stage. But then the fellows who traded off Binger Hermann (because he had voted for free coinage 20 to 1) for an unknown national banker and railroad attorney, so that Oregon lost her representative on the River and Harbors appropriation committee, had to go through the motions and genuflections.

Anyone holding a ticket in the Myers bicycle lottery had a right to expect to win except Neal. A little girl who had told a lie was escorted to her bedroom by her mother and told to ask God to forgive her for her sin. This is what the listening mother heard: "Oh, God, I thought you could take a joke!"—New York Life.

Moral and religious people are hereafter going to draw the line on any Salem merchant who conducts a bicycle lottery and then cheats the holder of the winning ticket out of his prize.

"Do you belong to the bridal party?" asked the hotel clerk. "No; I'm only the groom."

Salem peanut politicians are raging like Nubian lions over the impending distribution of federal offices, while the possibility of Corbett's appointment hangs over their heads like the sword of Damocles.

Mr. Geer, who has done the heaviest lying for the Republicans in the past two campaigns may get to be a gauger, weigher or something of that sort, but collector? Never.

Undertakers will appreciate this if they cannot tell it to their customers: A poor man lay dying, and his good wife was tending him with homely but affectionate care. "Don't you think you could eat a bit of something, John? Now what can I get for you?"

With a wan smile, he answered, feebly: "Well, I seem to smell a ham a cooking; somewhere; I think I could do with a little bit of that."

"Oh, no, John, dear," she answered, promptly, "you can't have that. That's for the funeral."

following paragraph is respectfully referred to the careful student of a local product: The self-made man was speaking. He said: "My father was a raiser of hogs. There was a large family of us"—and then his voice was drowned by the applause.

Of course, barring an act of God, Senator Patterson is to be collector of the Port of Portland and Tall Timothee Geer must take a back seat on the state ticket.

Salem saw a great deal of the Y. P. S. C. E. excursionists and will appreciate this current press joke: It is not necessary to repeat his remarks. When his wife heard them, she said: "Oh, do say that over again, dear." "Look here, woman," he replied, in a concentrated voice, "when a man gets his finger caught between a sprocket and a chain, it is no time for his wife to get funny." "Oh!" said she: "was that it?" thought you were repeating one of those Christian Endeavor yells."

A force of men is employed on the McKinzie road repairing it.

THE CHILCOOT PASS—And other dangerous passes to be experienced when en route to Klondike are altogether different from the roads that lead to Branson & Co's. grocery, where the finest grade of goods is always kept in stock.

A Sick woman cannot expect to have a healthy baby.

A sick woman cannot expect to have a healthy baby. It is a healthy baby has not the same chance for living as a healthy baby. The mother's condition must of necessity tell on the child's health and happiness. The laws of heredity are inflexible. The mother's weakness will surely show in some way in her child. A mother can make her child's life happy and successful, or miserable and a failure. She can do it by making and keeping herself perfectly strong and healthy during the period of gestation. She can do this by taking Doctor Pierce's Favorite Prescription. It is a most wonderful cure for all forms of female weakness and disease, and perhaps its greatest usefulness is in preparing for the trials and dangers of child-birth. It is a strength-giving, purifying tonic. It acts directly on the organs distinctly feminine, drives out all impurities, promotes regularity and restores hearty, vigorous health. It will positively make a child's life a success. It is the preparation of a regular, medical practitioner, whose great success as a specialist in the treatment of diseases of women has made him famous all over the world. Dr. Pierce is now, and has been for many years, chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

Complete information about the "Favorite Prescription" is to be found in Dr. Pierce's "Common Sense Medical Adviser," several chapters of which are devoted to the reproductive system of women. A handsome volume of 100 pages, and over 300 illustrations. It contains more exact information about the human body in health and disease than any other medical book. Hundreds of useful, simple receipts for the cure of all ailments that come to your family. It is a book that will be absolutely relied upon, and it followed the success of Dr. Pierce's "Common Sense Medical Adviser." A new edition of half a million copies of this book is now being distributed free, bound in strong paper covers. Any one may have a copy who will send a cent in postal stamp, to pay cost of mailing only to World's Dispensary Medical Association, 1110 N. Y. Street, New York, N. Y. Price, 25c. Making is 25 cents.

THEY WIN AGAIN.—The Opera House baseball nine again demonstrated its superiority on the diamond over the Steam Laundry nine when it defeated the latter team with a score of 18 to 17. Quite a number witnessed the game which proved highly interesting.

A Direlict

SAN FRANCISCO, AUG. 28.—News has been received here that the hull of the bark Matilda, wrecked on the Washington coast a week ago, has gone adrift, and is in the path of steamers that ply between Puget sound and Alaskan ports. She is only a trifle above the water, and cannot well be seen at night. The next steamer to pass on the course is the Portland, which is bringing the Klondike passengers and gold from St. Michaels.

For Home First.

The loyal people of Oregon are always for home first. This was proven by the fact that the arrival of Tillamook cream cheese was first announced in this paper Friday evening. Saturday city customers called at Sonman's State street grocery for more than 100 pounds. It is put up in family sizes at 10 cents a pound.

A GOOD THING—Is always appreciated.

That accounts for the immense crowds that visit Strong's restaurant daily. The meals served there enjoy a world-wide reputation.
