Some Facts Regarding the Rapid I crease of Heart Troubles.

Do Not Be Alarmed, But Look for the Cause.

Heart troubles, at least among American business life, it is more often the result of weak stomachs, of poor digestion. Real, organic heart disease is in-

curable; but not one case in a hundred of beart trouble, is organic. The close relation between heart The result trouble and poor digestion is because follows: both organs are controlled by branches

of the same great nerves, the Sympathetic and pneumogastric.

In another way, also the heart is affected by that form of poor digestion, which causes gas and fermentation, which causes gas and fermentation.

tion from half digested food; there is a feeling of oppression and heaviness In the chest caused by pressure of the distended stomach on the heart and lungs; interfering with their action: nence arises palpitation and short

Poor digestion also poisons the blood, makes it thin and watery, irritates and weakens the heart.

The most sensible treatment for heart troubles is to improve the di-gestion and to insure the prompt as-

It is safe to say that the regular, persistent use of Stuart's Dyspepsia Tablets at meal time will cure any form of stomach trouble, except can-
