Juvenile Hop Picker Lost. A mother and two sons aged about 13 and 8 respectively, were among the Portland contingent of hop pickers reaching Salem on the steamer Ramona last night.

The mother and youngest son requested the oldest boy to sleep on the boat with them but he refused to do so, preferring to spend the night on land. Accompanied by another boy of an equal age, he went ashore, since which time he has not been seen.

The mother is distracted with grief and is anxious to learn of her son's whereabouts. From the fact that the boy was not very bright it is likely he wandered about the streets and lost his way but will likely return in a few days.

Shoulder Dislocated. H. B. Williamson, a carpenter in the employ of the O. C. & E. Co. and at present engaged repairing the company's steamers Albany and Hoag which are tied up at Salem for the summer, fell about eighteen feet about 8:30 o'clock this morning and dislocated his left shoulder besides sustaining a number of bruises.

Williamson started to walk from the promenade deck of the Wm. Hoag to the dock adjoining the steamer, but had no sooner stepped upon the foot plank until it slipped from the edge of the boat and he fell striking the dock quite forcibly and landing on a small raft about eighteen feet below. He was immediately taken to the Riverside House, corner State and Water street when Dr. J. N. Smith was called and made the injured man comparatively comfortable.

TAX PAYMENT.

Man Examined For Insanity.

County Board of Equalization Meets Today--Notes.

This morning Sheriff F. T. Wrightman made the thirteenth payment of 1896 taxes to County Treasurer G. L. Brown. Today's turnover aggregated \$10,069.83 and is to be credited to the following funds.

Table with columns for fund names and amounts. Includes: Polls, City of Salem, City of Woodburn, City of Stayton, SCHOOL DISTRICTS, No 21, No 103, No 4, No 5, No 11, No 17, No 21, No 22, No 25, No 32, No 57, No 89, No 111, No 113, No 118, City of Stayton, School 1, Total.

The twelve payments previously made amounted to \$117,616.13 which with today's turnover makes a grand total of \$127,685.96 in 1896 taxes that have been collected and turned into the county treasury.

Subtracting this amount from the total tax of \$187,160.20 leaves a balance of \$59,474.24. But at the rate taxes came in Saturday and today it will be safe to predict that the amount of unpaid taxes will not aggregate over \$50,000 when the tax roll is closed by Sheriff Wrightman Tuesday evening, as per order of the county court.

NOT INSANE. Upon complaint of his father, J. B. Brown, H. E. Brown was this morning examined before Judge G. P. Terrell as to his insanity.

The examination was conducted by District Attorney S. L. Hayden and Dr. W. B. Morse and resulted in the young man being discharged. It seems that the young man is subject to fits of despondency, but there is nothing in his actions to warrant his commitment to the asylum.

COUNTY BOARD OF EQUALIZATION. The Marion County Board of Equalization, consisting of Judge G. P. Terrell, Clerk L. V. Ehlen and Assessor J. W. Hobart met this morning. A number of taxpayers called throughout the day and looked over the books.

BOUNTY WARRANTS. County Treasurer G. L. Brown today cashed bounty warrants aggregating \$7.30 that had been issued by Clerk L. V. Ehlen as follows:

Table with columns for names and amounts. Includes: J. B. Leigh, Edwin Hobart, Geo. J. Fryer, Frank Parrish, Total.

IN POLICE COURT. Two Boys Arrested for Disturbing the Salvation Army.

F. Warshold and Wm. Jenkins were arrested last evening charged with disturbing a religious meeting. They were arraigned before Recorder Edes this morning and entered a plea of "not guilty."

Their trials have been set for Tuesday. It seems these young men attended the Salvation Army meeting Sunday evening and attempted to take charge of the same but this was resented by the officers of the army who caused the arrest of the young men.

J. M. Morrow was arrested Sunday on a charge of drunkenness. Morrow was arrested last Friday on a similar charge and was discharged providing he would leave town immediately.

The man claimed to have work in a hop yard and agreed to leave at once if Recorder Edes would discharge him. The man was this morning sentenced to ten days in the city jail and will be detained there until his sentence has expired.

A well known salesman in a leading drygoods store of this city spent last night in the city jail, awaiting his arraignment in police court this morning on a charge of drunkenness.

He is a member of a highly respected family for whose sake his name is withheld.

TO CENTRAL AMERICA.—Mr. and Mrs. A. I. Manning, who have been spending several months in this city, left today on their return to Nicaragua, Central America. Both of the latter young gentlemen are well known in this city being quite popular in social circles, and their many friends in this city wish them every possible success in their new location.

IN THE HOP YARDS. Picking Will Be General Throughout the Valley This Week.

This has been hop pickers day at Salem. All day Sunday teams were carrying hop yard crews and camping outfits out into the country. Sunday night several boat loads of pickers arrived up from Portland and Salem restaurants were busy more or less all night feeding the lupulin harvesters.

Throughout this month large crowds of Salemites have gone either to the mountains or to the seaside and now comes the excursion to the hop yards that almost completes the depopulation of the city.

To those who cannot afford to spend a few weeks at the mountains or at some seaside or inland resort, a few weeks in the hop yard will prove beneficial to the health and at the same time replenish the pocket-book.

A large hay-rack load of men and boys, numbering about thirty, passed through Commercial street for yards south of town about 8:30 o'clock this morning and a boisterous crowd it was indeed.

Each member of the party carried a roll of blankets and other necessary articles. The Willamette river boats are being taxed to transport the 2500 Portland hop pickers to points up the valley.

Steamers Elwood and Altona both left Portland Sunday morning with a full list of passengers, the majority of whom were landed at Butteville, the remainder being transferred to the steamer Ramona for Salem, reaching this city about 9:45 p. m. last night.

They were this morning taken to the hop yards around Salem. All tickets on the Altona and Elwood were sold for today's trip.

The first hop yard dance of the season was that at Dove's yard near Eola Saturday night. It was largely attended by pickers from the surrounding yards and also a large crowd from Salem. An enjoyable time is reported.

Experienced hop buyers claim that hops are harder to dry this season than ever before. In most yards the pickers are compelled to take greater pains than ever before. They are required to be more particular about leaves and other trash.

Picking has begun in the R. R. Willard yard, five miles northeast of Salem. This yard has no lice nor mold, and has one of the finest qualities in the vicinity of Salem.

Mr. Willard says he knows nothing of the hop business, but good judges say they are very fine and rich in lupuline.

Hop picking records are annually made in the various yards but we have heard of one that seems hard to beat. One day last week in the Hayden yard near Eola, Chas. Gillingham and Rolla Southwick, both of this city picked 11 boxes between 7 o'clock in the morning and 6 o'clock in the evening.

The rain-storm that appeared so threatening throughout yesterday transformed into an electrical shower last evening, accompanied by a slight sprinkle. The sheet lightning was quite vivid and continued throughout the evening.

The sprinkle of last night did not damage the hops, fruit or hinder harvesting any but to much rain at this season of the year would do much damage. Not only would the hops be greatly damaged, but the prunes, which are so largely raised in the valley, would suffer from the rain.

They would first swell and when the sun would come out, the fruit would crack, thus spoiling them for packing and greatly reducing their value in the market.

Harvesting is pretty well along but the farmers are almost wholly unprepared for rain. The weather forecast for the next thirty-six hours is: Showers tonight and Tuesday.

BORN. KLINGELE.—At the home on Liberty and Mission streets, Salem, Or., Aug. 27, 1897, to Mr. and Mrs. Paul Klingele, a son.

MARRIED. FARNSWORTH—EGGIMAN.—At the Marion county court house, Salem, at 3 p. m. Saturday, August 28, 1897, County Judge G. P. Terrell officiating, Ada Eggiman to A. W. Farnsworth, both of this county.

STABBING AT ALBANY. A Fight Leads to the Fatal Cutting of Billy Mayer.

ALBANY, Aug. 30.—Special.—About 10 o'clock last night Jim Blackburn, son of Judge Blackburn, stabbed a blacksmith, Billy Mayer, seven times in the back, one of which went into his lungs, and Mayer is lying in a serious condition, but with chances for his recovery. It occurred near the Lost Chance Saloon.

A week previous Blackburn and Mayer had had a fight across the river to see which was the better man, Mayer whipping. Blackburn was evidently getting even with him. Mayer had been drinking hard.
