

LAFOLLETT'S EXHIBIT

A Wonderful One Farmer Display.

WHAT OREGON SOIL PRODUCES

Not Raised for Exhibit but Taken From the Crops.

To show on short notice all that can be grown on one of the richest and best farms in Marion county is a great undertaking but has been accomplished with marked success by Hon. Alex Lafollett.

Mr. Lafollett's exhibit has this merit that it was not grown or produced to exhibit, as he did not know until six weeks ago that such a prize was offered. His exhibit is made up of the actual products of farm, orchard, garden and household, and is a wonder even for Oregon.

Mr. Lafollett is a pioneer farmer and one of our best types of self-made men. A few weeks ago, to his entire surprise, he was named by Governor Lord as one of the twelve members of the State Board of Agriculture. He has been a member of the Oregon legislature, and his appointment is creditable to the state administration and an honor to the farming class generally.

If Alex Lafollett wins the first prize for the single farmer's exhibit he will donate the wagon to the society, as he does not consider that as a member of the State Board of Agriculture he has a moral right to award himself a premium over any exhibitor. This is a high ground to take but it is characteristic of this member.

EVERYTHING THERE.
A lady who wanted to test the variety of this exhibit asked questions at random to try to find something lacking.

"Where's your bacon?"
"Come right around here ma'am."
"Where's the butter?"
"Here's some fresh made."
"Where's your eggs?"
"Here you are fresh laid."
"Where's your milk?"
"Right here you are ma'am" and he hauled out a jar of sauerkraut.

"Water melons are out of season. How did you say those melons?"
"I buried them in the sand ma'am, a month ago, so as to have them here." The woman gave it up as a bad job.

THE DISPLAY IN DETAIL.
Mr. Lafollett's exhibit was entirely put up by himself and wife and children. He is a new member of the agricultural board. His farm comprises 30 acres in Mission bottom, 10 miles north of Salem in this county. The exhibit is arranged on a cone-like shelving, and is an attractive picture of diversified farm products. A placard gives the amount of wheat grown this year at 5490 bushels, oats 1125 bushels, peaches, 400 bushels. The samples show two varieties of wheat—white, French and Defiance. The exhibit also shows two kinds of oats—white Russian and Lincoln. A large squash and a pumpkin, the latter weighing 94 pounds, form the apex of the exhibit. Seven varieties of pumpkins and squashes are shown in the exhibit.

Fruits of fine size and quality are exhibited in their natural state, canned and dried. The peach display covers nine varieties—the Susquehanna, Charlottes, Aiken, Salway, Golden Cling, Cox's Golden (Ging, Indian Blood, Waterloo and Hole's Early. Four kinds of pears are shown—Bartlett's, Clapp's Favorite, Bure Ajou, Fall Bunter. Three Bartlett's fill a six quart jar. Italian, Petite Hungarian, Silver, Cox's Golden Drop and German, making six varieties, of prunes, are shown.

There are 16 varieties of apples shown Russet, King, Yellow Bellflower, Red Cheek Pippin, Swart, Grayenstein, Garrison's Seedling, Baldwins, Wine sap, Rambo, Greening, Rhode Island, Spitzenberg and Fall.

Grapes are represented by Concord, Sweetwater, Delaware, Isabe la, Royal Muscadine, Black Aiken and Salem varieties, seven in all are shown.

The varieties of beets number four: Mangle Wurzel, Golden Tankard, Blood-Red and Sugar. The largest weigh 25 pounds.

Four kinds of nuts are exhibited—the chestnut, walnut, English walnut and paper-shell almond.

Other articles of the exhibit are: Older, sauer kraut, bacon (home-cured), home-made soap, pickles, beets and cucumbers, eggs, butter, lard.

Mr. Lafollett has a three-acre pond filled with carp and catfish, and samples of these form a part of the exhibit.

MISS BEATRICE SHELTON—Teacher in piano and organ, wishes to announce that she is now ready to receive pupils for the ensuing year. For terms etc., please call at 478 Front St. This is to certify that Miss Beatrice Shelton has been studying piano playing and piano music with me for nearly two years and that during that time she has proven herself to be most accurate and faithful in her work. Her interpretation of the classics is musical and her technique clear. Miss Shelton has attended the course in piano pedagogy and has acquired a thorough and systematic method of teaching piano playing.

I herewith recommending her as a good pianist, a very conscientious teacher and a good musician. Very respectfully, Emil L. Winkler. 9 30 01

Birthday Surprise.
Friday, Oct. 1st, marked the 28th birthday anniversary of Joe Martin, assistant engineer of the Salem Water Company. Aware of this fact, his good wife, planned a surprise for him in the management of which she evinced considerable skill as an engineer. The surprise was complete and the affair was a delightful one.

About forty were present. Dancing and cards were pleasantly indulged in and at a seasonable hour an elegant luncheon was served. At a late hour the party disbanded wishing the host many happy returns of the day.

Among those present were: Mr. and Mrs. Jack Robertson, Mart Vlesko and family, Mr. and Mrs. A. L. Smith, Geo. F. Mason and family, Mr. and Mrs. Schuyler Kightlinger, Mr. and Mrs. W. Anderson, Mrs. P. A. Erickson, Mrs. W. M. Bennett, Mrs. Chas. Smith, Mrs. Fred West and children, Misses Anna Parker, Iva Irvin and Faunie Gishong; Messrs. Larry Murphy, Bob Colts and A. M. Hanson.

NEW MEDICAL DISCOVERY.

A Positive Cure for Dyspepsia.

This may read as though we were putting it a little strong because it is generally thought by the majority of people that Dyspepsia in its chronic form is incurable, or, practically so. But we have long since shown that Dyspepsia is curable, nor is it such a difficult matter as it first appears. The trouble with Dyspepsia is that they are continually dieting, starving themselves, or going to opposite extremes or else deluging the already overburdened stomach with "cathartics," "after dinner pills," etc., which invariably increase the difficulty even if in some cases they do give a slight temporary relief. Some treatment of the stomach simply make matters worse. What the stomach wants is a rest. Now how can the stomach be contented, recuperated and at the same time the body nourished and sustained.

This is the great secret and this is the secret of the uniform success of Stuart's Dyspepsia Tablets. This is a comparatively new remedy, but its success and popularity leaves no doubt as to its merit. The Tablets will digest the food anyway, regardless of conditions of stomach. The sufferer from Dyspepsia according to directions is to eat an abundance of good, wholesome food and use the tablets before and after each meal and the result will be that the food will be digested no matter how bad your dyspepsia may be, because as before stated, the tablets will digest the food even if the stomach is wholly inactive. To illustrate 1,800 grains of plain, if of ordinary food and place it in a temperature of 98 degrees, and put with it one of Stuart's Dyspepsia Tablets it will digest the meat or eggs almost as perfectly as if the meat was enclosed within the stomach. The stomach may be ever so weak yet these tablets will perform the work of digestion and the body and brain will be properly nourished and at the same time a radical, lasting cure of dyspepsia will be made because the much abused stomach will be given to some extent, a much needed rest. Your druggist will tell you that of the many remedies advertised to cure dyspepsia none of them has given so complete and general satisfaction as Stuart's Dyspepsia Tablets and that is the fact that they are also the best in importance in the least. Deafness Cannot be Cured
by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

CASTORIA

For Infants and Children.

The family signature of *Chas. H. Fletcher* is on every wrapper.

Misses Ada Morris and Mary Stewart, of Albany, are in the city, the guests of Miss Genevieve McKinney.

Bathing the baby is one of the joys of young motherhood. The mere sight and touch of the soft, cool, flowing, crowing little creature is a solace for many sorrows. This happiness is missed if either mother or child be sickly, weak, nervous, cross, or if either so, it is the mother's fault. She has failed to keep herself well and strong during the period of gestation, and the neglect shows in her baby.

All the peculiar ills of womanhood are cured by Dr. Pierce's Favorite Prescription. It relieves pain, allays inflammation, stops debilitating drains, strengthens and vitalizes the organs involved. It so perfectly prepares a woman for the time of parturition that pain and danger are practically eliminated. By its use perfect health is assured for both mother and baby. It is the most marvellously efficient medicine ever devised for this purpose and the only one that may be absolutely depended upon.

Mrs. Amanda Ellison of No. 2100 Beconville St., Oakland, Ala., writes: "I am happy to say that I followed your advice and took your 'Favorite Prescription' before my fourth child was born, and I got through all right. My first three were still born. Your advice was to take the 'Favorite Prescription' before my first child was born. Now I have two boys living and much to say for the baby cost of mailing. I am the happy mother of these two boys."

Dr. Pierce's book, Common Sense Medical Adviser is full of useful knowledge from title-page to *Index*. It may be had in paper covers for the bare cost of mailing. Send at once stamps to World's Dispensary Medical Association, Buffalo, N. Y. For 25 cents extra (1 cent in all), the book will be sent in fine French cloth binding.

AN OPEN LETTER To MOTHERS.

WE ARE ASSERTING IN THE COURTS OUR RIGHT TO THE EXCLUSIVE USE OF THE WORD "CASTORIA," AND "PITCHER'S CASTORIA," AS OUR TRADE MARK.

I, DR. SAMUEL PITCHER, of Hyannis, Massachusetts, was the originator of "PITCHER'S CASTORIA," the same that has borne and does now *Chas. H. Fletcher* on every bottle the fac-simile signature of *Chas. H. Fletcher* wrapper. This is the original "PITCHER'S CASTORIA" which has been used in the homes of the mothers of America for over thirty years. LOOK CAREFULLY at the wrapper and see that it is the kind you have always bought, *Chas. H. Fletcher* on the and has the signature of *Chas. H. Fletcher* wrapper. No one has authority from me to use my name except The Centaur Company of which Chas. H. Fletcher is President.
